

A vertical ladder is shown floating in the middle of a calm ocean. The sun is low on the horizon, creating a bright, hazy glow that reflects on the water's surface. The ladder is positioned centrally, with its rungs clearly visible. The title 'HEART OF THE MATTER' is superimposed over the scene, with the word 'HEART' in a larger, bold font and 'OF THE MATTER' in a smaller font below it.

## **Heart Of The Matter Daily Reflections For Changing Hearts And Lives:**

**Heart of the Matter** Christian Counseling & Educational Foundation (CCEF),2012-10-01 Change that goes deeper than the surface of our lives happens over the long haul as we daily remember and connect the truths of the gospel to our lives Every day we need to be reminded in different ways that Jesus God s own Son came to this world to save us from sin sorrow and death The promises of God which are all yes in Jesus

**Bourgeois Christians** C. Ashley Royal,2025-01-16 Bourgeois Christians Worldly Evangelicals and the Paradoxes of Paganism is a historical philosophical sociological and theological critique of Evangelicalism It combines biblical texts with ideas from existentialism and phenomenology philosophers like Alasdair MacIntyre and Charles Taylor and theologians like John Calvin and J I Packer It shows how pagan cultural forces divert Evangelicals from serving God in the name of God This is a paradox It also deals with Christian ethics especially the duty to love your neighbor It describes the worldliness of the evangelical church The book also shows how paganism influences many Evangelicals and how they like that influence Indeed paganism thrives in many evangelical churches hiding in denominational traditions evangelistic techniques and therapeutic teaching resulting in a moralistic therapeutic theism Many Evangelicals those I call bourgeois Christians live an average kind of Christian life that is merely Christianish I show the way out of this weak Christianity and into an embodied and embedded faith that focuses on neighbors rather than the culture s self centered individualism The book emphasizes loving action not just a religion of the mind and shows how much evangelical piety is populist a comfortable religion that Americans want

A Redemptive Theology of Art David A. Covington,2018-05-01 A Redemptive Theology of Art develops a biblical systematic and practical theology of aesthetics It begins with the roots and ontology of aesthetics vs art and the architecture and narrative of affection and passion their woes and their glory Those who would search the Bible find little support for art as commonly conceived in the West The language of aesthetics applied to the maker s intentions the qualities of the work and the responses of the audience better addresses the questions of beauty and better suits the discussion of human actions beliefs and culture than the language of art does The Bible yields more consistent and helpful answers to questions about the broader category of aesthetics than it does to questions about art leading in turn to better questions and a more practical and theological appreciation of human affections beauty and delight and the many paths by which people including Christians pursue them Using the categories and definitions from Scripture Covington gives hope and help not only for those who labor in the arts but for everyone who cares about the passions that motivate us We were made for God s delight and though sin and bondage plague our passions God can shape our fun feelings desires affections and aversions Feelings are neither objective nor subjective they are redeemable Borrowing key ideas from other Christian writers on the arts or aesthetics Covington explores the connection between orthodox Protestant theology and a responsible respectful treatment of arts artists and all aesthetic fields of human work and speech

 girl found out when she came face to face with Jesus Today s young women may be in a different culture but they have  
 something in common with that girl by the well Sometimes they go looking for love in all the wrong places Just as the

 one glowing accolade to fill it up and make it whole True love is waiting at the well In the eyes of the One the woman at the

 had to say to her that day When an ordinary girl fills up on the love of an extraordinary God unforgettable things happen
