 we have the prophetic word confirmed which you do well to take heed as a light that shines in a dark place There is a Light
 at the end of the tunnel However there is also a Light through the tunnel that can shine in the hearts of our understanding
 which will guide us safely through the darkness of ignorance to a place of peace security and confidence Although some may
 promise many things in the name of science and technology there is only one light ray of hope for eternity Even as medical
 research strives to prolong life it is a short lived hope For as the sand in the hourglass pours through the narrow opening so
 our earthly lives pour through the opening of time because our time here is measured Whether we face this fact or not these
 bodies are destined to die However our spirits do not but will live in the light of mercy or in the darkness of error for eternity
 Our days here are short and our time to leave could be nearer than we think so we should listen to the words of eternal truth
 We can easily listen to all the other voices of those that stumble in the blindness of doubt or we can follow the true Light of
 all hope that is willing and able to take us home even through our darkness nights Two choices two roads with two different
 destinations but there is only one journey EPHESIANS 1 18 The eyes of your understanding being enlightened that you may
