Heat Night Original Penguin Classics:

On the Road: The Original Scroll Jack Kerouac, 2007-08-16 The legendary 1951 scroll draft of *On the Road* published word for word as Kerouac originally composed it Though Jack Kerouac began thinking about the novel that was to become *On the Road* as early as 1947 it was not until three weeks in April 1951 in an apartment on West Twentieth Street in Manhattan that he wrote the first full draft that was satisfactory to him Typed out as one long single spaced paragraph on eight long sheets of tracing paper that he later taped together to form a 120 foot scroll this document is among the most significant celebrated and provocative artifacts in contemporary American literary history It represents the first full expression of Kerouac's revolutionary aesthetic the identifiable point at which his thematic vision and narrative voice came together in a sustained burst of creative energy It was also part of a wider vital experimentation in the American literary musical and visual arts in the post World War II period It was not until more than six years later and several new drafts that Viking published in 1957 the novel known to us today On the occasion of the fiftieth anniversary of *On the Road* Viking will publish the 1951 scroll in a standard book format The differences between the two versions are principally ones of significant detail and altered emphasis The scroll is slightly longer and has a heightened linguistic virtuosity and a more sexually frenetic tone It also uses the real names of Kerouac's friends instead of the fictional names he later invented for them The transcription of the scroll was done by Howard Cunnell who along with Joshua Kupetz George Mouratidis and Penny Vlagopoulos provides a critical introduction that explains the fascinating compositional and publication history of *On the Road* and anchors the text in its historical political and social context

Dangerous Innocence William P. Murray,2024-04-03 Dangerous Innocence investigates how prevailing constructions of white masculinity in the U S South help feed and reinforce systems of racial inequity Tracing the rise of the southern outsider in literature and on television from 1960 to 2020 William P Murray probes white Americans enduring desire to assert their own blamelessness even though such acts of self justification facilitate continued violence against historically oppressed populations Dangerous Innocence courses from popular television such as The Andy Griffith Show and The Waltons through

influential fiction by Eudora Welty Walker Percy and other prominent southern authors alongside forceful challenges voiced by Black writers including Chester Himes and Ernest Gaines before turning to works created after the September 11 attacks that reinscribe cultural logics predicated on protecting white innocence and power Concluding on a note of praxis Dangerous Innocence argues that reattaching southern outsiders to a communal identity encourages an honest assessment about what whiteness represents and what it means to belong to a nation steeped in commitments to white supremacy **Human**

When the Bad Bleeds Imke Pannen, 2010 Mantic elements are manifold in the English drama of the Renaissance period they are supernatural manifestations and have a prophetic future determining function within the dramatic plot which can be difficult to discern Addressing contemporaries of Shakespeare this study interprets a representative number of revenge tragedies among them *The Spanish Tragedy* *The White Devil* and *The Revenger's Tragedy* to draw general conclusions about the use of mantic elements in this genre The analysis of the cultural context and the functionalisation of mantic elements in revenge tragedy of the Elizabethan Jacobean and Caroline era show their essential function in the construction of the plot Mantic elements create and stimulate audience expectations They are not only rhetoric decorum but structural elements and convey knowledge about the genre the fate of which is determined by retaliation An interpretation of revenge tragedy is only possible if mantic providentialism is taken into account

Perceforest, 2011 A highly readable version of this remarkable and largely unexplored work *Perceforest* is one of the largest and certainly the most extraordinary of the late Arthurian romances Justly described as an encyclopaedia of 14th century chivalry and a mine of folkloric motifs it is the subject of rapidly increasing attention and research The author of *Perceforest* draws on Alexander romances Roman histories and medieval travel writing not to mention oral tradition as he gives for example the distinctly racy first written version of the *Sleeping Beauty* story to create a remarkable prehistory of King Arthur's Britain It begins with the arrival in Britain of Alexander the Great His follower Perceforest the first of Arthur's Greek ancestors is made king of the island and finds it infested by the evil clan of Darnant the Enchanter Magic plays a dominant part in the adventures which follow as Perceforest ousts Darnant's clan despite their supernatural powers He founds the knightly order of the Franc Palais an ideal of chivalric civilisation prefiguring the Round Table of Arthur and indeed that of Edward III But that civilisation is the author shows all too fragile The vast imaginative scope of *Perceforest* is matched by its variety of tone

ranging from tales of love and enchantment to bawdy comedy from glamorous tournaments to unvarnished descriptions of the havoc wrought by war And the author s surprising view of pagan gods and the coming of Christianity is as fascinating as the prominence he gives to women and his understanding of how the world of chivalry should work Because of its enormous length it runs to over a million words Nigel Bryant has provided a version which gives a complete account of every episode linking extensive passages of translation to make a manageable and highly readable version including the previously unpublished Books Five and Six of this remarkable and largely unexplored work Nigel Bryant has worked as a producer for BBC Radio 3 and as head of drama at Marlborough College This is his fourth major translation of medieval Arthurian romance
