Love Your Enemies Sharon Salzberg, Robert Thurman, 2023-08-01 Coping with anger and pain is more challenging than ever in these times and more necessary Two acclaimed Buddhist teachers offer strategies and wisdom in a book that's been called possibly the most inspiring and liberating meditation on love ever written When people and circumstances upset us how do we deal with them Often we feel victimized We become hurt angry and defensive We end up seeing others as enemies and when things don't go our way we become enemies to ourselves But what if we could move past this pain anger and defensiveness Inspired by Buddhist philosophy this book introduces us to the four kinds of enemies we encounter in life the outer enemy people institutions and situations that mean to harm us the inner enemy anger hatred fear and other destructive emotions the secret enemy self obsession that isolates us from others and the super secret enemy deep seated self loathing that prevents us from finding inner freedom and true happiness In this practical guide we learn not only how to identify our enemies but more important

how to transform our relationship to them Love Your Enemies teaches us how to break free from the mode of us versus them thinking develop compassion patience and love accept what is beyond our control embrace lovingkindness right speech and other core concepts First published in 2013 Love Your Enemies is more than ever required reading for navigating our world Throughout authors Sharon Salzberg and Robert Thurman draw from ancient spiritual wisdom and modern psychology to help you find peace within yourself and with the world Includes new prefaces from both authors **How To Be Happy** Digvijay Singh,Thomas Di Leva, We all want to be happy There are different ways to get to this beautiful place called Happiness All you have to do is to decide that no matter what you will lead a happy life And when we say a happy life we mean a place that is refreshing rejuvenating and filled with peace and love This book shows you that Happiness need not be an elusive place and with the help of 10 keys presented in this book you can easily get there So let s move to happy times

Wake Up Jack Kerouac,2008-09-18 Wake Up contributes significantly to the fascinating picture of Kerouac s spirituality revealing the depth of Kerouac s identification with the Buddha The Beat Review The long streaming style makes the book majestic and something that you absorb in one sitting like a symphony Robert A F Thurman from the Introduction In the mid 1950s lifelong Catholic Jack Kerouac became fascinated with Buddhism an interest that had a profound impact on his ideas of spirituality and later found expression in such works as Mexico City Blues and The Dharma Bums Originally written in 1955 Wake Up is Kerouac s retelling of the life of Prince Siddhartha Gotama who as a young man abandoned his wealthy family and comfortable home for a lifelong search for enlightenment Distilled from a wide variety of canonical scriptures Wake Up serves as both a penetrating account of the Buddha s life and a concise primer on the principal teachings of Buddhism This edition includes an insightful introduction by Buddhist scholar Robert Thurman addressing Kerouac s engagement with Buddhism in his work and his life **Queer Experimental Literature** Teagan Bradway,2017-05-09 This volume argues that postwar writers queer the affective relations of reading through experiments with literary form Tyler Bradway conceptualizes bad reading as an affective politics that stimulates queer relations of erotic and political belonging in the event of reading These incipiently social relations press back against legal economic and discursive forces that reduce queerness into a mode of individuality Each chapter traces the affective politics of bad reading against moments when queer relationality is prohibited obstructed or destroyed from the pre Stonewall literary obscenity debates through the AIDS crisis to the emergence of neoliberal homonormativity and the gentrification of the queer avant garde Bradway contests the common narrative that experimental writing is too formalist to engender a mode of social imagination Instead he illuminates how queer experimental literature uses form to redraw the affective and social relations that structure the heteronormative public sphere Through close readings informed by affect theory Queer Experimental Literature offers new perspectives on writers such as William S Burroughs Samuel R Delany Kathy Acker Jeanette Winterson Eve Kosofsky Sedgwick Alison Bechdel and Chuck Palahniuk Queer Experimental Literature ultimately reveals that the recent turn to affective reading in literary studies

is underwritten by a para academic history of bad reading that offers new idioms for understanding the affective agencies of queer aesthetics

Kneeling at the Altar of Science Robert Bolger, 2012-08-22 Does religion need to look more like a science If much of the contemporary work published in science and religion is any indication the answer appears to be a resounding yes Yet the current tendency to dress religion up in the language and methods of science does more harm than good In *Kneeling at the Altar of Science* Robert Bolger argues that much of the recent writing in science and religion falls prey to the practice of what he calls religious scientism or the attempt to use science to explain and clarify certain religious concepts Bolger then shows with clarity and humor how religious scientism harms rather than helps arguing in the end that religious concepts do better when their meaning is found in the context of their religious use This book promises to be a fresh approach to the ever popular dialogue between science and religion

Modern Esoteric Brad Olsen, 2017-08-02 This completely reworked second edition of *Modern Esoteric* includes new information over a dozen additional images and up to date revisions Winner of the Best Book Design 2014 *Modern Esoteric* examines the flaws in modern history and looks at how conspiracy theories esoteric knowledge and fringe subjects can be used to help change the dead end course humanity seems to be following The Lifeology section explores the long and storied alternative narrative of life on this planet In the Control section author Brad Olsen examines how Big Brother is here in the form of the New World Order and how they keep the knowledge of humankind s true nature from the mass population Finally the Thrive section looks at all the ways humans are evolving to achieve their full potential

How to Get to Heaven (Without Really Dying) Robert Koepecky, 2018-03-08 A Near Death Survivor s Guide to Living a Joyful Reality in the Here and Now After living through three very different near death experiences Robert Koepecky discovered a remarkable fact about life and death You don t have to die to go to Heaven This book shows how to engage with a paradise that is always present in your life It s about learning how to make choices that lead you to a place of happiness and fulfillment finding the pathways and a few shortcuts that will bring you the spiritual awareness and joy that is your birthright By cultivating perspective presence and purpose you ll discover that going to Heaven is not about moving into a realm of eternal sleep but about being right where you are wherever that may be and waking up Praise Many people have had near death experiences and have returned with strong messages for the rest of us Robert Koepecky s reflections are unusually intelligent and presented in a lively mix of humor and seriousness I had fun reading this book and appreciated Robert s fresh way of offering traditional wisdom Thomas Moore author of *Care of the Soul* and *Ageless Soul* Helping us to engage with life these truths will lead us on a transformational journey in finding a life filled with joy while creating Heaven on Earth Anita Moorjani New York Times bestselling author of *What If This Is Heaven* Possibly the most insightful book on how to obtain the enlightenment experienced by those who have gone through a NDE *How to Get to Heaven Without Really Dying* offers hope and encouragement to experience lasting change Marianne Pestana host of *Moments with Marianne* Robert s compassion and selfless service of insight and reflections are a true gift to every

from Buddhist masters parables humor social science studies and interviews with other divorces to provide a practical and very helpful guide to surviving the pain of any break up Focusing on the emotions most common in the dissolution of a relationship anger resentment loss and grief Storms Can't Hurt the Sky shows how thinking about these feelings in surprisingly different ways can lead to a radically better experience This compulsively readable book offers sound advice and much needed empathy for anyone dealing with a break up

Man of Peace William Meyers, Robert A.F. Thurman, Michael G. Burbank, 2020-10-13 Why the life story of the Dalai Lama It is a story of one man taking on an empire calling for truth peace and justice for his Tibetan people Here in full color for the first time people can come to know the whole drama of his lifelong struggle Since the age of 15 the Dalai Lama has defended his people against one of the last great empires the People's Republic of China Under its dictatorship of the proletariat China began to invade Tibet in 1950 decimating and then continually oppressing its people Since colonialism cannot be practiced in our era of self-determined nations China always maintains that the Tibetans are a type of Chinese using propaganda and military power to crush Tibet's unique culture and identity Yet the Dalai Lama resists by using only the weapon of truth along with resolute nonviolence even worrying some of his own people by seeking dialogue and reconciliation based on his more realistic vision The great 14th Dalai Lama of Tibet has become the first global Dalai Lama a prominent transnational leader of all who want to make the dramatic changes actually necessary for life on earth to thrive for centuries to come Considered the incarnation of the Buddhist savior Chenrezig or Avalokiteshvara archangel of universal compassion he is believed to appear in many forms at many different times whenever and wherever beings suffer Representing the plight of his beloved Tibetan people to the world he has also engaged with all people who suffer oppression and injustice as recognized in 1989 by his being awarded the Nobel Peace Prize Most importantly the Dalai Lama walks his talk throughout these pages as he has throughout his life and he radiates a powerful hope that we can and will prevail Man of Peace presents the inside story of his amazing life and vision in the high tension of the military occupation of Tibet and the ongoing genocide of its people a moving work of political and historical nonfiction brought to life in the graphic novel form here for all to see
