He Set His Face To Jerusalem A Lenten Study For Adults:

He Set His Face to Jerusalem Richard B. Wilke, 2013 Prepare for Easter by looking toward Jerusalem **He Set His Face to Jerusalem** Richard B. Wilke, 2013-12-17 Adapting from Luke 9 51 Richard Wilke looks at Jesus journey to Jerusalem in order to help us think about how we set our faces in life What are our goals as people of faith What are we resolute or determined about in our lives As we set our faces to Jerusalem and to the ministry crucifixion and resurrection of Jesus what difference does it make What does Jesus determination say to us about our commitments and about our need to grow in love of God and neighbor The 40 days of Lent are ideal to use this study and for readers to set their faces toward Easter Study includes seven sessions one for each Sunday in Lent and Easter Sunday Each session features a Scripture reference a personal reading questions for personal reflection or group study and closing prayer *Rhythms* Richard Francis Wilson, 2002 *Rhythms* Sermons for a Community of Faith and Learning is a collection of selected sermons and responsive readings written by Mercer University's Dean of the Chapel and delivered at the university's weekly gathering of worship and praise The first sermon *Rhythms* was the first sermon Wilson preached as Dean of the Chapel and won first prize in the HarperCollins Best Sermons competition of 1991 **Luther League Review**, 1920 *Radical Renovation* James A. Harnish, 2007-12 This title presents seven sessions one for each Sunday in Lent including Easter Sunday Each session features a scripture reference a personal reading questions for personal reflection or group study and prayers and a focus for the coming week *The Message of the College to the Church*, 1901 **The great example, 6 Lenten sermons** William Francis Shaw, 1884 **Living In-Between** André Resner, 2015-11-04 The community of faith finds itself located precariously between Jesus first and second comings between the promise and fulfillment between what God has begun in the gospel and what God has yet to complete It thus finds itself proclaiming a gospel of life love hope and faith in a world more characterized by death hate despair and fear The gospel insists that Jesus death has shut the door on the age of violence and death even as his resurrection has opened the door on the Age of Shalom and life But in this tense in between time those conflicting ages overlap and the church struggles against powers and experiences that mock its message Drawing on resources from the New Testament's vision of the apocalyptic gospel Andre Resner urges the church and its preachers to engage in the linguistic practices of lament and proclamation as well as the embodied practices of justice making and justice keeping as counter testimony to those powers that have been served notice in Jesus life death and resurrection that their end is near The reflections offered here model the kind of honest speech and risk of life to which the gospel calls its adherents

Gospeled Lives John Indermark, 2017-07-15 Gospeled lives are lives that have encountered Jesus Christ Christ's call leads to a continually unfolding story for each of us An encounter with the living Christ demands a response John Indermark says In this book you will learn about New Testament characters who encountered Jesus Some responded with joy and gratitude Others ignored or rejected his offer of good news Indermark's powerful reflections on the various biblical
