A Life Changing Journey with a Master Marguerite Jalving, 2018-02-21 Marguerite Jalving is a person with both feet on the ground. With her high heels and elegant style she stands with her strong temperament firm in her opinions. She gives vent to spontaneous anger as well as enthusiasm and sometimes less humble thoughts to the Master when she thinks He goes too far. At the same time she feels the deepest affection and humble surrender for the divine which is this book's paradox. You will find the book both humorous and deeply devotional a picture of a human being's dialogue with the divine with its dreams and heavenly visions. Illustrated with the master's artwork via Jalving.

After years of helping people change James Fell had a sudden insight about sudden insight significant life change doesn't often come from just putting one foot in front of the other carefully observing and altering habits slogging through baby steps toward new behavior. Epiphany arrives like a lightning strike rapidly shifting the recipient of such enlightenment onto a new path that creates a better life. Motivational psychology has traditionally focused on slow and steady gradual improvement over time to reach a desired goal whether it's weight loss career change battling addiction or success in relationships. We've been told since toddlerhood that the tortoise beats the hare. But through compelling science and powerful stories James Fell shows us that the hare has the edge. Overwhelming desire can be awakened fast and furiously. When you learn to become attuned to that sensation of sudden awakening a new path can be followed almost effortlessly because it feels like destiny. Everyone has the ability to experience the lightning strike. *The Holy Sh!t Moment* will teach you how to create a life-changing epiphany and go directly from intention to action.
