Headache Diary For Kids:

Headache Diary Aries Publications, Aries Health Books, 2019-04-08 This Headache Diary is an easy to use log book and tracker for young children and teenagers. It helps to record and identify all aspects of an attack including date, time, location of pain, weather, hours of sleep, severity of the headache, and treatments/relief measures which help relieve the pain. Children with chronic and high frequency migraines and headaches will be able to record each headache as it occurs on a daily basis. It will be easier to discuss the location, frequency, and severity of the headaches and diagnose the type of headache: migraines, cluster headaches, tension headaches, or headaches due to other causes. Migraine triggers like food and stress can be identified. The flexible, sturdy cover and the small size 6x9 makes the diary convenient and easy to carry in a backpack or handbag. Interior: 100 pages. Enough space on each page to mark the location of the headache, time started/ended, duration, weather, other symptoms. Also plenty of space for additional notes if there are specific patterns that need to be tracked. Buy this diary for your child today; he/she can just check things off and add one word answers to get a great headache tracker and logbook.

My Headache Diary Aries Publications, Aries Health Books, 2019-04-06 Does your child frequently complain of headaches? Is he or she unable to identify any specific trigger factors which could be causing the headache? This is an easy to use diary for children and teenagers. Keeping a headache diary, monitoring the frequency, duration, and severity of the headaches, can help in the management of your kid's headache. It will help identify trigger factors like different types of food, dehydration, stress, sleep issues, reaction to light, etc. This diary is super easy to use and your child will be able to handle it herself. Once she is taught how to use it, she can tick off the relevant markers and add one word answers without any adult help. Interior consists of 100 pages. Space to record the time of start and end of a headache. Face markers to identify the location of a headache. Markers to indicate the intensity of the headache in a range of 1-10. List of Trigger factors which can be ticked off. Space for additional notes. Buy this headache diary today.

Headaches Suck Camley Press, 2019-06 This 100 page 6 by 9 inch, a little bigger than an A5 daily diary, gives you approximately 3 months worth of pages to track factors that may be contributing to triggering migraine headaches. It is filled out every day, not just when you have a headache, so that it is easy to spot trends and factors that may be leading up to and contributing to headaches. Note that this logbook is intended for children as it does not include alcohol or hormonal triggers. For versions for men and women, please see this brand's other options.
