Heads Bird Carving Basics Series Vol 3:

Ajanta: History and Development, Volume 3 The Arrival of the Uninvited Walter Spink, 2018-11-12 Volume Three in the Ajanta series focuses on what the site tells us about what happened in the months following the death of emperor Harisena 478 A D In that year the great Vakataka patrons had to flee from Ajanta as a result of the Asmakas takeover of the site When soon the Asmakas themselves also had to leave because of the needs of war the great phase of patronage ended at Ajanta But now a host of pious intruders mostly monks and devotees still living in the region could make their own offerings generally violating the original patrons programs In this systematic cave to cave treatment it is shown through careful interpretation of the physical evidence that remarkably these new and uninvited paintings and sculptures appear only on and or in caves which had already been dedicated by the earlier patrons By contrast excavations where the Buddha image had not been completed were never utilized for such votive donations
