Christian responses to them right up to the present day For most theology students learning abstract philosophical concepts involves literally learning a new language a language that the initiated converse in with ease but which leaves the uninitiated baffled Thus each chapter in this study guide opens with a glossary of terms Throughout the studyguide students are encouraged to reflect on the ways in which what has been learned might be applied in both explicitly theological and wider cultural contexts for example they might be asked to think of a film or book that seems to express elements of existentialism or postmodernism or to describe how something very like the extreme subjectivity of idealism can sometimes shows itself in Sunday morning worship

The Worldview of the Word of Faith Movement: Eden Redeemed Mikael Stenhammar, 2021-12-16 This volume approaches the Word of Faith as a worldview and analyses the movement through N T Wright s model for

worldview analysis in order to provide necessary nuance and complexity to scholarly interpretations of the Word of Faith The reader receives insights into the movement s narrative semiotic practical and propositional dimensions which cumulatively offer a multifaceted understanding of how the Word of Faith interprets reality and engages with the world The analysis shows that there is a narrative core to Word of Faith beliefs in the form of a unique theological story with focus set on the present restoration of Eden s authority and blessings This study demonstrates how the Word of Faith operates as a distinct worldview that parses the world through the lens of faith s causative power to affect a direct correspondence between present reality and Eden s perfection The findings advance a critical and therapeutic approach that acknowledges how the worldview both strengthens and subverts Pentecostalism *Christianity in Crisis Study Guide* Hank Hanegraaff,1994-09-15 The author of the 100 000 bestseller *Christianity in Crisis* now offers an exciting companion to this revealing book about the Faith Movement This study guide follows the book chapter by chapter and enables Bible students to interact directly with Scripture about many issues distorted by the Faith teachers **Bible Prayer Study Course** Kenneth E. to heal *Field Guide to the Wild World of Religion* Pamela Dewey,2013-02 The American religious scene in 1955 was a very tame and predictable world It matched the tame predictable world of women s clothing where most women going out shopping wore a dress with coordinating gloves hat and shoes And it matched the tame predictable world of children s toys where almost every young girl yearned for a baby doll that said Ma Ma and almost every boy needed a coonskin cap Choices of fashions toys preachers and churches were limited and domesticated Fifty years later the tame predictable world of 1950s fashions and toys is long gone Women go shopping in everything from sweatshirts and jeans to tube tops and short shorts And both boys and girls want the latest Sponge Bob Square Pants video game The same kind of transformation has gone on in the world of religion It is no longer tame and predictable either Welcome to the Wild World of Religion of the 21st Century Explore its habitats identify some of the inhabitants and learn about their characteristics and customs in this Field Guide

The Cross of Christ John Stott,2021-04-13 The Cross is the universal symbol of the Christian faith But what does the Cross mean Why did Jesus have to die In this magisterial and best selling book John Stott unpacks the significance of Christ s cross and answers objections commonly brought against biblical teaching on the atonement Stott will help you discover how Jesus himself understood the cross and how Christ in our place is at the heart of its meaning Understand what the cross achieved and learn what it means to live under the cross This modern classic combines excellent biblical exposition and a characteristically thoughtful study of Christian belief with a searching call to the church to live under the cross **Word and Power** Gareth W. D. Stewart,2015-02-16 Historically the Reformed and Charismatic streams have seemed to be almost mutually exclusive In recent years this exclusivity has been being challenged by a new generation of Reformed thinkers This work aims at considering the contribution of John Wimber the late leader of the Vineyard Churches to contemporary theological reflection within the Reformed tradition Taking into account John Wimber s unique theology of the radical middle which is somewhere between Pentecostal and Evangelical this book asks whether Wimber may be a possible alternative source for the contemporary Reformed Churches as they approach ministry and mission in the twenty first century Written from a confessional Presbyterian context in Northern Ireland Word and Power places Wimber in his theological context and asks whether Wimber s view of power evangelism discipleship formation and ministry training might be a model that Reformed Churches and Presbyterians in particular could adopt for their ecclesiology today **Casting Your Cares Upon the Lord** Kenneth E. Hagin,1981-11 Believers were meant to live free of the cares of this world This book reveals ways to overcome the worry habit and walk in faith by obeying God s Word **Books Out Loud** ,2007
