

From the very minute my orange and blue, my New York Knickerbockers drafted Nate Robinson I was a big fan of his. I even wore his game-worn road blue #4 jersey at Madison Square Garden. In addition to his great athletic ability I love his personality. Nate and I are the same height but his heart is 7 feet. Us little guys gotta stick together. Please read and enjoy Nate's journey. Once a Knick always a Knick. [P.S., we should have never traded him in the first place.]

Heart Over Height Nate Robinson:

Heart Over Height Nate Robinson with Jon Finkel, 2014-05-30 **Heart Over Height** tells the motivational story of how three time NBA Slam Dunk Champion Nate Robinson combined an unstoppable will with dogged determination to achieve his goals and how those traits can apply to anyone facing their own seemingly insurmountable obstacles **The Sixth Man**

Łukasz Muniowski, 2021-12-03 While the starting lineup of an NBA team consists of five players there are at least 12 on each roster Allocating time on court to keep each of them satisfied is challenging Theoretically the worst position on the roster is the sixth man so close to being the starter yet seeming to be the odd man out This book aims at dispelling that notion presenting many important players who through the years came off the bench for NBA teams proving that despite not starting they were worthy of playing in the best basketball league in the world **Streetball Is Life** Paul Volponi, 2020-10-07

From award winning young adult author Paul Volponi comes the true story of his unforgettable summer spent proving himself as a legitimate New York City streetballer only later discovering that he had gained a set of skills that would enhance his life off the court as well During the sweltering summer of seventeen year old Paul Volponi s life he had only one goal he wanted no needed to become a legitimate and respected New York City street basketball player It was a passion that consumed him night and day and at times even isolated him from his friends and family So he entered through the gates of the Proving Ground the roughest streetball yard in the city It was a place where the fouls resembled felonies and the atmosphere mirrored that of the Roman Coliseum more than Madison Square Garden It was where teens and adults contested pickup games with a ferocity seemingly greater than that of the NBA Finals The Proving Ground was a difficult place to cultivate friendships and an easy environment to make enemies This is the story of Paul s summer long initiation at the Proving Ground It is truly a streetball testament of a teenager who wanted more than anything else to earn his stripes in streetball society Only what he didn t understand at the time was that this experience would deliver to him as it does today for so many young adults a set of skills that would enhance his life far beyond the boundaries of a basketball court **Top**

10 Dunkers in Basketball David Aretha, 2016-07-15 There are not many things more exciting and entertaining than watching your favorite player charge toward the net leap into the air slam dunk and score The top NBA pros in this book including Daryl Dawkins Shawn Kemp and Vince Carter are known for their athletic power and crowd stopping performances Full page photos of the players in action accompany each spread Readers will learn the details of these NBA players backgrounds and such details as positions teams and best slam dunk moments Easy to read language by veteran sports author David Aretha will keep readers turning the pages **PRESSING FORWARD** AKWASI AFRIYIE, 2014-07-29 This book

is written to open the eyes of those who don t know the self worth gifts and talents invested in them by Almighty God I explain how life is all about discovering the right key and entering into the right door Some people may have the right key but are at the wrong door or are at the right door but with the wrong key There are two doors in life and whichever one you

choose can either bring you closer to your destiny or perhaps delay it You have the door of opportunity success and faith and the other being missed opportunity failure and fear The power lies in your hands to discover the right key and the right door in order to fulfill your destiny **The Swiss Family Robinson** Johann David Wyss,1888 American Lumberman ,1918
