The Inevitable Future, Or Man's Essential Immortality (Classic Reprint) J. Carlyon Harris, 2015-07-08 Excerpt from The Inevitable Future or Man's Essential Immortality If a Man Die Shall He Live Again Job This question comes from the far distant past and has haunted all the ages and never with a greater insistence and pathos than in these tragic days of the great war The doubt implied is agonising millions of hearts Doubt and Fear and Despair are abroad and the minds of men are sorely amazed Verily there never was an age that appealed more for a strong and definite answer than the present The darkness of the shadow of death is upon us and confused in its gloom many are missing faith's mystic path of hope With a new pathos the cry of the wanderers is heard The night is dark and I am far from home They call for the Kindly Light of the Immortal Hope to guide into the path of peace the Homeward Way All who know this way are called to let their light shine even though it be but with a feeble ray We fain would do our bit and be as a hand to lift the lamp of the life to come which may cheer the darkened heart and guide into the right way upon which ever shines the light of the dawn of the perfect day for which our tear dimmed eyes are watching The considerations put forth in the following discussions have been of service to some and now by request and in the hope of ministering to others they are sent forth in this little book on their mission of consolation The Most Definite Answer This Mortal Must Put On Immortality St Paul We have taken this quotation as summarising the final and most definite answer to be found It is part of the Christian Gospel With this we begin and with this we also finish All that comes between is to reinforce this declaration and establish beyond reasonable doubt the fact of human immortality About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works

Mormon Classics William Alexander Linn, John Taylor, Joseph Fielding Smith, Wilford Woodruff, James E. Talmage, B. H. Roberts, Parley P. Pratt, George Q. Cannon, Joseph F. Smith, Eliza R. Snow, Brigham Young, Joseph Smith Jr., John A. Widtsoe, 2022-11-13 Mormon Classics is a compelling anthology that weaves together an array of transformative writings reflective of the spiritual and theological foundations of the Latter day Saint movement This collection captures the profound diversity in literary styles from the doctrinal expositions to the evocative hymns and reflective narratives that continue to resonate within Mormon culture It brings forth a profound dialogue with standout pieces exploring not only the tenets of faith but also the intricate balance between revealed knowledge and personal insight making it an essential resource for both the devout and the curious The collection features an enriched tapestry of voices each contributing uniquely to the overarching theology and cultural narrative of Mormonism The authors from Joseph

Smith Jr's foundational teachings to Eliza R Snow's inspired verses offer a cross section of the religious fervor intellectual inquiry and personal conviction that define this religious tradition This anthology stands as a testament to the influence of key historical figures and the evolving interpretation and understanding of Mormon doctrine deeply embedded in cultural and historical contexts For both scholars and enthusiasts Mormon Classics presents a distinct opportunity to engage with the varied perspectives that have shaped Mormon theology and culture It offers a multidimensional insight into a faith that continues to grow and impact communities worldwide Readers are invited to explore this volume not merely as a collection of texts but as an ongoing conversation that bridges past ideologies with contemporary faith challenges providing an indispensable lens through which to examine the complexities of belief identity and community in Mormonism

Ebony , 1962-04 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine **The Spectator** , 1902 A weekly review of politics literature theology and art **Classics in Post-Colonial Worlds** Lorna Hardwick, Carol Gillespie, 2010-07-29 Classical material was traditionally used to express colonial authority but it was also appropriated by imperial subjects to become first a means of challenging colonialism and then a rich field for creating cultural identities that blend the old and the new Nobel prize winners such as Derek Walcott and Seamus Heaney have rewritten classical material in their own cultural idioms while public sculpture in southern Africa draws on Greek and Roman motifs to represent histories of African resistance and liberation These developments are explored in this collection of essays by international scholars who debate the relationship between the culture of Greece and Rome and the changes that have followed the end of colonial empires **The Essential Dewey: Ethics, logic, psychology** John Dewey, 1998 In addition to being one of the greatest technical philosophers of the 20th century John Dewey was one of America s last great public intellectuals Based on

the award winning 37 volume critical edition of Dewey's work THE ESSENTIAL DEWEY presents in two volumes a collection that represents Dewey's thinking on every major issue to which he turned his attention Vol Modern Critical Theory and Classical Literature Irene J. F. De Jong, J. John Patrick Sullivan, 1994 In recent decades the study of literature in Europe and the Americas has been profoundly influenced by modern critical theory in its various forms whether Structuralism or Deconstructionism Hermeneutics Reader Response Theory or Rezeptionsästhetik Semiotics or Narratology Marxist feminist neo historical psychoanalytical or other perspectives Whilst the value and validity of such approaches to literature is still a matter of some dispute not least among classical scholars they have had a substantial impact on the study both of classical literatures and of the mentalite of Greece and Rome In an attempt to clarify issues in the debate the eleven contributors to this volume were asked to produce a representative collection of essays to illustrate the applicability of some of the new approaches to Greek and Latin authors or literary forms and problems The scope of the volume was deliberately limited to literary investigation broadly construed of Greek and Roman authors Broader areas of the history and culture of the ancient world impinge in the essays but are not their central focus The volume also contains a separate bibliography offering for the first time a complete bibliography of classical studies which incorporate modern critical theory Making the British empire, 1660-1800 Jason Peacey, 2020-06-24 This collection offers a timely reappraisal of the origins and nature of the first British empire in response to the cultural turn in historical scholarship and the new imperial history It addresses topics that have been neglected in recent literature providing a series of political and institutional perspective at the same time it recognises the importance of developments across the empire not least in terms of how they affected imperial policy and its implementation It analyses a range of contemporary debates and ideas political and intellectual as well as religious and administrative relating to political economy legal geography and sovereignty as well as the messy realities of the imperial project including the costs and losses of empire collectively and individually **Dante and the Making of a Modern Author** Albert Russell Ascoli, 2008-03-13 Leading scholar Albert Russell Ascoli traces the metamorphosis of Dante Alighieri minor Florentine aristocrat political activist and exile amateur philosopher and theologian and daring experimental poet into Dante author of the Divine Comedy and perhaps the most self consciously authoritative cultural figure in the Western canon The text offers a comprehensive introduction to Dante's evolving transformative relationship to medieval ideas of authorship and authority from the early Vita Nuova through the unfinished treatises The Banquet and On Vernacular Eloquence to the works of his maturity Monarchy and the Divine Comedy Ascoli reveals how Dante anticipates modern notions of personalized creative authorship and the phenomenon of Renaissance self fashioning Unusually the book examines Dante's career as a whole offering an important point of access not only to the Dantean oeuvre but also to the history and theory of authorship in the larger Italian and European tradition The Classical World ,1926 The Classical Weekly ,1927
