Hollinger,2009-09-20 As Christians we are to love God with all of our being heart mind soul and strength But many of us tend to overemphasize one aspect or another and as a result our faith becomes imbalanced Some of us have an intellectual faith but lack compassion or spiritual discipline Others of us have a vibrant heartfelt relationship with God but lack commitment to truth or doctrine And many of us overlook translating our faith into service and ministry In this book ethicist Dennis P Hollinger presents a holistic integrative vision for reuniting Christian thought passion and action He shows how individuals churches and movements throughout history have focused on either the head or the heart or the hands often to the exclusion of other expressions But by linking our intellect emotions and actions Hollinger points us toward a whole faith for the whole person where each dimension feeds nurtures and sustains the others *The Lancet* ,1837 England to 1485 Henry Smith Williams,1904 **A Commentary on the Gospels for the Sundays and Other Holy Days of the Christian Year.
