Early Drafts of Lie Down in Darkness

With a Preface by the Author and an Introduction by James L. W. West III

Inheritance Of Night Early Drafts Of Lie Down In Darkness

RS Peters

Inheritance Of Night Early Drafts Of Lie Down In Darkness:

Inheritance of Night William Styron, 1993 It s fascinating for me to read for the first time in over forty years the stumbling starts toward the creation of Lie Down in Darkness These passages show how in my early twenties I may have been in possession of a luminous vision for a novel but how it was a luminosity clouded by much indecision and awkwardness Inheritance of Night then is made up of fragments of a beginning bits of fruitful inspiration mingled with conceits that were stillborn William Styron from the Preface Contemporary Southern Men Fiction Writers Rosemary M. Canfield Reisman, Suzanne Booker-Canfield, 1998 This carefully annotated bibliography lists sources of criticism for thirty nine Southern male authors each of whom has published at least one significant book of fiction between 1970 and 1994

Letters to My Father William Styron, 2009-09-01 I ve finally pretty much decided what to write next a novel based on Nat Turner s rebellion twenty six year old William Styron confided to his father in a letter he wrote on May 1 1952 Styron would not publish his Pulitzer Prize winning *The Confessions of Nat Turner* until 1967 but this letter undercuts those critics who later attacked the writer as an opportunist capitalizing on the heated racial climate of the late 1960s From 1943 to 1953 Styron wrote over one hundred letters to William C Styron Sr detailing his adventures his works in progress and his ruminations on the craft of writing In *Letters to My Father* Styron biographer James L W West III collects this correspondence for the first time revealing the early intimate thoughts of a young man who was to become a literary icon Styron wrote his earliest letters from Davidson College where he was very much unsure of himself and of his prospects in life By the last few letters however he had achieved a great deal he had earned a commission in the Marine Corps survived World War II published the novel *Lie Down in Darkness* 1951 and the novella *The Long March* 1953 and won the Prix de Rome He had also recently married and was about to return to the United States from an expatriate period in Paris and Rome The letters constitute a portrait of the artist as a young man They read like an epistolary novel with movement from location to location and changes in voice and language Styron was extremely close to his father and quite open with him His story is a classic one from youthful insecurity to artistic self discovery capped by recognition and success There are challenges along the way for the hero poor academic performance a syphilis scare writer s block temporary frustration in romance But Styron overcomes these difficulties and emerges as a confident young writer ready to tackle his next project the novel *Set This House on Fire* 1960 Rose Styron the author s widow contributes a prefatory memoir of the senior Styron West has provided comprehensive annotations to the correspondence and the volume also has several illustrations including facsimiles of some of the letters which survive among Styron s papers at Duke University Finally there is a selection of Styron s apprentice fiction from the late 1940s and early 1950s In all of American literature no other extended series of such letters son to father exists *Letters to My Father* offers a unique glimpse into the formative years of one of the most admired and controversial writers of his time **Rereading William Styron** Gavin Cologne-Brookes, 2014-01-13 The first critical study of William

Styron since his death in 2006 Rereading William Styron offers an eloquent reflection on the writer's works, world and character Bringing an innovative approach to literary criticism Gavin Cologne Brookes combines personal anecdote, scholarly research, travel writing and primary material to provide fresh perspectives on Styron's achievements For Cologne Brookes rereading unfolds in two ways through close analysis of texts and through remembrance He begins with reminiscences about the man behind the books and then giving due consideration to Styron's stories, incidental writings and posthumous publications interprets anew all his significant work from the nonfiction including his acclaimed memoir of depression *Darkness Visible* to the novels *Lie Down in Darkness*, *Set This House on Fire*, *The Confessions of Nat Turner* and *Sophie's Choice* Defining the relevance of Styron's writing in terms of everyday life Cologne Brookes explores the intricate relationships between an author, his work and his readership and between history and fiction and writing and place The book's emphasis on subjectivity and dynamic interaction makes it unique in Styron criticism and a striking contribution to the debate about what it means to study literature *Mad Muse* Jeffrey Berman, 2019-09-03 Many of the well-respected scholarly studies of autobiographical writing have little or nothing to say about mental illness This book uncovers the mysterious relationship between mood disorders and creativity through the lives of seven writers demonstrating how mental illness is sometimes the driving force behind creativity **William Styron** James L. W. West, 2010-08-17 A mesmerizing biography of the 1 New York Times bestselling author of *Sophie's Choice*, *The Confessions of Nat Turner* and *Darkness Visible* Entertainment Weekly William Styron was one of the most highly regarded and controversial authors of his generation In this illuminating biography James L W West III draws upon letters, papers and manuscripts as well as interviews with Styron's friends and family to recount in rich detail the experiences that shaped each of his groundbreaking books From Styron's Southern upbringing which deeply influenced the Pulitzer Prize-winning *The Confessions of Nat Turner* and National Book Award-winning *Sophie's Choice* to his feud with Norman Mailer and the clinical depression that led to his acclaimed memoir *Darkness Visible* West's remarkable biography provides invaluable insight into the life and works of a giant of American literature **A History of Virginia Literature** Kevin J. Hayes, 2015-05-19 *A History of Virginia Literature* chronicles a story that has been more than four hundred years in the making It looks at the development of literary culture in Virginia from the founding of Jamestown in 1607 to the twenty-first century Divided into four main parts, this History examines the literature of colonial Virginia, Jeffersonian Virginia, Civil War Virginia and modern Virginia Individual chapters survey such literary genres as diaries, histories, letters, novels, poetry, political writings, promotion literature, science fiction and slave narratives Leading scholars also devote special attention to several major authors including William Byrd of Westover, Thomas Jefferson, Ellen Glasgow, Edgar Allan Poe and William Styron This book is of pivotal importance to the development of American literature and of American studies more generally **William Faulkner** John E. Bassett, 2009-05-22 Considered one of the great American authors of the 20th century William Faulkner 1897-1962 produced such enduring novels as *The Sound and the*

Fury Light in August and As I Lay Dying as well as many short stories His works continue to be a source of interest to scholars and students of literature and the immense amount of criticism about the Nobel prize winner continues to grow Following his book Faulkner in the Eighties Scarecrow 1991 and two previous volumes published in 1972 and 1983 John E Bassett provides a comprehensive annotated listing of commentary in English on William Faulkner since the late 1980s This volume dedicates its sections to book length studies of Faulkner commentaries on individual novels and short works criticism covering multiple works biographical and bibliographical sources and other materials such as book reviews doctoral dissertations and brief commentaries This bibliography provides an organized and accessible list of all significant recent commentary on Faulkner and the annotations direct readers to those materials of most interest to them The information contained in this volume is beneficial for scholars and students of this author but also general readers of fiction who have a special interest in Faulkner

Traditions, Voices, and Dreams Melvin J. Friedman, Ben Siegel, 1995 Traditions Voices and Dreams offers the interested reader ample testimony that the American Novel is alive well and steadily breaking new ground These collected essays also provide a new text for Contemporary American Novel classes Teachers and students should find useful and stimulating a book that puts into perspective such contemporary masters as John Barth Saul Bellow E L Who's Who of Pulitzer Prize Winners Elizabeth A. Brennan, Elizabeth C. Clarage, 1999 List Pulitzer Prize winners in thirty nine different categories arranged chronologically with biographical and career information selected works other awards and a brief commentary along with material on Pulitzer

AEB, Analytical & Enumerative Bibliography, 1994 Vol for Oct 1977 contains Index to reviews of bibliographical publications 1976 AB Bookman's Weekly, 1997

The Critical Response to William Styron Daniel William Ross, 1995-12-30 William Styron has enjoyed a resurgence of popularity with the publication of Darkness Visible 1990 his account of his struggle with near suicidal depression His works are known for discussing psychological conflicts within families religious doubt existentialism racial tension and the role of history in fiction Often compared with William Faulkner Styron has emerged as one of the most important figures in contemporary American literature and is best known for his continuation of the Southern gothic tradition Through original essays reprints of previously published criticism and excerpts from reviews this volume traces the critical reception of Styron's writings over the last 40 years All of Styron's novels are covered but the majority of the selections focus on his three most important works Lie Down in Darkness The Confessions of Nat Turner and Sophie's Choice The pieces reflect a variety of critical perspectives and the introduction overviews significant trends and omissions in Styron criticism A bibliography lists Styron's writings along with critical studies of his work Beacham's Encyclopedia of Popular Fiction Kirk H. Beetz, 1996

Surviving Literary Suicide Jeffrey Berman, 1999 An examination of the effect of suicidal literature on readers novels and poems that depict and sometimes glorify the act of suicide In particular it explores the work of Sylvia Plath Virginia Woolf Ernest Hemingway Anne Sexton Kate Chopin and William Styron
