Injustice Why Social Inequality Persists

Jim Silver

Injustice Why Social Inequality Persists:

Injustice Daniel Dorling, 2015-06-03 We are living in the most remarkable and dangerous times Globally the richest 1% have never held a greater share of world wealth while the share of most of the other 99% has collapsed in the last five years In this fully rewritten and updated edition of *Injustice* Dorling offers hope of a more equal society *Injustice (revised edition)* Dorling, Danny, 2011-04-05 REVISED EDITION NOW AVAILABLE New Foreword by Richard Wilkinson exclusion is necessary prejudice is natural greed is good and despair is inevitable In an informal yet authoritative style Dorling examines who is most harmed by these injustices and why and what happens to those who most benefit Hard hitting and uncompromising in its call to action this is essential reading for everyone concerned with social justice **Injustice** Daniel Dorling, 2010 Few would dispute that we live in an unequal and unjust world but what causes this inequality to persist Danny Dorling claims in this book that in rich countries social inequality is no longer caused by not having enough resources to share but by unrecognised and unacknowledged beliefs which actually propagate it *Injustice (revised Edition)* Danny Dorling, 2013 *Tackling Poverty and Social Exclusion* John H. Pierson, 2016-04-20 In our highly unequal Britain poverty and social exclusion continue to dominate the lives of users of social work and social care services At the same time spending cuts and welfare reform have changed the context within which services are delivered The third edition of this unique textbook seeks to capture the complexity and diversity of practice relating to social exclusion as social workers adapt to this challenging environment *Tackling Poverty and Social Exclusion* prepares practitioners to engage directly with the social and personal circumstances facing excluded individuals and their families The volume Explains the development of the concept of social exclusion as a framework for understanding the impact of poverty and other deprivations on users lives and outlines five building blocks for combating exclusion in practice Locates practice within social work values of fairness and social justice while acknowledging the many challenges to those values Includes individual chapters on excluded children and families young people and adults with chapters also on practice in disadvantaged neighbourhoods and rural communities Discusses inclusionary practice in relation to racism as well as refugees and asylum seekers Throughout the book encourages students and practitioners to think through the range of approaches perspectives and value choices they face To facilitate engagement each chapter includes up to date practice examples case studies and specific questions for readers to reflect on *Doing Radical Social Work* Colin Turbett, 2014-01-27 This is the first book to provide social workers with an applicable model for radical practice Through examining the current state of social work in the UK and looking at the radical approaches that have developed over the years this book explores some of the opportunities that exist for a radical social work **Social Policy, Political Economy and the Social Contract** Jonathan Wistow, 2022-07-20 In this challenging and original study Jonathan Wistow positions social policy within political economy and social contract debates Focusing on individual intergenerational and societal outcomes related to health place and social mobility in England he draws on

empirical evidence to show how the social contract produces long standing highly patterned and inequitable consequences in these areas Globalisation and the political economy simultaneously contribute to the extent and nature of social problems and to social policy's capacity to address them effectively Applying social contract theory this book shows that society needs to take ownership of the outcomes it produces and critically interrogates the individualism inherent within the political economy

Social Work Joyce Lishman, Janine Bolger, Neil Gibson, Gary Spolander, Chris Yuill, 2023-05-11 Now in its third edition *Social Work An Introduction* will equip you as a future social worker with everything you need to know in your first year and beyond Split into four parts each chapter is packed with learning features to allow you to get the most out of your reading and studies This book includes Case studies and exercises to illustrate and test your knowledge Critical thinking boxes and reflective questions to help you carefully consider and review what you have learned Recommended reading to further develop your understanding A range of tools for practice with different service user groups Guidance on relating your knowledge to different practice frameworks throughout the UK Plus free online resources to support teaching find themes for discussion SAGE journal articles case studies activities and more at <https://study.sagepub.com/lishman-et-al3e>

Introduction to Social Policy Analysis Stephen Sinclair, 2016-02-24 In this distinctive introduction Stephen Sinclair illuminates the subject of Social Policy by showing readers how Social Policy analysts think about welfare issues and policies From what influences the decision to have children to how everyday terms such as youth crime or poverty reveal the structural processes shaping society the book illustrates the insights which Social Policy analysis offers to understanding the social world and its problems Written by an academic with extensive experience of teaching Social Policy analysis to new audiences the book provides a stimulating introduction to the study of the factors and policies shaping wellbeing Each chapter includes boxed summaries applied examples illustrating key issues and bullet points clarifying key concepts and theories

Social Justice and Social Policy in Scotland Gerry Mooney, Gill Scott, 2012 Social justice and social policy in Scotland offers a critical engagement with the state of social policy in Scotland focusing on a diverse range of topics and issues including income inequalities work and welfare criminal justice housing education health and poverty each reflecting the themes of social inequality and social justice

Bankrupt Britain Daniel Dorling, Bethan Thomas, 2011 A unique atlas giving a comprehensive picture of the effect of the recession on Britain Essential reading for a broad audience with a national snapshot of Britain during this time

Inferno Robert A. Ferguson, 2014-03-03 Robert Ferguson diagnoses all parts of a massive out of control punishment regime Turning the spotlight on the plight of prisoners he asks the American people Do we want our prisons to be this way Acknowledging the suffering of prisoners and understanding what punishers do when they punish are the first steps toward a better more just system

Scoundrels and Shirkers Jim Silver, 2023-06-11T00:00:00Z *Scoundrels and Shirkers* examines the deep relationship between capitalism and poverty in England since the 12th century It exposes the dynamics of capitalism from its origins in the long transition from feudalism to its current crisis under neoliberal capitalism in producing

poverty The book unique in the historical breadth of its focus shows conclusively that poverty is an inevitable consequence of capitalism In the search for profits and control of society s economic surplus capitalism expands adapts and innovates producing not only commodities and wealth but also and necessarily poverty With the partial but important exception of the 1945-51 period and to a lesser extent the time between 1906 and 1914 there has never been a serious attempt to solve poverty Efforts have always been to manage and control the poor to prevent them from starving or rebelling to punish and blame them for being poor and to force them into poverty level jobs Any real solution would require the logic of capitalism to be deeply disrupted While possible in theory such a change will require massive social movements

Understanding Human Need Hartley Dean, 2020-04-22 This second edition of a widely respected textbook is one of the few resources available to provide an overview of human need as a key concept in the social sciences Taking an approach encompassing both global North and South this accessible and engaging book models existing practical and theoretical approaches to human need while also proposing a radical alternative Incorporating crucial current debates and illustrations the author explores distinctions between different types and levels of need how different approaches are reflected in different sorts of policy goals debates about the relationship between needs rights and welfare contested thinking about needs in relation to caring disadvantage and humanity Fully revised and updated this new edition pays due regard to the shifting nature of welfare ideologies and welfare regimes Offering essential insights for students of social policy it will also be of interest to other social science disciplines policy makers and political activists

Social Work and Social Policy Jonathan Dickens, 2016-01-27 An understanding of social policy is vital for engaging practically with social work values and dealing with political and ethical questions about responsibility rights and our understanding of the good society This textbook provides a comprehensive introduction to social policy tailored to the needs of a social work audience The new edition of this popular and accessible text analyses current policies and policy themes relevant to social work and locates them in the context of fundamental social policy principles and debates It discusses the nature of social policy and its relationship to social work and covers essential themes such as service user participation and involvement the balance between individual societal and state responsibility for people s wellbeing the interactions of the state the private sector voluntary organisations and the family the relationships between needs rights and choices the purposes and challenges of professional social work the meanings of equality prevention and personalisation Each chapter ends with activities for reflection and analysis and suggestions for further reading Social Work and Social Policy is invaluable for students undertaking social work qualifying courses all of whom are required to demonstrate an understanding of the social policy contexts of practice

Social Justice Dispositions in Schools Russell Cross, Carmen Mills, Trevor Gale, 2025-08-07 Against the backdrop of equity sensitive approaches within education policy and practice inequalities in student attainment remain a persistent problem In response this book advances the concept of social justice dispositions SJDs offering a new perspective by shifting the focus to what operates between the

values and beliefs of policymakers and educators and the actual everyday practice evident within classrooms In this intermediary space between belief and practice this book conceives of social justice dispositions being one part of a larger collection of dispositions that constitute one's habitus drawing from the work of French sociologist Pierre Bourdieu Bringing this together with methodological insights from cultural historical activity theory the authors seek to identify a spectrum of social justice dispositions that influence the pedagogic work of schooling dispositions evident both in the pedagogic authority of school leadership and in the pedagogic action of classroom teachers The book contributes new lines of inquiry conceptual tools and novel methodological approaches to advance social justice research and outcomes in education As such it is essential reading for academics scholars and postgraduate researchers working in the space of critical research and sociology of education

Introducing Social Work Jonathan Parker, 2023-04-05 Everything you need to succeed in your social work degree Written by subject experts this essential guide will introduce you to all the core areas of your course helping you develop the knowledge and skills you need to practice with confidence Since launching in 2003 Transforming Social Work Practice has become the market leading series for social work students These books use activities and case studies to build critical thinking and reflection skills and will help social work students to develop good practice through learning These books are Affordable Written to the Professional Capabilities Framework Mapped to the social work curriculum Practical with clear links between theory and practice

A Manifesto for the Public University John Holmwood, 2011-11-30 This book is available as open access through the Bloomsbury Open Access programme and is available on www.bloomsburycollections.com The Browne report advocates in effect the privatisation of higher education in England With the proposed removal of the current cap on student fees and the removal of state funding from most undergraduate degree programmes universities are set for a period of major reorganisation not seen since the higher education reforms in the 1960s This book brings together some of the leading figures in Higher Education in the UK to set out what they see as the role of the university in public life The book argues for a more balanced understanding of the value of universities than that outlined in the Browne Report It advocates that they should not purely be seen in terms of their contribution to economic growth and the human capital of individuals but also in terms of their contribution to the public This book responds to the key debates that the Browne review and Government statements have sparked with essays on the cultural significance of the university the role of the government in funding research inequality in higher education the role of quangos in public life and the place of social science research It is a timely important and considered exploration of the role of the universities in the UK and a reminder of what we should value and protect in our higher education system

What Is the Future of Social Work? Lavalette, Michael, 2019-10-02 Social work is under unprecedented pressure as a result of funding cuts political interventions marketisation and welfare transformations which combined are dramatically reshaping the relationship between individuals and the welfare state A wide range of distinguished academics provide a

comprehensive analysis of the evolving challenges facing contemporary social work reflecting on both the existential and ideological threats to the profession As well as the chief practice areas of child protection adult care and mental health contributors also examine practice issues surrounding older people neoliberalism neo eugenics and the refugee crisis This book offers concrete policy proposals for the future of the profession alongside valuable solutions which students and practitioners can action on the ground

Social Rights in the Welfare State Toomas Kotkas, Kenneth Veitch, 2016-12-08 At a time when the future of the welfare state is the object of heated debate in many European countries this edited collection explores the relationship between this institution and social rights Structured around the themes of the politics of social rights questions of equality and social exclusion inclusion and the increasing impact of market imperatives on social policy the book explores the effect of transformations in the welfare state upon social rights and their underlying rationalities and logics Written by a group of international scholars many of the essays discuss a number of urgent and topical issues within social policy including the social rights of asylum seekers the increasing marketization and consumerization of public welfare services the care of the elderly and the obligation to work as a condition of access to welfare benefits International in its scope and interdisciplinary in its approach this collection of essays will appeal to scholars and students working in the fields of law and socio legal studies sociology social policy and politics It will also be of interest to policy makers and all those engaged in the debate over the future of the welfare state and social rights
