How to Play Better Golf Without Practicing Alan Riley,2004 Playing better golf without practicing isn't that every golfer's dream Does that sound too good to be true It is not What people fail to realize is that golf is played as much with the mind as it is with the body Having more fun and being better at playing golf in large part requires an improvement in how a person uses their brain and chooses to think while playing golf Unfortunately golfers have for the most part ignored use of their brain as a way to improve their games and to increase their enjoyment of golf For most golfers improvement means purchasing the latest greatest golf club or trying out a tip they read in a golf magazine or watched on television Despite using technologically advanced golf clubs and balls and improving their swing technique many golfers do not seem to be lowering their scores The concepts explained in this book are simple extremely effective easy to apply and are the same ones that the best players in the world are using Professional golfers have come to realize that at the PGA Tour level everyone has terrific physical skills The difference between the players and the good players are the mental skills Most golfers do not have the physical talent to be able to hit the ball like Tiger Woods or Annika Sorenstam but everyone absolutely positively has the mental capacity to learn how to think like them Every golfer can benefit by learning more about how to think properly while playing golf I believe that golfers have a huge untapped potential that is just waiting to be unlocked Apply the simply common sense techniques explained in this book and you too can have

more fun and play better golf *The Magnificent Masters* Gil Capps,2014-03-25 A captivating account of one of the greatest Masters Tournaments in history when the battle between Nicklaus Miller and Weiskopf changed the world of golf **Golf All-in-One For Dummies** The Experts at Dummies,2012-02-15 The fun way to get a grip on every aspect of golf Golf is a popular spectator sport but for those who play it s a great source of low impact cardiovascular strength and aerobic exercise In addition golf is by nature a social game that provides the opportunity to meet new people Golf All In One For Dummies shows you not only how to get the most physical benefit from a round of golf but also the tools you need to truly enjoy the game From perfecting your swing to avoiding injuries the proven techniques presented in this book give you everything you need to have the time of your life every time you hit the links The basics of golf Details on the latest golf equipment and technology Tips on how to improve the short game including putting chipping and getting out of tough spots Rules and etiquette that every golfer needs to know Plans for keeping fit and designing workouts to improve your game Mental tricks and exercises to help you succeed Tips on grips stances and swings New tips from top players on how to improve your game Great new courses tournaments players who have changed the game and a review of golf s greatest moments Whether you already have some golf experience or are completely new to the game Golf All In One For Dummies will have you playing like a pro in no time **Mind Over Golf** Richard H. Coop,1997-04-01 Whether you struggle to break 100 or consistently break par you ve already discovered that golf is the most mentally demanding of all sports Dr Richard Coop one of the foremost sports psychologists in the country has developed a unique mental approach to the game helping both skilled pros and beginning amateurs alike to play better Mind Over Golf examines all the demanding psychological challenges of golf and explains in detail how to conquer them Golfers have discovered that there are ways to lower their scores that go beyond getting tips on their swing and stance In order to play better you have to find the key that allows your natural athletic ability to come to the fore without being impeded by anxiety about making a poor shot By following Dr Coop s principles and ideas you ll be in the strongest possible position both physically and mentally to put your best swing on each shot As Payne Stewart says in his foreword to Mind Over Golf Not everyone can swing like a tour pro but most everyone has it within himself or herself to think like one and Dr Coop lays the foundation for that within these pages **The Publishers Weekly** ,2003
