Author's Note Are there beings like us on other planets in other realms of this vast universe Probably It would seem absurd to assume the human race is the only one of its kind in this vast infinite universe created by an omnipotent God Matthew 19:26 reads Jesus looked at them and said With man this is impossible but with God all things are possible And the assumption that inhabitants of our kind exist solely on earth seems ridiculous on its face just based on the science and random probability that they exist elsewhere We are abysmally uninformed and our breakthroughs and amazing discoveries are infinitesimal against the backdrop of this vast universe

Written over 14 years *World Ambush* is a tale about celestial beings of obscure origins who lay claim to Earth endeavoring to possess it Often faced with difficult ethical choices the Ivwops possessing distinctly human qualities coupled with extraordinary powers came into direct contact with inhabitants of other planets who they soon came to dominate Their ceaseless forays eventually led them to Earth's civilization which became the object of their avarice and soon the object of their loathing All of these dynamics play out in the story of an evil empire's quest to annex Earth Pivotal to its outcome are two babies a baby boy and girl adopted and raised by Jewish parents As they grow older twins Aaron and Sonya discover they are the heirs to the throne of the Eg Tarsian Empire a vast and powerful realm in the Orion Cygnus arm of the Milky Way Their parents the former emperor and empress went missing after a coup led by the malevolent Lord Tholorud who now rules the empire with an iron fist As the twins grow up on Earth unaware of their true heritage they begin to experience strange phenomena and are eventually contacted by Borg their regent and protector Borg reveals their origins and the immense responsibilities that come with their lineage They must now navigate a world of political intrigue and intergalactic warfare to reclaim their rightful place and save both Earth and the Eg Tarsian Empire from Tholorud's tyranny *World Ambush* is a high stakes tale of identity destiny and the struggle between good and evil It features a rich tapestry of characters including the loyal Borg the sinister Lord Stoneart and the enigmatic avians of the Continuum As Aaron and Sonya come to terms with their extraordinary abilities and the weight of their legacy they must confront their fears and unite to overcome the dark forces threatening their worlds *World Ambush* weaves a thrilling adventure of courage and the enduring power of faith hope and love in the face of overwhelming odds As Aaron and Sonya grapple with their fears and harness their extraordinary abilities the fate of two worlds hangs in the balance Will they rise to the challenge or will darkness prevail
