Girl Culture Claudia Mitchell, Jacqueline Reid-Walsh, 2007-12-30 Never before has so much popular culture been produced about what it means to be a girl in today's society From the first appearance of Nancy Drew in 1930 to Seventeen magazine in 1944 to the emergence of Bratz dolls in 2001 girl culture has been increasingly linked to popular culture and an escalating of commodities directed towards girls of all ages Editors Claudia A Mitchell and Jacqueline Reid Walsh investigate the increasingly complex relationships struggles obsessions and idols of American tween and teen girls who are growing up faster today than ever before From pre school to high school and beyond Girl Culture tackles numerous hot button issues including the recent barrage of advertising geared toward very young girls emphasizing sexuality and extreme thinness Nothing is off limits body image peer pressure cliques gangs and plastic surgery are among the over 250 in depth entries highlighted Comprehensive in its coverage of the twenty and twenty first century trendsetters fashion literature film in group rituals and hot button issues that shape and are shaped by girl culture this two volume resource offers a wealth of information to help students educators and interested readers better understand the ongoing interplay between girls and mainstream culture

Becoming a Woman Through Romance Linda K. Christian-Smith, 2019-10-01 A woman is incomplete without a man motherhood is a woman's destiny and a woman's place is in the home These conservative political themes are woven throughout teen romance fiction's sagas of hearts and flowers Using the theory and interpretive methods of feminism and cultural studies Christian Smith explores the contradictory role that popular culture plays in constructing gender class race age and sexual meanings Originally published in 1990 *Becoming a Woman through Romance* combines close textual analyses of thirty four teen romance novels written in the United States from 1942 1982 with a school study in three midwestern American schools Christian Smith situates teen

romance fiction within the rapidly changing publishing industry and the important political and economic changes in the United States surrounding the rise of the New Right By analysing the structure of the novels in terms of the themes of romance sexuality and beautification and the Good Bad and Strong Weak dichotomies she demonstrates how each has shaped the novels versions of femininity over forty years She also shows that although romance fiction is presented as a universal model it is actually an expression of white middle class gender ideology and tension within this class This high readable comprehensive and coherent work was the first to combine in one volume three vital areas of cultural studies research the political economy of publishing textual analysis and a study of readers The first full scale study of teen romance fiction *Becoming a Woman through Romance* establishes the importance of the study of popular culture forms found in school for understanding the process of school materials in identity formation
