Governing Sexuality Governing Sexuality

Samantha Ashenden

Governing Sexuality Governing Sexuality:

Governing Sexuality Carl Stychin, 2003-07 *Governing Sexuality* explores issues of sexual citizenship and law reform in the United Kingdom and Continental Europe today Across western and eastern Europe lesbians and gay men are increasingly making claims for equal status grounded in the language of rights and citizenship and using the language of international human rights and European law This book uses same sex sexualities as a prism through which to explore broader questions of legal and political theory concerning democratic legitimacy rights discourse national sovereignty and identity citizenship transnationalism and globalisation Case studies are widely drawn from New Labour's sexual politics in the UK to the decriminalisation of same sex sexualities under pressure from the EU in Romania to new civil solidarity laws in France

Governing Child Sexual Abuse Samantha Ashenden, 2016-04-29 The turn of the 1990s saw a number of high profile public inquiries into the handling of child sexual abuse cases in Great Britain In examines the implications of these inquiries on the regulation of relationships between families and the state author Samantha Ashenden brings a number of contemporary debates in social and political theory to bear upon the governance of child sexual abuse In particular drawing on the work of Foucault and Habermas Ashenden looks at how to analyze the boundary between public and private spheres the legal and scientific determination of legitimate intervention the relationship between democracy and expertise in the governance of social life Timely and topical this book will be of particular interest to scholars and students of social and political theory political sociology the sociology of law and social policy

Regulating Sexuality Rosie Harding, 2010-10-04 *Regulating Sexuality* Legal Consciousness in Lesbian and Gay Lives explores the impact that recent seismic shifts in the legal landscape have had for lesbians and gay men The last decade has been a time of extensive change in the legal regulation of lesbian and gay lives in Britain Canada and the US Almost every area where the law impacts on sexuality has been reformed or modified These legal developments combine to create a new uncharted terrain for lesbians and gay men And through an analysis of their attitudes views and experiences this book explores the effects of these developments Drawing on and developing the concept of legal consciousness *Regulating Sexuality* focuses on four different texts qualitative responses to a large scale online survey of lesbians and gay men's views about the legal recognition of same sex relationships published autobiographical narratives about being and becoming a lesbian or gay parent semi structured in depth interviews with lesbians and gay men about relationship recognition parenting discrimination and equality and fictional utopian texts In this study of the interaction between law and society in social justice movements Rosie Harding interweaves insights from the new legal pluralism with legal consciousness studies to present a rich and nuanced exploration of the contemporary regulation of sexuality

Regulating sexuality Leanne McCormick, 2013-07-19 This is a groundbreaking examination of the attempts to regulate female sexuality in twentieth century Northern Ireland which opens up new and exciting areas of a previously neglected history A wide ranging study it explores the sexual experiences of women in the context of the distinctive religious

political and social circumstances of Northern Ireland during the twentieth century The commonality of attitudes of the Catholic Churches toward the control of female sexuality is revealed along with the similarity of views concerning female behaviour While the ways in which various authorities tried to control female behaviour are explored it is also argued that women were not simply victims but employed a variety of survival strategies and active agency no matter how difficult their circumstances were This work will appeal not only to an academic audience but also to non academic readers interested in a new and exciting view of Northern Ireland's past *Development, Sexual Rights and Global Governance* Amy

Lind, 2010-01-04 This book addresses how sexual practices and identities are imagined and regulated through development discourses and within institutions of global governance The underlying premise of this volume is that the global development industry plays a central role in constructing people's sexual lives access to citizenship and struggles for livelihood Despite the industry's persistent insistence on viewing sexuality as basically outside the realm of economic modernization and anti poverty programs this volume brings to the fore heterosexual bias within macroeconomic and human rights development frameworks The work fills an important gap in understanding how people's intimate lives are governed through heteronormative policies which typically assume that the family is based on blood or property ties rather than on alternative forms of kinship By placing heteronormativity at the center of analysis this anthology thus provides a much needed discussion about the development industry's role in pathologizing sexual deviance yet also more recently in helping make visible a sexual rights agenda Providing insights valuable to a range of disciplines this book will be of particular interest to students and scholars of Development Studies Gender Studies and International Relations It will also be highly relevant to development practitioners and international human rights advocates The Open Access version of this book available at <http://www.taylorfrancis.com/books/e/9780203868348> has been made available under a Creative Commons Attribution Non Commercial No Derivatives 4.0 license *Dangerousness, Risk and the Governance of Serious Sexual and Violent Offenders*

Karen Harrison, 2012-03-29 *Dangerousness Risk and the Governance of Serious Sexual and Violent Offenders* is a fully up to date comprehensive and user friendly guide on those offenders who are often assessed as being dangerous Outlining evaluating and commenting on specific methods regimes and strategies for dealing with dangerous offenders throughout each chapter this book begins by considering what a dangerous offender is and providing a brief historical account of how the label has been used for different types of offender over the last three or four centuries The book examines sentencing policy in addition to early and current dangerousness legislation evaluating the available sentences specifically designed for dangerous offenders and assessing their use and appropriateness The role of risk and risk assessment tools is discussed considering what risk assessment is the way in which it works and how over recent times it has become more reliable and valid It looks at the practical realities of how serious sexual and violent offenders are dealt with by the penal system in England and Wales Finally specific offender groups are considered including female offenders children and young people and

mentally disordered offenders Each chapter considers whether there are any differences in terms of policy assessment and management strategies when sentencing and managing each distinct group and if not whether any such modifications are required This book will be key reading for students of law criminology social policy psychology and sociology and of interest to criminal justice professionals including the police prison officers probation officers psychologists lawyers and judges

Governing Sexuality Carl Franklin Stychin, 2003 Governing Sexuality explores issues of sexual citizenship and law reform in the United Kingdom and Continental Europe today It uses same sex sexualities as a prism through which to explore broader questions of legal and political theory **Governing Sex, Building the Nation** Wan-Chen Yen, 2015-09-18

Governing Sex Building the Nation explores the sexual politics of Chinese nationalism in Taiwan between 1945 and 1979 focusing on the politicisation of prostitution and its role in the reproduction of postcolonial nationhood This book examines the political struggle over prostitution policy that was framed within and through contested knowledge rationales and tactics underpinning the nationalist project constructing and policing prostitution as a social national problem yet also creating a market for prostitution and turning it into political opportunities that served a variety of nationalistic interests Locating this in the larger Asian struggle with colonial influence on prostitution the author provides interesting and rare accounts of official perspectives and tactics regarding prostitution in the Taiwanese context in order to explore the interlinkages between post colonialism prostitution and nationalism Featuring insights into Japanese and Chinese colonialism and the Eastern Asian experience of postcolonialism this book shifts academic attention from mainstream postcolonial studies which highlight Western colonialism and Indian and African postcolonialism It thereby discovers more diverse approaches to postcolonial nation building and a more intricate interaction between colonial powers and the colonised society and as such adds new depth to postcolonial studies Bringing the politics of nationalism and postcolonialism into the study of prostitution policies this book also provides an understanding of prostitution in a once colonised society in contrast to the broadly recognised gender and sexual politics of prostitution in the Western context **New Approaches to Governance and Rule in Urban**

Europe Since 1500 Simon Gunn, Tom Hulme, 2020-03-31 Urban power and politics are topics of abiding interest for students of the city This exciting collection of essays explores how Europe's cities have been governed across the last 500 years Taken as a whole it provides a unique historical overview of urban politics in early modern and modern Europe At the same time it guides the reader through the variety of ways in which power and governance are currently understood by historians and new directions in the subject The essays are wide ranging covering Europe from Scandinavia to the Mediterranean Russia to Ireland between 1500 and the twentieth century Each chapter employs a specific case study to illuminate a way of examining how power worked in regard to topics such as women popular culture or urban elites A variety of approaches are deployed including the study of ritual and performance morality and conduct governmentality and the state infrastructure and the individual Reflecting the state of the art in European urban history the book is essential reading for anyone interested in the

study of urban politics and government It represents a fresh take on a rich subject and will stimulate a new generation of historical studies of power and the city **Gender, Sexuality, Decolonization** Ahonaa Roy, 2020-12-28 This book presents a new approach to the understanding of non normative sexuality and gender transgressive modes in South Asia and South Asian diaspora It reconceives sexual representation from the point of view of the theoretical political and empirical trajectories of decolonization provincialization and neoliberalism to look at the role of historical contingency postcolonial sexual politics and gender and sexual diversity The volume brings together anthropological historical material and political analyses around South Asian sexual politics by exploring a range of themes including culture class ethnicity identity intersectionality migration borders diaspora modernity and cosmopolitanism across various local regional and global contexts By using southern non Western and subaltern theorizations of gender and sexuality the book discusses South Asian sexualities through issues such as the sexual politics of indeterminacy sexual subculture iconography and political decision making religious identity queer South Asian diaspora decolonizing the postcolonial body sexual politics gender and feminist debates discrimination and socio political violence the political economy of empowerment and critical appropriation of the 377 Indian Penal Code It also builds forms of dialogues to bridge the gap between academic and development practitioners With diverse case studies and a fresh theoretical framework this book will be an essential read for scholars and researchers of South Asian studies gender studies sexuality studies sociology and social anthropology political studies diaspora studies postcolonial and global south studies **Sexual States** Jyoti Puri, 2016-03-25 In Sexual States Jyoti Puri uses the example of the recent efforts to decriminalize homosexuality in India to show how the regulation of sexuality is fundamentally tied to the creation and enduring existence of the Indian state **Governing Public Health** Mark L Flear, 2015-07-30 This book contributes towards EU studies and the growing discourse on law and public health It uses the EU s governance of public health as a lens through which to explore questions of legal competence and its development through policy and concrete techniques processes and practices risk and security human rights and bioethics accountability and legitimacy democracy and citizenship and the nature essence and future trajectory of the European integration project These issues are explored first by situating the EU s public health strategy within the overarching architecture of governance and subsequently by examining its operationalisation in relation to the key public health problems of cancer HIV AIDS and pandemic planning The book argues that the centrality and valorisation of scientific and technical knowledge and expertise in the EU s risk based governance means that citizen participation in decision making is largely marginalised and underdeveloped and that this must change if public health and the quality accountability and legitimacy of EU governance and its regulation are to be improved Subsequently the book goes on to argue that the legitimating discourses of ethics and human rights and the developing notion of EU supra stewardship responsibility can help to highlight the normative dimensions of governance and its interventions in public health These discourses and dimensions provide openings and possibilities for citizens to power

technologies of participation and contribute important supplementary knowledge to decision making **European Perspectives on Attrition in Sexual Offenses** Rahime Erbas, 2023-07-17 Many factors contribute to attrition in sexual offense cases from victim reluctance to systemic barriers This book examines the attrition of sexual offenses across seven countries Bosnia and Herzegovina Germany Italy Spain Sweden the UK and Türkiye Using various jurisdictions and legal systems sheds light on how those systems distinctive features impact investigation and adjudication Through the critical analyses of various sexual offenses and statistical data *European Perspectives on Attrition in Sexual Offenses* demonstrates how cases continue to attrite through their journey from commencement to the finalization within the European criminal justice systems This book would be of interest to scholars studying criminology criminal justice and law as well as practitioners within the criminal justice and legal professions

Regulating Romance Shanti Parikh, 2016-04-11 Drawing on ten years of ethnographic research two hundred fifty interviews and over three hundred youth love letters author Shanti Parikh uses lively vignettes to provide a rare window into young people's heterosexual desires and practices in Uganda In chapters entitled *Unbreak my heart I miss you like a desert missing rain* and *You're just playing with my head* she invites readers into the world of secret longings disappointments and anxieties of young Ugandans as they grapple with everyday difficulties while creatively imagining romantic futures and possibilities Parikh also examines the unintended consequences of Uganda's aggressive HIV campaigns that thrust sexuality and anxieties about it into the public sphere In a context of economic precarity and generational tension that constantly complicates young people's notions of consumption based romance communities experience the dilemmas of protecting and policing young people from reputational and health dangers of sexual activity *They arrested me for loving a school girl* is the title of a chapter on controlling delinquent daughters and punishing defiant boyfriends for attempting to undermine patriarchal authority by asserting their adolescent romantic agency Sex education programs struggle between risk and pleasure amidst morally charged debates among international donors and community elders transforming the youthful female body into a platform for public critique and concern The many sides of this research constitute an eloquently executed critical anthropology of intervention

Sexuality and the Law Vanessa Munro, Carl Stychin, 2007-05-07 Rediscovering the peculiarity of feminist perspectives rather than the range of gender oriented analyses in legal regulation and sexuality this edited collection avoids the reductionist and essentialist shortcomings of feminism unmodified

Sustainable Sexual Health Tony Sandset, Eivind Engebretsen, Kristin Heggen, 2020-12-20 This book provides a textual analysis of the implementation of the UN's Sustainable Development Goals SDGs in health care Using sexual health as a case study the authors apply Foucault's notions of biopower and biopolitics to discuss the power struggle between local needs and wants and universal ambitions embedded in the SDG ideology Reproductive and sexual health are settings where health policy religious and cultural norms and gender policy meet personal and moral standards As such tensions dilemmas and conflicts are powerfully demonstrated in this interdisciplinary field of public health Tensions

dilemmas and conflicts are particularly visible in reproductive and sexual health settings where health policy meets personal or moral standards gender policy and religious and cultural norms This book will be valuable supplementary material for graduate students and academics wishing to enhance their knowledge in the fields of global health sexual health reproductive health and rights and cultural studies The book will also be of interest to professionals and students within the disciplines of medical sociology medical anthropology sustainability studies gender and sexuality studies and public health

Moral Regulation and Governance in Canada Amanda Glasbeek, 2006 Moral Regulation and Governance in Canada offers an outstanding selection of readings that represents an overview of the key issues in deviance moral regulation and governance in Canada from a distinctly Canadian perspective It effectively tracks the sociology of deviance from governmentality studies to theories of social control Of particular note is the focus this book gives to gender issues It also argues that sometimes what is considered deviant is less related to criminality and more concerned with the perception of normalcy

Introducing the New Sexuality Studies Steven Seidman, Nancy L. Fischer, Chet Meeks, 2011-02-25 Breaking new ground both substantively and stylistically this book offers students academics and researchers an accessible engaging introduction and overview of the emerging field of sexuality studies

Handbook of the New Sexuality Studies Steven Seidman, Nancy Fischer, Chet Meeks, 2007-03-12 As the field of sexuality studies has become a growth area in academia and classes on sexuality studies are incorporated into various disciplines the expanding book market has been filled with specialist oriented texts which are often theoretically focused and contain too many summaries for an undergraduate audience Addressing this imbalance this key new volume presents the field of sexuality in an accessible and engaging way for undergraduates Breaking new ground both substantively and stylistically this book offers students academics and researchers an accessible engaging introduction and overview of this emerging field Its central premise is to explore the social character of sexuality the role of social differences such as race or nationality in creating sexual variation and the ways sex is entangled in relations of power and inequality Through this novel approach the field of sexuality is considered for the first time in multicultural global and comparative terms and from a truly social perspective This important volume consists of over fifty short and original essays on the key topics and themes in sexuality studies and interviews with twelve leading scholars in the field which convey some of the most innovative work being done Each contribution clearly conveys the latest research with examples Ideal for students of gender and sexuality studies this topical and timely volume will be an invaluable resource to all those with an interest in sexuality studies

Encyclopedia of Rape and Sexual Violence Merril D. Smith, 2018-05-03 This two volume set provides an authoritative overview of rape and other forms of sexual violence containing the latest information about victims and perpetrators events laws and trends related to sexual violence and attitudes toward it This encyclopedia will help readers to develop a deeper understanding of rape and other forms of sexual violence in the United States and around the world Content illuminates all aspects of this serious issue including the forms of

trauma experienced by survivors victims different types of rape from incest to acquaintance rape to prison rape specific cases events and controversies laws policies movements and organizations pertaining to the issue and legal political and cultural contributors to rape and other forms of sexual violence Encyclopedia of Rape and Sexual Violence follows an A Z format but instead of comprising brief overview entries it features twenty chapters each of which is a long form entry that covers key perspectives laws court cases and statistics on survivors victims and perpetrators Leading scholars and activists perspectives on the subject add depth to the information provided the set also includes a selection of essential primary documents

Governing Sexuality Governing Sexuality Introduction

In today's digital age, the availability of Governing Sexuality Governing Sexuality books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Governing Sexuality Governing Sexuality books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Governing Sexuality Governing Sexuality books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Governing Sexuality Governing Sexuality versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Governing Sexuality Governing Sexuality books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Governing Sexuality Governing Sexuality books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Governing Sexuality Governing Sexuality books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions

of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Governing Sexuality Governing Sexuality books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Governing Sexuality Governing Sexuality books and manuals for download and embark on your journey of knowledge?

FAQs About Governing Sexuality Governing Sexuality Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks.
