Chapter 7 Study Guide: The Bureaucracy

As you read the chapter, define the key terms and respond to the critical thinking questions on your own paper. Keep in mind the learning targets for this chapter as you work.

Objectives/Learning Targets: Check them off as you feel confident you can...

- Explain how the bureaucracy carries out the responsibilities of the local government.
- Explain how the bureaucracy uses delegated discretionary authority for rulemaking and implementation.
- Explain how Congress uses its oversight power in its relationship with the Executive branch.
- Explain how the President ensures that executive branch agencies and departments carry out their responsibilities in concert with the goals of the administration.
- Explain the extent to which governmental branches can hold the bureaucracy accountable given the competing interests of Congress, the president, and the federal courts.

Key terms: Define.

- 1. Bureaucracy
 - a. The vast, hierarchical organization of executive branch employees that take care of the federal government's business.
- 2. compliance monitoring
 - a. Making sure the firms and companies that are subject to industry regulations are following those standards and provisions.
- 3. iron triangle
 - The relationship among these three entities—an agency, a congressional committee, and an interest group
- 4. issue network
 - a. Issue networks include committee staffers, academics, advocates, leaders of think tanks, interest groups, and/ or the media, collaborate to create specific policy on one issue.
