We proof each document to make sure it sall there including all changes If you find a good copy you could print it using a network printer you share with 100 other people typically its either out of paper or toner If it s just a 10 page document no problem but if it s 250 pages you will need to punch 3 holes in all those pages and put it in a 3 ring binder Takes at least an hour It's much more cost effective to just order the latest version from Amazon com This book includes original commentary which is copyright material Note that government documents are in the public domain We print these large documents as a service so you don t have to The books are compact tightly bound full size 8 1 2 by 11 inches with large text and glossy covers 4th Watch Publishing Co is a SDVOSB www usgovpub com Some of the other books we publish Federal Acquisition Regulation FAR Defense Federal Acquisition Regulation Supplement DFARS Financial Management Regulation FMR General Services Administration Acquisition Manual GSAM DoD 4140 1 Supply Chain Materiel Management Procedures GAO Financial Audit Manual FAM Federal Information
