Restructuring Local Government Finance in Developing Countries Roy W. Bahl, Paul J. Smoke, 2003-01-01

Examining cutting edge issues of international relevance in the ongoing redesign of the South African local government fiscal system the contributors to this volume analyze the major changes that have taken place since the demise of apartheid The 1996 Constitution and subsequent legislation dramatically redefined the public sector mandating the development of democratic local governments empowered to provide a wide variety of key public services However the definition and implementation of new local functions and the supporting democratic decision making and managerial capabilities are emerging more slowly than expected *Fiscal Decentralization and Local Finance in Developing Countries* Roy

Bahl, Richard M. Bird, 2018-03-30 This book draws on experiences in developing countries to bridge the gap between the conventional textbook treatment of fiscal decentralization and the actual practice of subnational government finance The extensive literature about the theory and practice is surveyed and longstanding problems and new questions are addressed It focuses on the key choices that must be made in decentralizing on how economic and political factors shape the choices that countries make and on how by paying more attention to the need for a more comprehensive approach and the critical connections between different components of decentralization reform everyone involved might get more for their money

Public Finance in Underdeveloped Countries Alan Richmond Prest, 1972

Local Government Financial Reform in Developing Countries J. Boex, J. Martinez-Vazquez, 2006-07-07 This book analyzes recent local government finance reforms in Tanzania including the introduction of a formula based system of intergovernmental grants Due to the scope and speed of Tanzania's local government finance reforms the country is becoming one of the best practice examples of fiscal decentralization reform in Africa *Public Finance in Developing Countries* Vito Tanzi, 1991 This lively and accessible book

discusses the real world fiscal issues in developing countries within a realistic macroeconomic and social framework It represents the best synthesis currently available of the link between public finance and macroeconomics in developing countries with emphasis on positive rather than normative aspects The first part of the book emphasizes the reasons why normatively prescribed policy objectives are often not achieved The second part includes various chapters that show the close link that exists between developments in the public finances and in the macroeconomic situation of these countries The impact on inflation and of the real exchange rate on tax revenue is highlighted The third part discusses various aspects of taxation and the requirements for successful tax reform **Government Finance Statistics** International Monetary Fund.

Statistics Dept., 2011-09-14 The Government Finance Statistics Compilation Guide for Developing Countries represents a new approach by the IMF's Statistics Department STA to assist developing countries to compile government finance statistics GFS in accordance with the guidelines of the Government Finance Statistics Manual 2001 GFSM 2001 The Guide specifically addresses issues relevant to developing countries The Guide is based on our experience over many years of technical
