This guidance is to help you understand the questions on the application form. You should still use our Tier 4 guide and video guides to help you make a valid immigration application. The Immigration Health Surcharge (IHS)

From 06 April 2015 you may need to pay a "health surcharge" as part of your immigration application so that you can have free access to NHS (National Health Service) hospital treatment while you are in the UK.

The immigration health surcharge is payable by those requiring entry clearance to come to the UK for a limited period where this permission results in leave of more than six months.

What you will need to pay will be based on the length of visa you will be granted, including the time you are given before and after the course starts. The surcharge is calculated as £150 per year for each year of your visa. If your visa includes part of a year that is six months or less you will be charged an additional £75 for this period. If your visa includes part of a year that is more than six months, you will have to pay £150 for this period. Here are some examples:

Course length/degree	
Pre-sessional English	00*
3 year master's degree	£225
3 year undergraduate degree	£225
4 year PhD	£600

Some nationals (e.g. nationals of Australia and New Zealand) are exempt from the health charge due to reciprocal healthcare agreements. Anyone who has been awarded a Chevening Scholarship is also exempt from paying the IHS. Even if you are exempt, you will still need to register on the website and enter your details.

The website will quote the fee in a foreign currency. Please note that we have observed that the exchange rates, which the Home Office are using, appear to have 2-7% of additional floating fees.

* Except if you are applying for an extension of your immigration permission
