Create a time line showing events that heightened tensions between the North and the South.

DIFFERENCES BETWEEN NORTH AND SOUTH; SLAVERY IN THE TERRITORIES (Pages 156–158)

How was a temporary slavery compromise reached?

The North and the South had developed into very separate regions. The plantation economy in the South depended on slavery. Northern industry did not need slavery and opposition to slavery grew in the region.

In 1849, California asked to enter the Union as a free state. Southerners were angry because much of California was south of the Missouri Compromise line. Southerners thought that any move to ban

slavery was an attack on their way of life. They threatened **secession**, the decision by a state to leave the Union.

Henry Clay presented the Compromise of 1850. To please the North, it said that California would be admitted as a free state. For the South, it included the Fugitive Slave Act. This law required Northerners to return fugitive, or escaped, slaves to their masters. The Compromise called for **popular sovereignty** in New Mexico and Utah territories.

Congress turned down the Compromise. But Senator Stephen Douglas took up the leadership and managed to get the Compromise passed.

Extremism Triumphant Darin Wipparman, 2003 Generations of Americans have witnessed the political disputes over slavery and abortion the two most contentious issues in the nation's history This book surveys the origins and course of this unfortunate strife arguing that leaders on both sides of the two issues have embraced political expediency or an illogical view of the Constitution rather than viable solutions Focusing on key events and a diverse range of individuals *Extremism Triumphant* offers fresh perspectives while lamenting missed opportunities and bitter debate Making extensive use of Congressional debates and Supreme Court opinions the narrative takes us on a journey from before the nation's founding to the early part of the 21st Century Critical of each pole of the slavery impasse that brought civil war the book shows how the nation made numerous errors as it tried to tackle the equally passionate feud over reproductive freedom Unsurprisingly both camps of the modern abortion debate receive criticism With a willingness to question conventional wisdom dear to conservatives and liberals *Extremism Triumphant* challenges each side to ponder its own claim to the moral high ground
