their choices as consumers whether at the grocery store as parents of school age children or in the voting booth Living with and listening to the town s residents taught Macgregor that while traditional ideas about community especially as it was connected with living in a small town still provided an important organizing logic for peoples lives there were a variety of ways to understand and create community **Halloween Nation** Lesley Pratt Bannatyne,2011-04-05 America s leading authority on Halloween presents interviews with spooky rock groups amateur vampires haunted house creators champion pumpkin carvers and more all in the quest of explaining the nation s unique love affair with this holiday The collection of essays and interviews explores the pop culture phenomenon that is Halloween and why we celebrate it the way we do today
