Knitting Alison Ellen, 2015-09-30 Knitting is one of the most versatile and exciting of textile structures and this book rediscovers its potential by exploring new ideas for design through the power of the stitch Written for the dedicated knitter it goes into the fine detail of how knitting works questioning and examining how

stitches can influence and shape the fabric by pulling in pulling up and making it stretchy or firm thick or thin Over forty projects are included that range from simple straightforward scarves and bags to more intricate jackets and organic sculptural 3D pieces Detailed innovative and inspiring it is invaluable reading for all knitters and textile designers A dictionary of stitches compares each stitch with stocking stitch and shows how the shape and feel of knitting can be changed dramatically and a chapter explores different ways of shaping fabric around the edges and even within the knitting using increases decreases and short row shaping to texture the surface or to make three dimensional forms Step by step instructions are supported with explanations charts diagrams and photos and techniques are discussed in depth to help understand different outcomes and how problems can be used creatively A detailed and inspiring new book on knitting that pushes ideas and boundaries to encourage creative thinking and confidence in experimenting with charts diagrams and illustrations 362 colour photographs in total New Directions 45 James Laughlin,1982-11 *AlterKnits Felt* Leigh Radford,2012-10-30 Master this technique with everything from felting basics to fabulous clothing to d cor projects There s something magical about felting knits You start with a piece of fabric that looks and feels a certain way and by exposing it to water and agitation finish with one that looks and feels completely different This fascinating transformation is what led author Leigh Radford to begin felting years ago and has kept her intrigued by the process ever since Now in *AlterKnits Felt* Radford pushes the boundaries of traditional felting as she did with traditional knitting in her earlier book *AlterKnits* Through 30 colorful vibrant projects she shows readers how to knit and then felt their own handiwork as well as how to create gorgeous felted objects from recycled knits and unspun fiber An introductory chapter on felting basics explains everything you need to know to make the fabulous clothes accessories and home decor that follow The projects range from a quick and easy circle coin purse to a shibori bag to a reverse applique rug each unusual in its own way distinguished by a special surface texture an innovative mix of techniques or a quirky combination of yarns *AlterKnits Felt* provides every crafter with the tools to explore and expand the art of felting **New Directions** Peter Gardner,2005-01-17 *New Directions* is a thematic reading writing book aimed at the most advanced learners It prepares students for the rigors of college level writing by having them read long challenging authentic readings from a variety of genres and by having them apply critical thinking skills as a precursor to writing This emphasis on multiple longer readings gives *New Directions* its distinctive character *New Directions in Early Modern English Drama* Aidan Norrie,Mark Houlahan,2020-07-06 This collection examines some of the people places and plays at the edge of early modern English drama Recent scholarship has begun to think more critically about the edge particularly in relation to the canon and canonicity This book demonstrates that the people and concepts long seen as on the edge of early modern English drama made vital contributions both within the fictive worlds of early modern plays and without in the real worlds of playwrights theaters and audiences The book engages with topics such as child actors alterity sexuality foreignness and locality to acknowledge and extend the rich sense of playmaking

and all its ancillary activities that have emerged over the last decade The essays by a global team of scholars bring to life people and practices that flourished on the edge manifesting their importance to both early modern audiences and to current readers and performers *Fair Isle Knitting and Design* Nicki Merrall,2020-04-03 Traditional Fair Isle knitting and design skills were originally handed down from one Shetland generation to the next with each new generation of knitters experimenting adapting and extending the repertoire of patterns to develop the Fair Isle knitting we see today Fair Isle knitting is fascinating only two colours are used in any single row yet the patterns and colours chosen combine to create something that is more than the sum of its parts The distinctive combination of colours and patterns ranging from the simple to the highly intricate continues to inspire knitters worldwide This beautifully illustrated book includes the development of Fair Isle knitting a collection of Fair Isle patterns and motifs exercises to develop a sense of colour and apply colour theory to Fair Isle knitting and a detailed step by step guide for the techniques used in Fair Isle knitting Five original designs with further ideas for their modification and development are included too as well as guidance on adapting and designing Fair Isle projects of your own **Last-Minute Knitted Gifts** Joelle Hoverson,2011-09-13 Lovely gifts in luscious yarns that will never go out of style that can be completed in about 10 hours or way less Planet Purl Today s knitters are chic smart and busy Although they love to knit and enjoy making gifts for family and friends they re constantly faced with the challenge of finding enough time to actually finish what they ve started Last Minute Knitted Gifts solves this problem Joelle Hoverson owner of Purl the hip knitting supply store in downtown Manhattan has designed more than 30 fun fresh beautiful patterns most of which can be made in less than ten hours some in as little as two Known for her keen sense of color Hoverson includes instructions for classic gifts like baby booties and bonnets sweaters and scarves plus imaginative options like a cashmere tea cozy a felted yoga mat bag floor cushions and a poncho surely something for everyone on the gift list And to make each present extra special Hoverson offers easy tips on how to incorporate knitting and other yarn embellishments into the gift wrap **New Directions in Jewellery** Jivan Astfalck,Caroline Broadhead,Paul Derrez,2005 Featuring over 80 makers who are pushing the boundaries of traditional jewellery design this title includes seminal figures such as Gerda Flckinger Peter Chang and Arline Fisch as well as emerging makers such as Daisuke Sakaguchi Anna Osmer Andersenand Kayo Saito New Directions in Slavery Studies Jeff Forret,Christine E. Sears,2015-11-16 In this landmark essay collection twelve contributors chart the contours of current scholarship in the field of slavery studies highlighting three of the discipline s major themes commodification community and comparison and indicating paths for future inquiry New Directions in Slavery Studies addresses the various ways in which the institution of slavery reduced human beings to a form of property From the coastwise domestic slave trade in international context to the practice of slave mortgaging to the issuing of insurance policies on slaves several essays reveal how southern whites treated slaves as a form of capital to be transferred or protected An additional piece in this section contemplates the historian s role in translating the fraught history of slavery into

film Other essays examine the idea of the slave community an increasingly embattled concept born of revisionist scholarship in the 1970s This section s contributors examine the process of community formation for black foreigners the crucial role of violence in the negotiation of slaves sense of community and the effect of the Civil War on slave society A final essay asks readers to reassess the long standing revisionist emphasis on slave agency and the ideological burdens it carries with it Essays in the final section discuss scholarship on comparative slavery contrasting American slavery with similar less restrictive practices in Brazil and North Africa One essay negotiates a complicated tripartite comparison of secession in the United States Brazil and Cuba while another uncovers subtle differences in slavery in separate regions of the American South demonstrating that comparative slavery studies need not be transnational New Directions in Slavery Studies provides new examinations of the lives and histories of enslaved people in the United States [The Journal for Weavers, Spinners & Dyers](#)

,2004 **Dazzling Knits** Patricia Werner,2004-07-01 Turn basic shapes into fashion statements with a simple modular method The technique works like a puzzle start by knitting one shape and then build on that by knitting additional shapes to create a finished garment Includes 14 vest jacket and coat designs Projects rely on easy to knit shapes such as squares shells cubes and triangles Featured knits spotlight vibrant bold colors as well as alternate versions in more classic colors

Beyond Green Lesley Head,2025-05-14 How are we to think about nature and the environment The idea of nature as it relates to culture society and humans has always been in constant flux and highly contested Lesley Head interrogates the ways the cultures of nature have operated in Australia across time and how these ways of thinking and being limit our capacity to deal with the challenges of the climate change and biodiversity crises Drawing on her life s work and lessons she has picked up along the way Head suggests that it is up to us to attentively listen the better to destabilise and subvert dominant narratives and to imagine new possibilities She believes we have the nous resources and lessons from Indigenous settler descendant and immigrant cultures to reduce risk in the face of the unexpected and the unimaginable In *Beyond Green* the story of nature and people weaves research and personal experience through many different times and spaces offering new ways of understanding It is a richly creative engagement with the abundant possibilities and pleasure of nature as a place of regeneration that is as warned by the rawk of the crow as it is accompanied by the carolling of magpies
