Stanley E. Henderson,Claire C. Swann,1998-04-23 Through expert essays this handbook covers all aspects of the admissions process from a historical overview to a guide to future trends Both new and experienced admissions officers and educational administrators will find here essential tools for successfully recruiting and enrolling a desirable mix of students for their

institutions This handbook has been prepared by the foremost leaders in the college admissions profession under the auspices of the American Association of Registrars and Admissions Officers Topics include the dilemma of quantity versus quality in admissions recruiting understanding enrollment management marketing strategies the role of technology and student body diversity including international students Working with Lesbian, Gay, Bisexual, and Transgender College Students Ronni L. Sanlo, 1998-05-21 This handbook is intended for faculty and administrators who wish to create a welcoming and safe environment for all lesbian gay bisexual and transgender students on our campuses It will help readers even those who may struggle personally with understanding non heterosexual identities gain a clearer understanding of the important issues facing these students While some students arrive on campus with full clarity about their sexual identities others may just be discovering their orientations while in our institutions It is difficult to provide the attention LGBT students need if we do not understand the crises affecting them or how to address them Each chapter analyzes specific issues affecting these students and offers recommendations or suggestions for change Some of the areas discussed include identity development theories residence halls career planning health and counseling centers HIV AIDS and student leadership and organizational development Non heterosexual faculty and staff may also find this work useful as they attempt to discover themselves in academic and educational literature Lesbian gay bisexual and transgender students are on our campuses They are either discovering their orientations while in our institutions or arriving with full clarity about their sexual identities It is difficult to provide the attention these students need if we do not understand the issues or how to address them This handbook is a guide to providing services to lesbian gay bisexual and transgender students It is for all faculty and administrators especially those who may struggle personally with understanding non heterosexual identities who wish to create a safe and welcoming environment for all students Non heterosexual faculty and staff may also find this work useful as they attempt to discover themselves in academic and educational literature Each section presents an area in which questions usually arise Chapters within the sections dissect specific issues and where appropriate offer recommendations for change Some of those areas include identity development theories residence halls career planning health and counseling centers HIV AIDS students with disabilities same sex dating and domestic violence athletics fraternities student leadership speakers bureaus and safe zone programs commuter schools and church related institutions and Internet resources *Student Records Management* M. Therese Ruzicka, Henrienne K. Wakefield, Beth L. Weckmueller, 1997-12-09 Covering a wide range of issues pertaining to student records management this book will be of interest to both novices and seasoned professionals who work in a variety of offices at colleges and universities Admissions Records and Registration Enrollment Services Financial Aid Veteran Affairs International Students programs Athletics and Information Systems Chapters written by experts for the forward thinking higher education administrator cover ethical practice confidentiality of student information including in an electronic record keeping environment compliance with the Americans with Disabilities Act certification of

eligibility for veterans benefits unleashing human potential in the workplace training in an automated systems environment certification of academic eligibility for athletics participation disaster preparedness and recovery interpreting foreign academic credentials and the impact and use of technology in the management of records and provision of services to students **Resources in Education** ,2001-04 **Multiculturalism in the College Curriculum** Marilyn

Lutzker,1995-03-18 Emphasizing that diversity in the curriculum is as much about a way of thinking as it is about specific information Lutzker presents a compendium of innovative and practical classroom strategies and widely available information resources which will enable faculty to increase the multicultural content of their courses without necessarily making major changes in their accustomed methods of teaching This is a handbook for college faculty in all disciplines who would like to increase the multicultural content of their courses but have been reluctant to do so for a variety of reasons including an already overloaded syllabus a lack of background in the subject uncertainty about student reactions or lack of time to make substantial changes in an existing syllabus Administrators anxious to increase diversity in the curriculum of their institutions but unable to fund large scale curriculum revision projects will also find this volume useful Part I is concerned with classroom strategies and with student research projects Starting with discussions of objectives and priorities the underlying role of critical thinking and the importance of language sensitivity the book then describes specific classroom strategies useful for increasing diversity The subsequent chapters are devoted to discussions of general guidelines for developing student projects with a multicultural perspective innovative alternatives to the traditional term paper and suggestions for multicultural student projects which do not require library research Part I concludes with a discussion of possible student reactions to increased multiculturalism and suggested approaches to those reactions Part II is concerned with information resources which will be useful to instructors and to students Fully annotated lists are provided in a variety of areas including widely available primary sources specialized biographical directories sources for sample syllabi in all disciplines guides to ethnic and foreign press to films and videos and to electronic resources Part II concludes with a discussion designed to increase efficiency in using the library catalog to locate information in multicultural subject areas Appendices provide sample research worksheets a list of small publishers and distributors of multicultural books and an annotated bibliography *Bulletin of Bibliography* ,1997 **Handbook of Distance Education** Michael Grahame

Moore,William G. Anderson,2003-04-02 The second edition of this award winning book continues the mission of its predecessor to provide a comprehensive compendium of research in all aspects of distance education arguably the most significant development in education over the past quarter century While the book deals with education that uses technology the focus is on teaching and learning and how its management can be facilitated through technology This volume will be of interest to anyone engaged in distance education at either the K 12 or college level It is also appropriate for corporate and government trainers and for administrators and policy makers in all these environments *Collegiality and Service for*

Tenure and Beyond Franklin H. Silverman, 2003-11-30 This book candidly provides assistant professors and graduate students contemplating a career in academia with practical information that will facilitate their meeting collegiality and service expectations for promotion and tenure The focus is on meeting departmental and institutional expectations for collegiality and service While a superior record for collegiality and service are unlikely to compensate for a weak teaching or publishing record an inadequate record for one or both of these can result in denial of tenure and promotion Following the recommendations in this book can substantially increase the likelihood of meeting collegiality and service expectations
