Handbook Of Research Methods In Migration Elgar Original Reference:

Handbook of Research Methods in Migration Carlos Vargas-Silva, 2012-01-01 Covering both qualitative and quantitative topics the expert contributors in this Handbook explore fundamental issues of scientific logic methodology and methods through to practical applications of different techniques and approaches in migration research The chapters of this interdisciplinary Handbook maintain an introductory level of discussion on migration research methods while providing readers with references necessary for those wishing to go deeper into the topic Using a combination of concepts and techniques with research experiences from the field this Handbook will prove to be an invaluable guide Master level students and academics in migration related programs will find this compendium a useful and stimulating resource It also discusses issues relating to the collection of data on migrants including topics such as survey designs interviewing techniques and ethical issues that policymakers and government employees will find informative Advisory Board Professor Stephen Castles Professor Robin Cohen Professor Josh DeWind Professor Rael Delgado Wise [Handbook of Research Methods in Migration](#) William L. Allen, Carlos Vargas-Silva, 2024-10-03 In this thoroughly revised and updated second edition William Allen and Carlos Vargas Silva bring together a diverse range of experts to explore the latest research methods in migration studies taking stock of major changes that have been salient for migration research as well as the social sciences more broadly in the last decade Spanning a variety of different methodologies this second edition of the Handbook of Research Methods in Migration provides practical guidance on designing completing and communicating migration research considering diverse audiences including migrants themselves This title contains one or more Open Access chapters **The Peer Effect** Syed Ali, Margaret M. Chin, 2023-11-14 How the power of peers and peer culture shapes individual behavior and future success For decades parents across America have asked their kids If your friends jumped off a bridge would you The answer is Duh yes Peers as parents well know have a tremendous impact on who their kids are and what they will become And even while they insist otherwise parents know that they re largely powerless to change this But the effect of peers is not just a story about kids peers can also affect adult behavior they affect what we do and who we are well into old age Noted sociologists Syed Ali and Margaret M Chin call this the peer effect In their book they take readers on a tour of how our peers and the peer cultures they create shape our behavior in schools and the workplace Ali and Chin begin their look at the peer effect at the high school from which they both graduated New York City s prestigious Stuyvesant High School arguably the best public high school in the nation Through a fascinating and often humorous narrative they show how peers can influence each other in this case how highly motivated students can create a culture of influence to achieve success in learning and in admission to elite colleges They also show the many other ways that peers can influence one another beyond school performance from hookup culture to school bullying and youth suicide Ali and Chin are also interested in the extent to which the peer effect can last Through interviews with adult graduates of Stuyvesant they investigate the long lasting effects of

high school peer culture They also examine the peer effect in post high school settings notably around workplace misconduct including the steroid culture in baseball and the use of excessive force by the police The Peer Effect ultimately offers ways to understand the power of peer influence and apply this understanding to resolving issues regarding schools college graduation rates workplace culture and police violence In the tradition of big idea books like The Tipping Point The Peer Effect will forever change the way we look at the world of human behavior Routledge International Handbook of Migration Studies Steven J. Gold, Stephanie J. Nawyn, 2019-05-08 This revised and expanded second edition of Routledge International Handbook of Migration Studies provides a comprehensive basis for understanding the complexity and patterns of international migration Despite increased efforts to limit its size and consequences migration has wide ranging impacts upon social environmental economic political and cultural life in countries of origin and settlement Such transformations impact not only those who are migrating but those who are left behind as well as those who live in the areas where migrants settle Featuring forty six essays written by leading international and multidisciplinary scholars this new edition showcases evolving research and theorizing around refugees and forced migrants new migration paths through Central Asia and the Middle East the condition of statelessness and South to South migration New chapters also address immigrant labor and entrepreneurship skilled migration ethnic succession contract labor and informal economies Uniquely among texts in the subject area the Handbook provides a six chapter compendium of methodologies for studying international migration and its impacts Written in a clear and direct style this Handbook offers a contemporary integrated resource for students and scholars from the perspectives of social science humanities journalism and other disciplines **Qualitative Research in European Migration Studies** Ricard Zapata-Barrero, Evren Yalaz, 2018-06-19 This open access book covers the main issues challenges and techniques concerning the application of qualitative methodologies to the study of migration It discusses theoretical epistemological and empirical questions that must be considered before during and after undertaking qualitative research in migration studies It also covers recent innovative developments and addresses the key issues and major challenges that qualitative migration research may face at different stages i e crafting the research questions defining approaches developing concepts and theoretical frameworks mapping categories selecting cases dealing with concerns of self reflection collecting and processing empirical evidence through various techniques including visual data dealing with ethical issues and developing policy research dialogues Each chapter discusses relative strengths and limitations of qualitative research The chapters also identify the main drivers for qualitative research development in migration studies It is a unique volume as it brings together a multidisciplinary perspective as well as illustrations of different issues derived from the research experience of the recognized authors One additional value of this book is its geographic focus on Europe It seeks to explore theoretical and methodological issues that are raised by distinctive features of the European context This volume will be a useful reference source for scholars and professionals in migration studies and in social sciences as well The

publication is also addressed to graduate and post graduate students and more generally to those who embark on the task of doing qualitative research for the first time in the field of migration

Negotiating Domination Mohammed Hossain Sarker, 2025-11-01 This book explores the remarkable agency and resilience of live in women Migrant Domestic Workers MDWs By delving into the lived experiences of Bangladeshi women in the Saudi Arabian migration corridor it provides an insightful representation of the struggles and strategies employed by approximately 8 45 million women domestic workers globally Unlike traditional literature that underscores exploitation and forced labor this book uniquely captures the diverse strategies MDWs utilize to navigate and overcome the pervasive power asymmetries and constraints in their employment relationships Through detailed accounts of everyday resistance coping mechanisms persuasive tactics and small scale confrontations the book challenges prevailing perceptions and offers a fresh perspective on MDWs agency Drawing on the experiences of 50 returnee MDWs this comprehensive book is a vital resource for scholars researchers policymakers and development partners in migration studies It invites readers to rethink the conventional portrayal of MDWs acknowledging their strength and ingenuity in the face of adversity and offering a nuanced understanding of their complex realities

Marriage, Gender and Refugee Migration Natasha Carver, 2021-05-14 Winner of the 2022 BSA Philip Abrams Memorial Prize This ethical and poetic ethnography analyses the upheavals to gender roles and marital relationships brought about by Somali refugee migration to the UK Unmoored from the socio cultural norms that made them men and women being a refugee is described as making everything feel different mixed up upside down Marriage Gender and Refugee Migration details how Somali gendered identities are contested negotiated and re produced within a framework of religious and politico national discourses finding that the most significant catalysts for challenging and changing harmful gender practices are a combination of the welfare system and Islamic praxis Described as an important and urgent monograph this book will be a key text relevant to scholars of migration transnational families personal life and gender Written in a beautiful and accessible style the book voices the participants with respect and compassion and is also recommended for scholars of qualitative social research methods

Diaspora Networks in International Business Maria Elo, Indianna Minto-Coy, 2018-08-12 This contributed volume focuses on diasporans their characteristics networks resources and activities in relation to international business and entrepreneurship It presents

an overview of diaspora concepts from an economic perspective and analyzes the global economic and societal effects and mechanisms revealing both positive and negative aspects of diaspora activities Providing insights into the socio cultural influences it discusses diaspora entrepreneurship and international business the respective organisational models investments and business types Lastly it offers an assessment of managing diaspora resources and policymaking This book was created by an interdisciplinary team of editors co authors and reviewers including historians sociologists psychologists linguists and ethnologists as well as experts in public policy international business marketing and entrepreneurship This unique team many of the authors are themselves diasporans with an extensive understanding of their topic provides the first global academic platform on the subject combining the latest empirical evidence from developing emerging transitional and developed countries with various combinations of diaspora flows that to date have received little attention

Institutional Disrespect Ibolya Losoncz, 2019-06-24 This book is about the institutional disrespect experienced by refugee immigrants at the hands of the state and its institutions The desire to be treated respectfully is not felt only by refugees but they are a much higher risk of not receiving it Using a case study of recently settled South Sudanese Australians the author uncovers the social realities of their marginalisation and examines how blocked pathways to cultivate collective and self identities can lead to a breakdown of social bonds between immigrants and social institutions Institutional Disrespect invites us to take a fresh look at whose responsibility it is to address the disrespect felt by immigrants and other marginalised groups and argues that when disrespect is systemic in governance arrangements or comes in the forms of injustice and institutional mistreatment the responsibility lies not with individuals but with the state its institutions and its appointed bureaucrats

Transformative Consumer Research for Personal and Collective Well-Being David Glen Mick, Simone Pettigrew, Cornelia (Connie) Pechmann, Julie L. Ozanne, 2012-01-26 Daily existence is more interconnected to consumer behaviors than ever before encompassing many issues of well being Problems include unhealthy eating credit card mismanagement alcohol tobacco pornography and gambling abuse marketplace discrimination and ecological deterioration as well as at risk groups who are impoverished impaired or elderly Opportunities for well being via consumer behaviors include empowerment via the Internet product sharing leisure pursuits family consumption and pro environmental activities among others In 2005 the Association for Consumer Research launched Transformative Consumer Research TCR Its mission is to foster research on quality of life that is both rigorous and applied for better assisting consumers their caregivers policy administrators and executives This edited volume includes 33 chapters on a wide range of topics by expert international authors All royalties from sales of this book are donated to the Association to support TCR grants

Recentering Tourism Geographies in the 'Asian Century' Harng Luh Sin, Mary Mostafanezhad, Joseph M. Cheer, 2022-04-19 This book considers what the transition into the Asian Century means for some of the most urgent issues in the world today such as sustainable development human rights gender equality and environmental change The book critiques Anglo Western centrism in tourism

theory and calls on tourism scholars to make radical shifts toward more inclusive epistemology and praxis From the British Century of the 1800s to the American Century of the 1900s to the contemporary Asian Century tourism geographies are deeply entangled in broader shifts in geopolitical power In the shadow of the COVID 19 pandemic the significance of shifts in tourism geographies and the themes addressed in this volume are more urgent than ever That the world faces increasing turmoil is abundantly clear Yet amidst the disruption to the everyday it is hope and compassion but also political economic restructuring that is needed to reset the tourism industry in more sustainable equitable and ethical directions In no uncertain terms the pandemic has forever changed the tourism industry as the world once knew it This book therefore sets out to collectively build on the momentum of the inclusive scholarship that Critical Tourism Studies Asia Pacific is renowned for while also asking readers to pause and reflect on the possibilities and challenges of tourism in a post pandemic Asian Century The chapters in this book were originally published as a special issue of the journal Tourism Geographies

Africans on the Move Fassil Demissie, 2016-03-17 The 20th century witnessed the large scale displacement and dispersal of populations across the world because of major political upheavals among them the two European wars decolonization and the Cold War These major events were followed by globalization which accelerated free trade and the mobility of capital new technologies of communication and the movement of people commodities ideas and cultures across the world This book explores the complexity of African migration and diaspora the discourse of diaspora engagement and new models of citizenship and transnationalism in the context of these issues This book was originally published as a special issue of African and Black Diaspora An International Journal
