Hired Paths To Employment In The Social Media Era:

Hired! Al Cole, 2014-03-04 *HIRED Paths to Employment in the Social Media Era* is an extensive look at the steps today's job seeker should take to secure employment in the social media era. It is based on the experiences the two co-authors have encountered over the past 4 years speaking to and coaching thousands of job seekers. Unlike so many published books claiming that there are only one or two effective ways to get a job, *HIRED* presents a multi-faceted approach utilizing a myriad of tools. Each of these methods is discussed and explained so they can be implemented effectively, positioning you to secure a new position in the shortest period of time. **HIRED! Paths to Employment in the Social Media Era** Jeff

Sheehan, Alfred M. Smith, 2014-07-15 *HIRED Paths to Employment in the Social Media Era* is a 300 page plus look at the steps today's job seeker should take during their job search to secure employment in the social media era. Unlike so many published books claiming that there are only one or two effective ways to get a job, *HIRED* presents a multi-faceted approach utilizing a myriad of tools. Each of these methods is discussed and explained so they can be implemented effectively, positioning you to secure a new position in the shortest period of time. The book covers a myriad of topics designed to accelerate the search. These include use of personal assessments, keywords and Boolean searches, personal branding, use of job boards, targeting of positions and companies, resumes, Social Media including Google About me, LinkedIn, Twitter and Facebook, campaign maximization, interviews, alternatives to traditional jobs and the future. There is also in-depth coverage of the enormous Hidden Job Market, which is an area that is often overlooked but where a majority of jobs actually exist. What's more, *HIRED* gives real-life examples of successful methods and demonstrates how the candidate can incorporate them into a marketing campaign similar to the launch of any Branded product. Unlike other books in the job search and career area, *Hired* is an easy read and filled with real-life examples and advice from leading experts. It is based on the experiences the two co-authors have encountered over the past 4 years speaking to and coaching thousands of job seekers. Reader's Comments: If candidates used *HIRED* as a guideline, it would be much easier to place them appropriately. Jay Boylan, Recruiter. *HIRED* is amazingly detailed; if there is a category of the job search you haven't hit, I sure don't know what it is. I think the most interesting component for a lot of people would be the methods of standing out in a process that is computerized and structured to reject most applicants without really looking at them. Newspaper Reporter, Name withheld by request. Every person looking for a new job for any reason must read *HIRED*. Jonathan Harris: there is not one way of finding a job. It has to be a good fit for you. *Hired* provides options to consider. Monica Vincent: As a life-long recruiter, even I was amazed by all the common-sense methods for getting noticed and getting found. *HIRED* misses nothing. Lisa Sisson, Recruiter. *Family Entrepreneur* Fred Dawkins, 2014-10-10: A course in family business entrepreneurship taught through a narrative about four frustrated people taking a seminar that changes their lives. Limited time offer. In the second book in the *Entrepreneurial Edge* series, frustrated individuals immersed in family businesses enroll in a two-week course on entrepreneurship that will change

their lives For ten years Mary has been an office manager at her brother s business only to see her younger brother join the company and receive shares while she gets none Plagued by doubts about her ability to change the culture in the family business or succeed outside it Mary signs up for a seminar series on family entrepreneurship A crusty mentor named Sam conducts the seminars in a class that includes three others a son considering taking over a family business the owner of a successful company involving her two daughters and a man with a stormy working relationship with his sister The narrative brings us right into the class as Sam cleverly leads all of us to decisions about our future Anyone interested in entrepreneurship starting a business or just managing their career will benefit from the shared experiences of this compelling story Watch for Ageless Entrepreneur arriving May 2015 *Skills, Creativity and Innovation in the Digital Platform Era* Seppo Poutanen, Anne Kovalainen, 2023-05-12 Skills Creativity and Innovation in the Digital Platform Era Analyzing the New Reality of Professions and Entrepreneurship brings together two important areas the separate research topics of professions platforms and entrepreneurship and the various dimensions of what platformization means to work and to professions in contemporary societies One of the most noteworthy global aspects in current societies is the intensifying presence of technology to the extent that we can talk about the omnipotence of technologies a kind of technological imperative that prevails in societies This new type of technological imperative emerges in the working lives of practicing professionals from medical doctors to lawyers and from teachers to preachers Platforms have become a powerful actor as enablers and reorganizers of work creating new types of inequalities but also expanding the market relations for new professions such as social influencers How do platforms govern and shape work and lead to new questions concerning organizing of work and professions These are few of the key questions Poutanen and Kovalainen explore in this profound and insightful book *People Analytics in the Era of Big Data* Jean Paul Isson, Jesse S. Throwing Stones in a Glass House: A career battling avalanches in Little Cottonwood Canyon Liam Fitzgerald, 2022-12-15 This is the story of Liam Fitzgerald who as a young man in the late 1960s more or less stumbled into the exciting and often hazardous life of an avalanche worker His attraction to this line of work led him to Little Cottonwood Canyon in Utah's Wasatch Mountains the birthplace of Avalanche Control and Forecasting in North America There he landed a job as a Ski Patroller at the soon to open super resort of Snowbird a new generation ski area that would soon become synonymous with deep snow and steep terrain just as the ski industry in the US was really about to take off Following a rough start to the resort's inaugural season Liam was abruptly elevated to the position of Snow Safety Director the person responsible for the avalanche program at the fledgling ski area after the first few weeks of operation He found himself in an environment notorious for large and deadly avalanches that threatened not only the skiers flocking to the resort's snow covered slopes but also to motorists traveling along the canyon highway guests staying at the hotels and lodges and local residents who called the canyon home As he would quickly come to understand in Little Cottonwood Canyon avalanches can often be the most important thing in everyone's life Ready or not he was thrown into the fray and quickly realized he had a lot to learn in a short period of time For nearly fifty years Liam negotiated a capricious landscape of snow and avalanches aware of his considerable responsibility learning as he went in an era that not only witnessed explosive growth in the ski industry but also in the number of people willingly putting themselves at risk with their voracious attraction to deep snow and steep terrain But it was also an era of tremendous advancement in the field of avalanche research avalanche forecasting and avalanche

control when the level of knowledge and understanding of snow and avalanches increased exponentially This was an exciting time to be an avalanche guy and Little Cottonwood Canyon was arguably one of the best places in the world to follow that pursuit This is a story about learning from one's mistakes about friendship and camaraderie about exciting times interspaced with moments of fear and on occasion sorrow But above all it's a story of a rather regular person who was lucky enough to have a unique job in a very special place

Social Media and Ordinary Life Cara Wallis, 2025-04-29 How Chinese citizens use social media Focusing on domestic workers rural microentrepreneurs disadvantaged young creatives and young feminists Social Media and Ordinary Life is a deeply moving ethnography of how digital media infrastructures and platforms are woven into the rhythms of ordinary everyday life In choosing to foreground marginalized groups and communities Cara Wallis gently shifts our attention away from the world of social media influencers and tech centric discourses of entrepreneurial lives towards a decidedly ambivalent terrain of routine life practices Social Media and Ordinary Life argues that understanding these individual experiences of the everyday enables greater insight into larger transformations taking place in contemporary China Through long term ethnographic fieldwork across China Wallis foregrounds the entanglement of affect emotion ordinary ethical decisions and desires connected to social media as it is used for self expression self representation fights for equality maintenance of community and economic livelihood Four case studies show how social media is integrated into the articulation of affects by a wide variety of ordinary Chinese subjects disadvantaged young creatives who migrate to Beijing from rural areas and use social media to cultivate their personal aesthetics micro entrepreneurs in rural Shandong province especially women whose affective ties to the patriarchal family constrain their use of technology for economic enhancement

domestic workers all women in urban homes who use social media to build community and construct themselves as ethical subjects and young feminists spread across China who engage in various types of cultural production and deploy social media in their fight for gender equality often facing social and or political marginalization in the process Amid daunting forces big data artificial intelligence massive surveillance this book centers the small showing how structural inequality the urban rural divide patriarchal gender norms and generational differences lead to contradictory or ambivalent outcomes of technology use Even so for these individuals and many others social media is deeply intertwined with aspirations for a better future
