Hispanic Nation Culture Politics And The Constructing Of Identity:

Hispanic Nation Geoffrey E. Fox, 1996 A new ethnic identity is being constructed in the United States the Hispanic nation Overcoming age old racial regional and political differences Americans of Mexican Puerto Rican Cuban and other Spanish language origins are beginning to imagine themselves as a single ethnic community which by the turn of the century may become the United States largest and most influential minority Only in recent years have great numbers of Hispanics begun to consider themselves as related within a single culture Hispanics are redefining their own images and agendas shaping a population and paving wider pathways to power In the process they are changing both themselves and the culture government and urban habits of the communities around them In this ground breaking book Geoffrey Fox shows how and why Hispanics are changing the United States Based on interviews observations and extensive research *Hispanic Nation* examines why such diverse people are imagining themselves as one the politics of turning a statistical fiction into a social reality the impact of the Spanish language media on Hispanics self images ethnic consciousness and political movements Cesar Chavez and the farm workers movement the Young Lords and La Raza Unida Puerto Rican and Mexican encounters in the Midwest controversies surrounding high and popular Hispanic Latino art music and literature and the institutionalization of the movement everywhere from local school boards to the U S Congress *The Columbia History of Latinos in the United States Since 1960* David Gregory Gutiérrez, 2004 Offers a comprehensive historical overview of the Latinization of the United States that has occurred over the past four decades Brings together the views of some of the foremost scholarly interpreters of the recent history of Latinos in the United States *The Mass Media and Latino Politics* Federico Subervi-Velez, 2009-03-04 The Latin American population has become a major force in American politics in recent years with expanding influences in local state and national elections The candidates in the 2004 campaign wooed Latino voters by speaking Spanish to Latino audiences and courting Latino groups and PACs Recognizing the rising influence of the Latino population in the United States Federico Subervi Velez has put together this edited volume examining various aspects of the Latino and media landscape including media coverage in English and Spanish language media campaigns and survey research *Lydia Cabrera and the Construction of an Afro-Cuban Cultural Identity* Edna M. Rodríguez-Plata, 2005-11-16 Lydia Cabrera 1900 1991 an upper class white Cuban intellectual spent many years traveling through Cuba collecting oral histories stories and music from Cubans of African descent Her work is commonly viewed as an extension of the work of her famous brother in law Cuban anthropologist Fernando Ortiz who initiated the study of Afro Cubans and the concept of transculturation Here Edna Rodríguez Mangual challenges this perspective proposing that Cabrera s work offers an alternative to the hegemonizing national myth of Cuba articulated by Ortiz and others Rodríguez Mangual examines Cabrera s ethnographic essays and short stories in context By blurring fact and fiction anthropology and literature Cabrera defied the scientific discourse used by other anthropologists She wrote of Afro Cubans not as objects but as subjects and in her writings

whiteness instead of blackness is gazed upon as the other As Rodriguez Manguel demonstrates Cabrera rewrote the history of Cuba and its culture through imaginative means calling into question the empirical basis of anthropology and placing Afro-Cuban contributions at the center of the literature that describes the Cuban nation and its national identity
