Historia Crica Literatura Espanola Classic:

Circa 1492 Isaac Benabu,1992 At the time of planning the colloquium from which these studies proceed the guiding idea was to convene Hispanists Hebraists and Arabists of international repute who had traditionally worked within the confines of their own fields of research and whose work spanned the areas of learning in which Jews were active from the so called Golden Age of Spanish Jewry to the Expulsion and its aftermath hence the title of this volume This book only purports to scrape the tip of the iceberg of new investigations of circa 1492 but if it encourages further excavation in a similar spirit then its aims have been fulfilled **Spanish Society, 1400-1600** Teofilo F Ruiz,2014-09-11 Spanish Society depicts a complex and fascinating country in transition from the late Middle Ages to modernity It describes every part of society from the gluttonous nobility to their starving peasants Through anecdotes a lively style and portraits of figures such as St Teresa of Avila and Torquemada the book reflects the character and humour with which the common Spaniard endured an often wretched lot Beginning with a description of the geography political life and culture of Spain from 1400 to 1600 the unfolding narrative charts the country s shifts from one age to the next It unveils patterns of everyday life from the court to the brothel from the haves of the aristocracy and clergy to the have nots of the peasantry and the urban poor Historical records illuminate details of Spanish society such as the transition from medieval festivities to the highly scripted spectacles of the early modern period the reasons for violence and popular resistance and the patterns of daily living eating dressing religious beliefs and concepts of honour and sexuality This compelling account includes historical examples and literary extracts which allow the reader direct access to the period From the street theatre of village carnivals to the oppressive Spanish Inquisition it gives an abiding sense of Spain in the making and renders vivid the colours of a passionate history
