Historic Scotland A Voyage Through The Centuries:

Historic Scotland Brian C. Mack, Karol K. Mack, 2010-08-31 Artist and author travel Scotland in the footsteps of Boswell, Daniel Martin Pennant, Johnson, and Defoe. In the summer of 1998, Brian C. Mack set out to explore Scotland. The visit became the first of five ensuing tours that roughly traced the routes of past explorations through Scotland. The Mack tours took place in stages over ten years, from 1998 to 2008. Major landmarks, including castles, battlefields, and stone circles, were visited by both artist and author. The artist, Karol K. Mack, documented her travels with plein air on location paintings, photographs, and drawings that were later referenced to produce the finished works. The author completed on location research to place the artworks within their historical context. Twelve years later, over 120 paintings have been completed. The works found herein, along with the accompanying research document, the beauty and history of Scotland. Previous tours through Scotland, completed by artists and authors alike, provided the inspiration for the Mack tours. This book and fine art exhibition, both titled *Historic Scotland: A Voyage Through the Centuries*, are the result of their efforts. Castles of Scotland C.J.

Tabraham, 2005-08-25 This book is a must for all those fascinated by Scotland's culture, history, and heritage. Scotland's breathtaking countryside is studded with ancient castles, and many have stood strong for more than a millennium, each bearing witness to the rich and often bloody history of a nation that has survived generations of attacks from marauding invaders from every point of the compass. Scottish castles were not just fortresses in times of conflict; they were central to the lives of many Scots of all social stations through peacetime as well as war. Castles were their work place, home, army barracks, law court, prison, hotel, place of entertainment, place of worship, and even their place of execution. This book charts the history of the Scottish people through these ancient buildings and reveals the human aspect of the Scottish castle that is rarely glimpsed in other history books.

The History Behind Game of Thrones David C. Weinczok, 2019-02-18 The true history behind the hit HBO fantasy show and George R. R. Martin's bestselling *Fire and Ice* series. A wall in the distant north cuts the world in two. Ruthless sea-born warriors raid the coasts from their war galleys. A young nobleman and his kin are slaughtered under a banner of truce within a mighty castle. A warrior king becomes a legend when he smites his foe with one swing of his axe during a nation-forging battle. Yet this isn't Westeros; it's Scotland. *Game of Thrones* is history reimagined as fantasy. *The History Behind Game of Thrones* turns the tables, using George R. R. Martin's extraordinary fictional universe as a way to understand the driving forces and defining moments from Scotland's story. Why were castles so important? Was there a limit to the powers a medieval king could use or abuse? What was the reality of being under siege? Was there really anything that can compare to the destructive force of dragons? By joining forces, Westeros and Scotland hold the answers. Writer and presenter David C. Weinczok draws on a vast array of characters, events, places, and themes from Scottish history that echo *Game of Thrones* at every dramatic turn. Visit the castle where the real Red Wedding transpired, encounter the fearsome historical tribes beyond Rome's great wall, learn how a blood-red heart became the most feared sigil in Scotland, and much

more By journey s end the cogs in the wheels of Martin s world and Scottish history will be laid bare as well as the stories of those who tried to shape and sometimes even break them Military History of Scotland Edward M.
