Historical Dictionary of Paraguay R. Andrew Nickson,2015-06-17 Land locked Paraguay is one of the smaller nations of Latin America whose global image is now changing very rapidly In the process the tired stereotype of a forgotten country comprising only military dictators Nazis and steam trains is being rapidly discarded Indeed Paraguay is now no longer off the map and its unique history is attracting growing interest This third edition of Historical Dictionary of Paraguay covers its history through a chronology an introductory essay appendixes and an extensive bibliography The dictionary section has over 1000 cross referenced entries on important personalities politics economy foreign relations religion and culture This book is an excellent access point for students researchers and anyone wanting to know more about Paraguay Historical Dictionary of the United States Kenneth J. Panton,2022-08-23 The evolution of the United States from a late 18th century coalition of rebel British colonies to a 21st century global superpower was shaped by several forces As the nation expanded its boundaries after the Treaty of Paris confirmed independence from Great Britain in 1783 it acquired a rich variety of resources coal fertile soils forests iron ore oil precious metals space and varied climates as well as extensive tracts of territory Technological innovations such as the cotton gin and steam power enabled entrepreneurs to exploit those resources and create wealth Federal and state legislators provided environments in which the economy could flourish and military strategists kept the country safe from external attack Diplomats negotiated commercial agreements with foreign governments and cultivated multinational alliances that strengthened freedoms Through its focus on the people and places that shaped the country s economic and political development and its detailed accounts of the processes that enabled the U S to expand across the continent Historical Dictionary of the United States contains a chronology an introduction and an extensive bibliography The dictionary section has more than 400 cross referenced entries on important personalities as well as aspects of the country s politics economy foreign relations religion and culture This book is an excellent resource for students researchers and anyone wanting to know more about the United States Historical Dictionary of Venezuela Tomás Straka,Guillermo Guzmán Mirabal,Alejandro E. Cáceres,2017-12-06 Venezuela is the seventh largest oil producer and holder of the largest proven reserves in the world It s also a country full of problems as evidenced by having the biggest inflation rates and by some estimates the highest crime rates worldwide Despite having an oil boom between 2004 through 2008 with income of around two billion dollars in 2016 it suffered an immense economic contraction and probably the largest supply shortcut crisis in its history This third edition of Historical Dictionary of Venezuela contains a chronology an introduction appendixes and an
