## **Historical Dictionary Of Modern Spain 1700 1988:**

**Historical Dictionary of Modern Spain, 1700-1988** Robert W. Kern, Meredith D. Dodge, 1990-02-21 This new reference work on Spain could serve as a model for other historical dictionaries Among its winning features are the fact that it treats a topic on which there has not been a single general reference work in this century and that it has an experienced editor who is a noted scholar in his own right a first rate cast of international contributors a judicious choice of entries a consistent style a superior bibliography and a good index Reference Books Bulletin Historians face a number of challenges in interpreting the complexities of modern Spanish history With few authoritative works available in the field the Historical Dictionary of Modern Spain 1700 1988 fills the need for a comprehensive reference and summarizes the work of a new generation of Spanish research It is unique in its wealth of detail from the eighteenth century to the late twentieth and in offering on some topics the only thorough discussion available in English Kern has included six major areas of Spanish history in this volume political governmental diplomatic institutional cultural social and military Several maps illustrations and tables enhance the entries prepared by some seventy scholars from the United States Canada Britain Spain and Latin America From the War of Spanish Succession to the role of Juan Carlos the Dictionary features the latest historiographic interpretations and data The alphabetical listings are cross referenced to related topics and a timeline is provided to establish basic chronology The bibliography includes the more important works on the period since 1700

**Historical Dictionary of Spain** Angel Smith, 2017-12-29 Following Spain's transition to democracy in the 1970s the country experienced rapid economic modernization the establishment of a functioning liberal democracy and a cultural renaissance Along with rising living standards over the following thirty years ordinary Spaniards experienced massive improvements in the road and rail networks in local amenities from sporting facilities to centers for the aged and in the public health system As a result by the start of the 20th century Spaniards had largely overcome any sense of inferiority in comparison with other major western European countries and the United States However Spain was hit by a severe economic recession between 2008 and 2011 and unemployment levels are still very high Moreover a large number of corruption cases have come to light and tensions between the central government and Catalan autonomous government have burst into open conflict Restructuring the Spanish economy ensuring probity in public life and accommodating Catalonia within the Spanish state are therefore key tasks in the decade the lies ahead This third edition of the Historical Dictionary of Spain contains a chronology an introduction appendixes and an extensive bibliography The dictionary section has more than 700 cross referenced entries on important personalities as well as aspects of the country's politics economy foreign relations religion and culture The book is an excellent resource for students researchers and anyone wanting to know more about Spain

**A History of Latin America to 1825**, 2009-12-21 The updated and enhanced third edition of A History of Latin America to 1825 presents a comprehensive narrative survey of Latin American history from the region's first human presence until the majority of

Iberian colonies in America emerged as sovereign states c 1825 This edition features new content on the history of women gender Africans in the Iberian colonies and pre Columbian peoples Includes more illustrations to aid learning over 50 figures and photographs several accompanied by short essays Concentrates on the colonial period and earlier expanding coverage of the period and incorporating more social and cultural history with the political narrative Part of The Blackwell History of the World Series The goal of this ambitious series is to provide an accessible source of knowledge about the entire human past for every curious person in every part of the world It will comprise some two dozen volumes of which some provide synoptic views of the history of particular regions while others consider the world as a whole during a particular period of time The volumes are narrative in form giving balanced attention to social and cultural history in the broadest sense as well as to institutional development and political change Each provides a systematic account of a very large subject but they are also both imaginative and interpretative The Series is intended to be accessible to the widest possible readership and the accessibility of its volumes is matched by the style of presentation and production *King of the Mountain* Arnold M. Ludwig, 2002-01-01 People may choose to ignore their animal heritage by interpreting their behavior as divinely inspired socially purposeful or even self serving all of which they attribute to being human but they masticate fornicate and procreate much as chimps and apes do so they should have little cause to get upset if they learn that they act like other primates when they politically agitate debate abdicate placate and administrate too from the book *King of the Mountain* presents the startling findings of Arnold M Ludwig s eighteen year investigation into why people want to rule The answer may seem obvious power privilege and perks but any adequate answer also needs to explain why so many rulers cling to power even when they are miserable trust nobody feel besieged and face almost certain death Ludwig s results suggest that leaders of nations tend to act remarkably like monkeys and apes in the way they come to power govern and rule Profiling every ruler of a recognized country in the twentieth century over 1 900 people in all Ludwig establishes how rulers came to power how they lost power the dangers they faced and the odds of their being assassinated committing suicide or dying a natural death Then concentrating on a smaller sub set of 377 rulers for whom more extensive personal information was available he compares six different kinds of leaders examining their characteristics their childhoods and their mental stability or instability to identify the main predictors of later political success Ludwig s penetrating observations though presented in a lighthearted and entertaining way offer important insight into why humans have engaged in war throughout recorded history as well as suggesting how they might live together in peace *Spain in International Context, 1936-1959* Christian Leitz, David Dunthorn, 1999-09-01 This collection of articles covers a crucial period of Spain s history from the rise of Franco to the crucial Stabilization Plan of 1959 Separated into four chronologically divided sections it focuses largely on the international reactions to and the involvement of other powers in the Spanish Civil War including an examination of French and British reactions to the situation in Spain and Soviet German and Italian involvement and the period of the Second World

War with a particular focus on Spain's relations to the Axis and Vichy France especially during the period of 1940-41 when a Spanish entry in to the war was most likely The fate of the Spanish refugees and exiles in Britain and France is also highlighted as is Spain's international position in the aftermath of the Second World War and particularly the attitude of the former Allies Britain France the Soviet Union and the USA The volume ends with Spain's response to the unfolding economic co operation and integration in Western Europe

**Reference Sources in History** Ronald H. Fritze, Brian E. Coutts, Louis A. Vyhnanek, 2004-03-09 Fully annotated and completely updated the most comprehensive guide to reference books in the field of history Reference Sources in History catalogs atlases encyclopedias dictionaries handbooks sourcebooks bibliographies and chronologies and makes sense of it all Its broad scope and systematic organization make it an accessible reliable resource for experienced and inexperienced researchers alike Fully annotated and updated the new edition summarizes hundreds of reference works on every conceivable subject in history from ancient to modern from Afghanistan to Zimbabwe This edition also reflects the dramatic impact of the digital revolution on historical research by integrating a wide range of Internet and CD ROM sources Reference Sources in History is a time saving alternative to searching the reference stacks or getting lost in an online thicket of dubious historical websites

**Iberia and the Mediterranean World of the Middle Ages, Volume II** Kagay, Padilla, Paul Chevedden, 2021-09-20 Brill's series The Medieval Mediterranean has established itself as the main forum for studies exploring all aspects of the Mediterranean world during a period of 1000 years In the medieval period the Mediterranean experienced a multiplicity of developments in social political and economic structures and in populations religions and cultures The centuries between the Late Roman world of the fourth and fifth century and the early modern Braudelian Mediterranean of the sixteenth century were characterised by sweeping changes including the establishment of post Roman kingdoms in the west the emergence of Slav societies in the Balkans the struggle between Christians and Muslims in Spain and the movement of crusaders Founded in 1993 The Medieval Mediterranean series reflects the complexity of this period with a wide variety of high quality scholarly works from broad surveys to diachronic studies of particular areas or cities investigations of individual themes or issues conference proceedings text editions and fully annotated translations Top specialists in a range of fields have contributed to the series and the volumes which have appeared so far have been warmly welcomed by reviewers This series is indispensable for readers with interests in the history of later antiquity the Middle Ages Byzantium Islam the Balkans and the Black Sea area Publication schedule At present 3 volumes of around 350 pages each are published in the series each year The vast majority of the books in the series are in the English language although works of outstanding quality in French or German may also be included Volumes contain illustrations and maps where appropriate

**The Origins of Bourbon Reform in Spanish South America, 1700-1763** A. Pearce, 2014-08-20 Integrating the political and governmental histories of Spain and the American colonies this book focuses on the political and governmental history of the Viceroyalty of Peru during the early Bourbon period and

provides a new interpretation of the period's broader significance within Spanish American history

**The Sacred in Twentieth-Century Politics** R. Griffin, R. Mallett, J. Tortorice, 2008-11-05 The emerging shape of the post Cold War world provides evidence that rather than diminishing the profound intersection of political ideology and religious forms of belief is an ever more potent force in world affairs This volume offers both theoretic underpinnings and a comparative analysis that elucidates this potent and dangerous phenomenon

**International Dictionary of Historic Places: Southern Europe** Trudy Ring, Robert M. Salkin, Sharon La Boda, 1995 First Published in 1996 Routledge is an imprint of Taylor Francis an informa company

**The Spanish-American War, 1898**, 1998 The paper focuses on the following questions concerning the Spanish American War SP WAR What were the causes of the SP War What strategic principles were applied in the SP War What influence did the strategic thinkers of the day have on the SP War What was the state of readiness of the combatants What was the effect of disparate technologies that were used in the SP War What was the nature of the ground campaign What effect did naval forces have on the strategic aspects of the war To what extent did the American ground and naval forces cooperate operationally and why was it necessary for them to do so How were IVjoint operations% coordinated What was the command structure Was there anything in the command structure that resembled our modern concept of joint command Was there any unity of command principle applied What were the strategic implications of the outcome of the war What effect did the SP War have on attempts to improve future readiness of American forces

*International Dictionary of Library Histories* David H. Stam, 2001-11-01 Following the format of Fitzroy Dearborn's highly successful International Dictionary of Historic Places and International Dictionary of University Histories the International Dictionary of Library Histories provides basic information for each institution location and holdings followed by an extensive 1 000 5 000 word essay on its history as well as a Further Reading list In addition the dictionary includes introductory articles on the history of various types of libraries and a library history in various regions of the world The dictionary profiles more than 200 institutions from around the world including the world's most important research libraries and other libraries with globally or regionally notable collections innovative traditions and significant and interesting histories The essays take advantage of the growing scholarship of library history to provide insightful overviews of each institution including not only the traditional values of these libraries but their innovations as well such as developments in automated systems and electronic delivery The profiles will emphasize the unique materials of research in these institutions archives manuscripts personal and institutional papers The introductory articles on types of libraries include topics ranging from theological libraries to prison libraries from the ancient to the digital An international team of more than 200 leading scholars in the field have contributed essays to the project

The Government and Politics of Spain Paul M. Heywood, 1995-08-16 Despite the widespread attention attracted by Spain's remarkable transition from General Franco's repressive dictatorship to a dynamic democracy this is the first comprehensive study in English of the new Spanish political system The book introduces the main institutions and features of

the contemporary Spanish state and assesses to what extent these still bear the imprint of the Francoist legacy Despite some remaining obstacles and difficulties Paul Heywood argues the country is now decisively in the political mainstream of the new Europe

*War, Government, and Society in the Medieval Crown of Aragon* Donald J. Kagay, 2024-10-28 The focus of this collection of articles by Donald J Kagay is the effect of the expansion of royal government on the societies of the medieval Crown of Aragon He shows how the extensive episodes of warfare during the 13th and 14th centuries served as a catalyst for the extension of the king's law and government across the varied topography and political landscape of eastern Spain In the long conflicts against Spanish Islam and neighbouring Christian states the relationships of royal to customary law of monarchical to aristocratic power and of Christian to Jewish and Muslim populations all became issues that marked the transition of the medieval Crown of Aragon to the early modern states of Catalonia Aragon and Valencia and finally to the modern Spanish nation

**Forty-Seventh Star** David V. Holtby, 2012-09-28 New Mexico was ceded to the United States in 1848 at the end of the war with Mexico but not until 1912 did President William Howard Taft sign the proclamation that promoted New Mexico from territory to state Why did New Mexico's push for statehood last sixty four years Conventional wisdom has it that racism was solely to blame But this fresh look at the history finds a more complex set of obstacles tied primarily to self serving politicians Forty Seventh Star published in New Mexico's centennial year is the first book on its quest for statehood in more than forty years David V Holtby closely examines the final stretch of New Mexico's tortuous road to statehood beginning in the 1890s His deeply researched narrative juxtaposes events in Washington D C and in the territory to present the repeated collisions between New Mexicans seeking to control their destiny and politicians opposing them including Republican U S senators Albert J Beveridge of Indiana and Nelson W Aldrich of Rhode Island Holtby places the quest for statehood in national perspective while examining the territory's political economic and social development He shows how a few powerful men brewed a concoction of racism cronyism corruption and partisan politics that poisoned New Mexicans efforts to join the Union Drawing on extensive Spanish language and archival sources the author also explores the consequences that the drive to become a state had for New Mexico's Euro American Nuevomexicano American Indian African American and Asian communities Holtby offers a compelling story that shows why and how home rule mattered then and now for New Mexicans and for all Americans

**Biography Index** Bea Joseph, 1990 A cumulative index to biographical material in books and magazines

**John Jay** Walter Stahr, 2005-03-15 A portrait of the first Chief Justice of the Supreme Court and president of the Continental Congress discusses his contributions to the early Republic during the Revolutionary War and the writing of the Constitution tracing his lesser known roles as the Secretary of Foreign Affairs and governor of New York 15 000 first printing

Bulletin Association for Spanish and Portuguese Historical Studies, 2000

To the Royal Crown Restored Diego de Vargas, 1995 A documentary account of the resettlement of New Mexico composed of journals and official government records from the late 17th century
