Lost Mills of Fulton County Lisa M. M. Russell, 2023-03-13 Labor conflicts arrests espionage it was all there at the once ubiquitous mills of Fulton County Employee records and snatches of paper prove workers spied on each other Company owners were paranoid about labor unions taking over Copious documentation unearthed here by author Lisa M Russell brings the workaday drama back to life These mills sustained families but exploitation was far from uncommon When mill workers finally went on strike there was hell to pay The company bosses yanked strikers from their shacks With the help of Governor Talmadge the National Guard arrested working women with their children They marched these criminals to a former WWI prisoner of war camp that once held enemy German soldiers Hard to believe this was happening in and around Atlanta in the early 1900s

Classics Edith Hall, Henry Stead, 2020-02-26 **A People's History of Classics** explores the influence of the classical past on the lives of working class people whose voices have been almost completely excluded from previous histories of classical scholarship and pedagogy in Britain and Ireland from the late 17th to the early 20th century This volume challenges the prevailing scholarly and public assumption that the intimate link between the exclusive intellectual culture of British elites and the study of the ancient Greeks and Romans and their languages meant that working class culture was a Classics Free Zone Making use of diverse sources of information both published and unpublished in archives museums and libraries across the United Kingdom and Ireland Hall and Stead examine the working class experience of classical culture from the Bill of Rights in 1689 to the outbreak of World War II They analyse a huge volume of data from individuals groups regions and activities in a huge range of sources including memoirs autobiographies Trade Union collections poetry factory archives artefacts and documents in regional museums This allows a deeper understanding not only of the many examples of interaction with the Classics but also what these cultural interactions signified to the working poor from the promise of social advancement to propaganda exploited by the elites to covert and overt class war **A People's History of Classics** offers a fascinating and insightful exploration of the many and varied engagements with Greece and Rome among the working classes in Britain and Ireland and is a must read not only for classicists but also for students of British and Irish social intellectual and political history in this period Further it brings new historical depth and perspectives to public debates around the future of classical education and should be read by anyone with an interest in educational policy in Britain today **Our Town**

Cynthia Carr, 2007-03-27 The brutal lynching of two young black men in Marion Indiana on August 7 1930 cast a shadow over the town that still lingers It is only one event in the long and complicated history of race relations in Marion a history much ignored and considered by many to be best forgotten But the lynching cannot be forgotten It is too much a part of the fabric of Marion too much ingrained even now in the minds of those who live there In **Our Town** journalist Cynthia Carr explores the issues of race loyalty and memory in America through the lens of a specific hate crime that occurred in Marion but could have happened anywhere Marion is our town America's town and its legacy is our legacy Like everyone in Marion Carr knew the basic details of the lynching even as a child three black men were arrested for attempted murder and rape and two of

them were hanged in the courthouse square a fate the third miraculously escaped Meeting James Cameron the man who d survived led her to examine how the quiet Midwestern town she loved could harbor such dark secrets Spurred by the realization that like her millions of white Americans are intimately connected to this hidden history Carr began an investigation into the events of that night racism in Marion the presence of the Ku Klux Klan past and present in Indiana and her own grandfather s involvement She uncovered a pattern of white guilt and indifference of black anger and fear that are the hallmark of race relations across the country In a sweeping narrative that takes her from the angry energy of a white supremacist rally to the peaceful fields of Weaver once an all black settlement neighboring Marion in search of the good and the bad in the story of race in America Carr returns to her roots to seek out the fascinating people and places that have shaped the town Her intensely compelling account of the Marion lynching and of her own family s secrets offers a fresh examination of the complex legacy of whiteness in America Part mystery part history part true crime saga *Our Town* is a riveting read that lays bare a raw and little chronicled facet of our national memory and provides a starting point toward reconciliation with the past On August 7 1930 three black teenagers were dragged from their jail cells in Marion Indiana and beaten before a howling mob Two of them were hanged by fate the third escaped A photo taken that night shows the bodies hanging from the tree but focuses on the faces in the crowd some enraged some laughing and some subdued perhaps already feeling the first pangs of regret Sixty three years later journalist Cynthia Carr began searching the photo for her grandfather s face [Manchester United 1907-11](#) Mark Metcalf,2014-06-15 A nostalgic examination of the first truly great period of Manchester United s illustrious history [Antiquarian Book Monthly Review](#) ,1974 [History Teacher's Magazine](#) ,1911
