History Of Western Philosophy The Facts On File Guide To Philosophy:

Inspired Beauty Silas C. Wolfe, 2025-01-31 At the beginning of time the Aryan race was a beautiful race of beings from heaven that came to Earth and illuminated as sun gods upon the Earth Through the thousands of years here on Earth the Aryan descendants were men of great stature building and ruling over many great civilizations where many tribes idolized their gods for their supernatural abilities and told many great stories about them In Ancient Greece the Greeks revered the Olympian gods for their immortal powers as well as their beauty imitating them in many forms of poetry sculptures paintings architecture philosophy which brought forth the main philosophical theme during Westernization that beauty was defined by nature whatever appeared beautiful on the outside was considered morally good based on a person's outer appearance During the eighteenth century racial science took shape stating that people of European stock were more superior to others and this became accepted in the Eastern and Western worlds Then in the early nineteenth century Nazi Germany rose to power adopting Darwin's theories on race confirming that the aesthetic appeal of the Aryan race was superior above all other races on Earth Today in the twenty first century Westernization's influence can be seen throughout the world through movie screens television advertisements and magazines showing the average good looking person as tall and thin with a narrow shaped face fair complexion fair hair and light eyes

Chasing Davis James Luce, 2012-03-22 When author James Luce was a boy his father once summarized his moral philosophy of life in one sentence Your rights end at the tip of my nose Many years later after embarking on his own voyage of reflection Luce finally understood his father's words In *Chasing Davis* he shares a set of unique ethical tools and blueprints that can be conceived and implemented by either societies or individuals ultimately creating a moral life solely guided by logic and science rather than superstition or belief in divine guidance Luce believes it is time for a new genesis of moral living He relies on several decades of research and contemplation as well as ancient and newly acquired wisdom as he carefully examines the difference between good and evil the importance of self awareness and the reasons that morality is not dependent upon the existence of any god Seekers of the truth and new ideas will learn the meaning and consequences of perception as well as how to train ourselves to think more productively and morally and why laws government and religions are symptoms of our immorality *Chasing Davis* provides a practical objective set of behavioral and cognitive guidelines that will help anyone live a moral life regardless of individual cultural religious or philosophic antecedents
