A History of the Class of '79 Yale University. Class of 1879, 1906      **History of the Class of 1911, Yale College** Yale University. Class of 1911, 1911      **A History of the Class of Seventy-nine, Yale College** Frederick Wells Williams, 1906  
*The Urban Establishment* Frederic Cople Jaher, 1982      **Norman B. Ream** Paul Ryscavage, 2013 Norman Bruce Ream was born in southwestern Pennsylvania in 1844 the son of a farmer He exhibited a commercial sense but the Civil War interrupted his ambitions Wounded twice he returned home a hero After some unsuccessful business ventures out west he went to Chicago in 1871 and became a commission merchant in the Union Stockyards A few years later he moved uptown and traded grains and provisions in the pits of the Board of Trade Money poured in Indeed by 1886 he was a millionaire also married and the father of several children He started investing in real estate urban transit companies railroad stock and began consolidating and financing enterprises At century s end he was traveling to New York City impressing financiers like J Pierpont Morgan Indeed he helped Morgan put together the U S Steel Corporation and the International Harvester Company served on many boards and even advised Morgan during the panic of 1907 But life grew turbulent Public sentiment soured towards Wall Street and the wealthy This along with the presumed indiscretions of some of his children kept his name in the press He died in 1915 and gradually his life was forgotten      Chicago's Great Fire Carl Smith, 2020-10-06 A definitive chronicle of the 1871 Chicago Fire as remembered by those who experienced it from the author of *Chicago and the American Literary Imagination* Over three days in October 1871 much of Chicago Illinois was destroyed by one of the most legendary urban fires in history Incorporated as a city in 1837 Chicago had grown at a breathtaking pace in the intervening decades and much of the hastily built city was made of wood Starting in Catherine and Patrick O Leary s barn the Fire quickly grew out of control twice jumping branches of the Chicago River on its relentless path through the city s three divisions While the death toll was miraculously low nearly a third of Chicago residents were left homeless and more were instantly unemployed This popular history of the Great Chicago Fire approaches the subject through the memories of those who experienced it Chicago historian Carl Smith builds the story around memorable characters both known to history and unknown including the likes of General Philip Sheridan and Robert Todd Lincoln Smith chronicles the city s rapid growth and its place in America s post Civil War expansion The dramatic story of the fire revealing human nature in all its guises became one of equally remarkable renewal as Chicago quickly rose back up from the ashes thanks to local determination and the world s generosity As we approach the fire s 150th anniversary Carl Smith s compelling narrative at last gives this epic event its full and proper place in our national chronicle The best book ever written about the fire a work of deep scholarship by Carl Smith that reads with the forceful narrative of a fine novel It puts the fire and its aftermath in historical political and social context It s a revelatory pleasure to read Chicago Tribune      **Chicago and the Making of American Modernism** Michelle E.

Moore,2018-12-13 Chicago and the Making of American Modernism is the first full length study of the vexed relationship between America s great modernist writers and the nation s second city Michelle E Moore explores the ways in which the defining writers of the era Willa Cather Ernest Hemingway William Faulkner and F Scott Fitzgerald engaged with the city and reacted against the commercial styles of Chicago realism to pursue their own European influenced mode of modernist art Drawing on local archives to illuminate the literary culture of early 20th century Chicago this book reveals an important new dimension to the rise of American modernism      *Giant in the Shadows* Jason Emerson,2012-03-27 *Giant in the Shadows* is the definitive biography of Robert T Lincoln 1843 1926 the oldest son of Abraham and Mary Lincoln and their only child to live past age eighteen Emerson after nearly ten years of research draws upon previously unavailable materials to cover Robert Lincoln s entire life in detail      **King of the Gold Coast** Wayne Klatt,2011-07-22 Chicago s breathtaking Lake Shore Drive with its beaches and luxury homes has its origin in a neglected marsh and a clandestine land development Meet the uncrowned king of the disputed shore George Wellington Streeter the outlandish swindler unlikely hero and self proclaimed founder of the Gold Coast who tried to secede from the state of Illinois Opposing him was the quiet vision of Potter Palmer and the full weight of his investment syndicate With this keen piece of investigative history Wayne Klatt uncovers the secrets that both sides of the conflict managed to keep in spite of lawsuits state inquiries a presidential forgery and two murder trials

**A Catalog of Books Represented by Library of Congress Printed Cards Issued to July 31, 1942** ,1942      *Union League Club of Chicago Art Collection* Union League Club of Chicago,Marianne Richter,Wendy Greenhouse,2003      **Horse Racing the Chicago Way** Steven A. Riess,2022-06-08 Chicago may seem a surprising choice for studying thoroughbred racing especially since it was originally a famous harness racing town and did not get heavily into thoroughbred racing until the 1880s However Chicago in the late nineteenth and early twentieth centuries was second only to New York as a center of both thoroughbred racing and off track gambling Horse Racing the Chicago Way shines a light on this fascinating complicated history exploring the role of political influence and class in the rise and fall of thoroughbred racing the business of racing the cultural and social significance of racing and the impact widespread opposition to gambling in Illinois had on the sport Riess also draws attention to the nexus that existed between horse racing politics and syndicate crime as well as the emergence of neighborhood bookmaking and the role of the national racing wire in Chicago Taking readers from the grandstands of Chicago s finest tracks to the underworld of crime syndicates and downtown poolrooms Riess brings to life this understudied era of sports history      **A Catalog of Books Represented by Library of Congress Printed Cards.**

**Supplement: Cards Issued August 1, 1942--December 31, 1947** ,1948      **The Children of Athena** Thomas Goebel,1996 The rise of the professions is a ubiquitous feature of all modern industrial societies nowhere more so than in the United States But the historical investigation of the creation of a credentialed society still leaves much to be desired particularly with regard to the social history of the professions The book analyzes the background experiences and strategies

of lawyers physicians and engineers in Chicago between 1870 and 1920 Combining the extensive analysis of data on thousands of professionals with the examination of personal papers and professional journals the study reconstructs the contours of professional lives in the bustling Midwestern metropolis As the professions struggled to cope with the integration of a diverse membership and the effects of professional specialization they constructed occupational communities marked by highly salient boundary lines In creating a fundamentally new type of occupation backed by vocational titles expert knowledge and state licensing the American professions played a central role in the evolution of white collar work in modern America     *Chicago; a Personal History of America's Most American City* Finis Farr, 1973 Affectionate historical portrait of the nation's second city     Social Function and Profession Ira Jacob Fistell, 1967     National Union Catalog , 1978 Includes entries for maps and atlases     **New York Review of the Telegraph and Telephone and Electrical Journal** , 1912
