flexibility of those instruments that serve to create chronologies and scenarios as well as certain processes of adaptation of law to different times and into different spaces The spatiotemporal dynamism enables historians not only to detect new perspectives and dimensions in foregone themes but also to achieve new and compelling interpretations of legal history As far as the relationship between space and law is concerned the book analyses experiences in which space operates as a determining factor of law e g in terms of a field of action for law Moreover it outlines the attempted scales of spatiality in order to develop legal historical research With reference to the connection between time and law the volume sketches the possibility of considering the factor of time not just as a descriptive tool but as an ascriptive moment quasi an inner feature of a legal problem thus making it possible to appreciate the synchronic aspects of the juridical experience As a whole the volume aims to present spatiotemporality as a challenge for legal history Indeed reassessing the value of the spatiotemporal coordinates for legal history implies thinking through both the thematic and methodological boundaries of the discipline

The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a exceptional and suspenseful novel that will keep you wondering until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
