Lost And Found The Younger Unchurched And The Churches That Reach Them:

Lost and Found Ed Stetzer, Richie Stanley, Jason Hayes, 2009 A leading national church research expert shares his surprising findings about the younger unchurched audience ages 25 to 34 and the churches that have found a way to reach them

The Shape of Faith to Come Brad J. Waggoner, 2008-10-15 Various studies suggest Christians in North America are not qualitatively different in their character and practices than non believers While some churches are growing numerically many wonder to what impact Can we determine if our churches are producing Christians who look think and act like true followers of Jesus Christ In *The Shape of Faith to Come* research expert Brad J Waggoner and his team measure the beliefs and actions of 2 500 active Protestant churchgoers from across the country against seven key standards of Biblical spiritual formation Learning the truth Obeying God and denying self Sharing faith Serving God and others Exercising Biblical faith Building solid relationships Seeking God The findings reveal the current state and forecast of spiritual formation in the U S A Adding encouragement to his insights Waggoner calls all Christians to spiritual maturity and challenges church leaders to intentionally take up the mantle of making true disciples Endorsements Descriptive and prescriptive this work will be seen as one of the best books ever written on what is really taking place in the discipleship process of Christians Thom S Rainer coauthor of the 1 best seller *Simple Church* The elephant in the room of evangelicalism is the surprising lack of disciplined believers in all different kinds of churches We have produced a cafeteria Christianity rather than a robust orthodoxy and Jesus shaped spirituality In this challenging and disturbing book Brad Waggoner draws on twenty years of research in discipleship and spiritual formation to not just show us who we are but to point us to what we must do *The Shape of Faith to Come* will become a milestone as evangelicals begin to take discipleship seriously once again Ed Stetzer coauthor of *Lost and Found The Younger Unchurched and Churches that Reach Them* This book comes closer than any study with which I m familiar to providing an insightful and objective evaluation of the spiritual condition of the church in America Where is the church weak and where is she strong Some of the answers indicated by *The Shape of Faith to Come* may surprise you Donald S Whitney author of *Spiritual Disciplines for the Christian Life*

The Theology of Dallas Willard Gary Black, 2013-08-06 Evangelical Christianity in the United States is currently in a dramatic state of change Yet amidst this sometimes tumultuous religious environment a rather unique blend of both ancient and contemporary Christian theology has found its way into the hearts and minds of emerging generations of Christians *The Theology of Dallas Willard* both describes and conveys the essence of this increasingly popular and perhaps mediating view of the gospel of Jesus Christ Blending both a prophetic critique with pastoral encouragement Willard s unique understanding of the reality present within a life lived as a disciple of Jesus in the kingdom of God is attracting both new and traditional Christians to reconsider their faith

A Culture of Faith Sam Reimer, Michael Wilkinson, 2015-05-01 Many religious scholars have noted a decline in institutional forms of religion in Canada With fewer Canadians regularly attending church or following denominational proscriptions is institutionalized

religion becoming a thing of the past In *A Culture of Faith* Sam Reimer and Michael Wilkinson argue that evangelical Protestants continue to show strong allegiance to their congregations Through a national study including interviews with over five hundred pastors and an analysis of financial resources the authors argue that evangelical Protestant congregations demonstrate greater resiliency within a broader context of declining religiosity According to their findings weekly church attendance among evangelicals is substantially higher than the national average church attendees say they get significant enjoyment from their religious groups youth participation is high and evangelicals are more likely to volunteer While there may be signs of decline on the horizon Canadian evangelical congregations seem to remain vital at a time when most other Christian traditions are waning A clearly presented study of evangelical beliefs organizations leaders and finances *A Culture of Faith* reveals the current strength of evangelical Protestantism and its implications for the future of religion in Canada

Think Christianly Jonathan Morrow, 2011-11-01 *Think Christianly* is about seizing the opportunities we have every day to speak the life Jesus offers into our culture Tragically many such opportunities pass us by unclaimed either because we don't notice them or we have not prepared ourselves to enter into them And those around us seem to grow increasingly unwilling to hear anything the church has to say Jonathan Morrow helps church leaders envision and implement ways for their congregations to think Christianly about contemporary questions and to speak in informed engaging ways Morrow explores many of the important issues that Christians often hear raised with regard to faith questions about who Jesus was the good and bad of religion pain and evil in the world the reliability of the Bible sexuality and intimate relationships and hope for change among others The life and faith issues that *Think Christianly* addresses lead to cultural moments where Christianity and contemporary culture intersect This book will help churches take vital steps toward cultivating compassion and competence in speaking faithfully to a questioning world

Remember the Future Robert Schnase, 2012 Explore together how congregations can change to become more fruitful for the purposes of Christ *Remember the Future* Praying for the Church and Change prepares leaders of congregations and conferences for courageous new conversations with readings that draw us toward renewed vision cultivate hope and keep us attentive to the mission of Christ Read together as leadership teams boards and covenant groups to understand more clearly the why of congregational ministry and the internal resistances and external challenges to the mission of the church

Mentor Like Jesus Regi Campbell, Richard Chancy, 2009-05-01 More time spent with fewer people equals greater kingdom impact Desiring to see God widely embraced as more than a remote concept entrepreneur Regi Campbell began a deeply successful mentoring program years ago that has become one of his greatest joys Though it seemed radical at first spending more time with less people to further an all important message he soon realized this is the discipleship model Jesus set out during his ministry today two billion people worldwide embrace the wisdom He entrusted to a small band of disciples two thousand years ago *Mentor Like Jesus* is Campbell's revelation of what he now calls next generation mentoring an exponentially rewarding process that is resulting in

lives changed marriages saved children dealt with in a more loving way Readers of any age and in any situation will clearly understand how the return on a meaningful investment in another person is truly immeasurable Wandering in the Wilderness Brian Simmons,2011-06-14 One of today s hot topics is the faith of emerging adults the 18 30 age group This book surveys the current research on emerging adulthood describes the common changes emerging adults experience in their Christian faith as they move through their twenties and discusses how emerging adults and their parents can successfully navigate those changes In 2000 psychologist Jeffrey Arnett posited a new life stage emerging adulthood to describe the 18 30 age group This age group was marked by a growing chasm between adolescence and the completion of traditional adult milestones A number of scholarly studies of this age group have been done in the last decade This book surveys that research and offers an overview of how emerging adults view Christian faith It explains how emerging adults reject or modify several of the Christian faith s most common tenets and assumptions And it offers guidance to parents grandparents ministers and anyone who seeks to better understand the perplexing changes often seen in emerging adults religious faith and practice In addition to presenting in reader friendly form the conclusions of recent research on this age group Wandering in the Wilderness weaves in the reflections of real life emerging adults who responded to the author s request to share their own experiences of Christian faith These provide powerful poignant glimpses into the topic

Spiritual Warfare and Missions Jerry Rankin,Ed Stetzer,2010-06-01 The mission of God to Go therefore and make disciples of all nations baptizing them in the name of the Father and of the Son and of the Holy Spirit Matthew 28 19 HCSB is a major target of spiritual warfare today In this new book by International Mission Board president Jerry Rankin and noted missiologist Ed Stetzer the authors call out Satan s ongoing strategy to convince Christians that the Great Commission is optional Through deceit he is eroding the authoritative mandate of Scripture leading believers to tell themselves that international discipleship is a task better left to denomination and mission agencies not the sort of kingdom work that every believer can do But for every evil success Rankin and Stetzer point to where Satan is failing thus encouraging readers to renew their passion to declare God s glory among the nations Indeed by taking up the call to action here we can be sure that the kingdoms of the world will become the kingdom of the Lord **Beyond the Broken Church** Sarah Raymond

Cunningham,2014-04-22 Beyond the Broken Church is a collection of heartfelt learnings from Sarah Cunningham a young adult raised in the faith about the church she s not always sure she wants to be part of The book engages concerns of a disillusioned generation head on and offers hope and honest practical ideas for moving beyond one s frustrations In the end Beyond the Broken Church tells a story that will be familiar to many the journey of overcoming disillusionment and staying the course This revised and expanded version of the popular book Dear Church revisits the existing book with additional chapters fresh statistics new insights into why people are leaving the church and a resource guide for those who care about the disillusioned and want to understand them better Beyond the Broken Church will be a breath of fresh air to others who

have experienced frustration in church as well as an insider's guide for those seeking to understand current trends in church attendance particularly among the younger generation Not Done Yet Beth Severn, 2020-07-28 Nones claim no religion Dones have become disillusioned and left the church While many emerging adults fall in these camps many are tossing aside these labels and embracing a transformative Christian faith Based on her extensive research Beth Severn outlines a model for how to engage and retain millennials and Generation Z in the life of the local church **Crossroads** Robert J. A. Doornenbal, 2012 **Simple Church** Thom S. Rainer, Eric Geiger, 2011-06 Now in paperback this multi awarded national best seller shares a clear message from case studies of 400 North American congregations church is done best when it's kept simple *Generational IQ for the Workplace and Home Collection* Haydn Shaw, 2016-10-01 This collection bundles 2 of popular author Haydn Shaw's books together in one e book for a great value Sticking Points This is the first time in American history that we have had four different generations working side by side in the workplace the Traditionalists born before 1945 the Baby Boomers born 1945 1964 Gen X born 1965 1980 and the Millennials born 1981 2001 Haydn Shaw popular business speaker and generational expert has identified 12 places where the 4 generations typically come apart in the workplace and in life as well These sticking points revolve around differing attitudes toward managing one's own time texting social media organizational structure and of course clothing preferences If we don't learn to work together and stick together around these 12 sticking points then we'll be wasting a lot of time fighting each other instead of enjoying a friendly and productive team Sticking Points is a must read book that will help you understand the generational differences you encounter while teaching how we can learn to speak one another's language and get better results together Generational IQ Why is my daughter drifting from God Why can't I explain my life choices to my parents When will my son get a real job Within the last several decades the world has shifted dramatically The cracks of this fundamental shift appear everywhere in our economy in our cultural debates in our political landscape and most important in our churches The problem is we tend to overreact to these changes fearing that Christianity is dying We need better Generational IQ so we can respond to the changes but not be terrified by them We need a wise generational coach Haydn Shaw is that generational expert showing us the roots of this generational shift and how it affects every one of us Each generation whether it's the aging Boomers or the young Millennials approaches God with a different set of questions and needs based on the times in which they grew up Haydn walks you through these generational differences and paints a vision of hope for the future **Small Church, Big Impact (Ebook Shorts)** Brandon J. O'Brien, 2011-08-01 By gathering stories about effective churches from small church pastors Brandon O'Brien demonstrates that a church's success is not contingent on its size This is a selection from Brandon O'Brien's book *The Strategically Small Church* **Meeting the Transitional Needs of Young Adult Learners** C. Amelia Davis, Joann S. Olson, 2014-09-22 This is the first New Directions volume related to young adult learners since 1984 Then as now young adults are an important segment of the adult population but have received scant attention in the adult education literature

Increasingly youths and young adults are enrolling in adult education programs and in doing so are changing the meaning of adulthood. Given the significant demographic, technological, and cultural shifts during the past 30 years, there is an increasing need for practitioners and program planners to reconsider what constitutes adult and adult education. An understanding of the changing meaning of adulthood is fundamental to developing programs and policies that will address the needs of younger learners, and we believe it is time for an updated discussion among adult educators and scholars in other disciplines. This sourcebook is designed to reignite the discussion related to meeting the educational needs of young adults along with a timely and interdisciplinary discussion that highlights the transitional needs of young adult learners.

Table of contents

- 1 Conceptualizing Transitions to Adulthood Johanna Wyn This opening chapter lays the groundwork for this volume by providing an overview of adult development theories as they relate to the transition to young adulthood along with a discussion of the blurring between youth and adult due to the ambiguity encountered when trying to define adulthood.
- 2 Culture Conditions and the Transition to Adulthood Brendaly Drayton An individual's culture shapes both the definition of adult and the experience of the transition to adulthood. Furthermore, the transition to adulthood may serve as a time when an individual's cultural identity is more consciously defined and more personally salient. This chapter explores the intersection of culture and adulthood.
- 3 Vulnerable Youth and Transitions to Adulthood Rongbing Xie, Bisakha Sen, E. Michael Foster This chapter discusses recent research conducted that identified challenges youth in the mental health system, the foster care system, and the juvenile justice system face in their transition to adulthood due to limited support systems.
- 4 Young Adulthood Transitions and Disability Jessica Nina Lester A discussion focusing on the social transitions to adulthood and independent living of an often forgotten population in adult education: young adults labeled with disabilities.
- 5 Becoming an Adult in a Community of Faith Steven B. Frye The vitality and ongoing existence of any community of faith, regardless of the specific religious tradition, depends on incorporating the next generation as full participants. This chapter focuses on how the transition to adulthood is transacted within various religious traditions and the extent to which that transition is a place where non-formal learning takes place.
- 6 Youths Transitioning as Adult Learners C. Amelia Davis This chapter conceptualizes transitions with a focus on Adult Basic Education (GED) students as they transition from high school to adult education.
- 7 Transitions From Formal Education to the Workplace Joann S. Olson This chapter frames the transition to adulthood in the context of the moving from formal educational settings (e.g., high school, postsecondary education) to the often less structured learning that occurs in workplace settings.
- 8 Themes and Issues in Programming for Young Adults Joann S. Olson, C. Amelia Davis In this final chapter, recurring themes from the preceding chapters are identified and discussed as they pertain to program planning and instructional practice.

Pre-Evangelization and Young Adult "Native Nones" Tamra Hull
