The Lost City of the Exodus Ahmed Osman,2014-03-24 Recent archaeological findings confirm Osman s 25 year old discovery of the location of the city of the Exodus Explains why modern scholars have been unable to find the city of the Exodus they are looking in the wrong historical period and thus the wrong region of Egypt Details the author s extensive research on Hebrew scriptures and ancient Egyptian texts and records which allowed him to pinpoint the Exodus site Reveals his effort to have his finding confirmed by the Egyptian government including his debates with Zahi Hawass Egyptian Minister for Antiquities Affairs When the first archaeologists visited Egypt in the late 1800s they arrived in the eastern Nile Delta to verify the events described in the biblical Book of Exodus Several locations believed to be the city of the Exodus were found but all were later rejected for lack of evidence This led many scholars to dismiss the Exodus narrative merely as a myth that borrowed from accounts of the Hyksos expulsion from Egypt But as Ahmed Osman shows the events of Exodus have a historical basis and the ruins of the ancient city of Zarw where the Road to Canaan began have been found Drawing on decades of research as well as recent archaeological findings in Egypt Ahmed Osman reveals the exact location of the lost city of the Exodus as well as his 25 year effort to have this finding confirmed by the Egyptian government including his heated debates with Zahi Hawass former Egyptian Minister for Antiquities Affairs He explains why modern scholars have been unable to find the city of the Exodus they are looking in the wrong historical period and thus the wrong region of Egypt He details his extensive research on the Pentateuch of the Hebrew scriptures the historical scenes recorded in the great hall of Karnak and other ancient source texts which allowed him to pinpoint the Exodus site after he discovered that the Exodus happened not during the pharaonic reign of Ramses II but during that of his grandfather Ramses I Osman concluded that the biblical city of the Exodus was to be found at Tell

Heboua at the ruins of the fortified city of Zarw the royal city of Ramses I far from the Exodus locations theorized by previous archaeologists and scholars In 2012 after 20 years of archaeological work the location of Zarw was confirmed by Egyptian officials exactly where Osman said it would be 25 years ago Thus Osman shows that time and again if we take the creators of the source texts at their word they will prove to be right The Lost Treasure of King Juba Frank Joseph,2003-03-25 The story of a mysterious southern Illinois treasure cave and its proof of the presence of Africans in North America long before Columbus Includes over 100 photographs of the artifacts discovered Re creates the historic voyage of King Juba and his Mauretanian sailors across the Atlantic to rebuild their society in the New World Explains the mystery of the Washitaws a tribal group of African origin first encountered by the Lewis and Clark Expedition In 1982 Russell E Burrows a treasure hunter in southern Illinois stumbled on a cache of ancient weapons jewels and gold sarcophagi in a remote cave There also were stone tablets inscribed with illustrations of Roman like soldiers Jews early Christians and West African sailors These relics fueled a bitter controversy in the archaeological community regarding their authenticity leading Burrows to destroy the entrance to the cave Researching more than 7 000 artifacts removed from the cave before it was sealed Frank Joseph explains how these objects came to be buried in the middle of the United States It started with Cleopatra whose daughter was made queen of the semi independent realm of Mauretania present day Morocco which she ruled with her husband King Juba II Following the execution of their son Ptolemy by Emperor Caligula the Mauretanians rebelled against their Roman overlords and made their way into what is now Ghana There they constructed a fleet of ships for a transatlantic voyage to a land where they hoped to rebuild their kingdom safe from Roman rule They took with them a great prize unsuccessfully sought by two Roman emperors Cleopatra s golden treasure and King Juba s encyclopedic library of ancient wisdom Fully illustrated with many previously unpublished photographs of artifacts retrieved from the southern Illinois site The Lost Treasure of King Juba is a compelling story that could force us to rethink the early history of our nation and the possibility that Africans arrived on our continent nearly fifteen centuries before Columbus **Proceedings of the Geological Society of America** Geological Society of America,1952 List of members **The Publisher** ,1910 **Wonders Lost and Found: A Celebration of the Archaeological Work of Professor Michael Vickers** Nicholas Sekunda,2020-02-13 Twenty one contributions written by friends and colleagues reflect the wide interests of Professor Michael Vickers from the Aegean Bronze Age to the use made of archaeology by dictators in the modern age Seven contributions relate to Georgia where the Professor has worked most recently and made his home Interior, Environment, and Related Agencies Appropriations for 2016, Part 1, 2015, 114-1 ,2015
