Louis Vuitton Paul-Gerard Pasols, 2005-11-01 Louis Vuitton has been making elegant luggage handbags and accessories for more than 150 years This text examines the life and times of the company's first three leaders founder Louis his son Georges and his grandson Gaston and its development under their guidance *Deluxe* Dana Thomas, 2007-08-16 With *Deluxe* How Luxury Lost Its Luster Dana Thomas who has been the cultural and fashion writer for Newsweek in Paris for 12 years has written a crisp witty social history that's as entertaining as it is informative New York Times From the author of *Fashionopolis* *The Price of Fast Fashion* and *The Future of Clothes* Once luxury was available only to the rarefied and aristocratic world of old money and royalty It offered a history of tradition superior quality and a pampered buying experience Today however luxury is simply a product packaged and sold by multibillion dollar global corporations focused on growth visibility brand awareness advertising and above all profits Award winning journalist Dana Thomas digs deep into the dark side of the luxury industry to uncover all the secrets that Prada Gucci and Burberry don't want us to know *Deluxe* is an uncompromising look behind the glossy facade that will enthrall anyone interested in fashion finance or culture **Fashion Visionaries** Linda Watson, 2015-05-04 Featuring 75 of the world's most legendary designers this book presents the story of fashion through the fascinating personal lives and innovative collections that have shaped the field over the past century Arranged in a broadly chronological order this compelling book outlines the impact that inventive individuals have had on the development of fashion Using boxed features to display key dates in the designers' careers the text written by an expert fashion journalist and historian delves into the visions behind their most creative and inspirational work Combining stunning visuals of both exciting and rare designs with insightful text this is an inspiring guide to the designers whose vision has forged new pathways in fashion design development and forever changed the way we dress today *Abraham's Luggage* Elizabeth Lambourn, 2018-10-18 A single unique document a list of one merchant's baggage is the starting point used to bring to life the twelfth century Indian Ocean Drawing connections between material culture foodstuffs and the construction of identity Lambourn examines notions of home and mobility at a key moment in world history *Luxury* Peter McNeil, Giorgio Riello, 2016 The first ever global history of luxury from Roman villas to Russian oligarchs a sparkling story of novelty excess extravagance and indulgence through the centuries **Building Brand Authenticity** M. Beverland, 2009-10-22 The projection of authenticity is one of the key pillars of marketing Research reveals that consumers seek authenticity through the brands they choose Based on extensive research with consumers and brand managers this book offers seven guiding principles for building brand authenticity **The Architecture of Luxury** Annette Condello, 2016-03-16 Over the past century luxury has been increasingly celebrated in the sense that it is no longer a privilege or attitude of the European elite or America's leisure class It has become more ubiquitous and now practically everyone can experience luxury even luxury in architecture Focusing on various contexts within Western Europe Latin

America and the United States this book traces the myths and application of luxury within architecture interiors and designed landscapes Spanning from antiquity to the modern era it sets out six historical categories of luxury Sybaritic Lucullan architectural excess rustic neoEuropean and modern and relates these to the built and unbuilt environment taking different cultural contexts and historical periods into consideration It studies some of the ethical questions raised by the nature of luxury in architecture and discusses whether architectural luxury is an unqualified benefit or something which should only be present within strict limits The author argues how the ideas of permissible and impermissible luxury have informed architecture and how these notions of ethical approval have changed from one context to another Providing voluptuous settings for the nobles and the leisure class luxury took the form of not only grand palaces but also follies country and suburban houses private or public entertainment venues and ornate skyscrapers with fast lifts The Architecture of Luxury proposes that in Western societies the growth of the leisure classes and their desire for various settings for pleasure resulted in a constantly increasing level of luxury sought within everyday architecture
