

Louisiana Wild

THE PROTECTED AND RESTORED
LANDS OF THE NATURE CONSERVANCY

C. C. Lockwood

With a Foreword by *Keith Ouchley*

Louisiana Wild The Protected And Restored Lands Of The Nature Conservancy

Kathleen Armour

Louisiana Wild The Protected And Restored Lands Of The Nature Conservancy:

Louisiana Wild C. C. Lockwood, 2015-09-07 The scenic images that Louisiana brings to mind moss draped cypress lush marshlands alligators gliding through bayous herons coasting across an open sky all spring from one of the most diverse and productive ecosystems on the continent This varied and inviting landscape gives rise to one of the state s many monikers Sportsman s Paradise which rings true whether you are boating on picturesque Lake Martin or bird watching among the ancient live oaks of Lafitte Woods From the precious maritime forests of Grand Isle to the steep contours of Tunica Hills Louisiana s wild outdoors defines each region s sense of place and value For nearly thirty years The Nature Conservancy in Louisiana has served as a steward of these ecological riches protecting and maintaining more than 285 000 acres of the state s land Now for the first time readers can observe the vast array of flora and fauna found in these complex habitats in Louisiana Wild with the awe inspiring photography of C C Lockwood After trekking and canoeing through more than sixty properties managed by The Nature Conservancy Lockwood presents a vivid photo narrative that journeys from the little known Copenhagen Hills a prairie habitat with the largest variety of woody plants in Louisiana to the swampland lake of Cypress Island with its massive rookery of roseate spoonbills and great egrets to over a dozen other sites that showcase Louisiana s distinct environs With 220 color images Louisiana Wild pays homage to the immeasurable impact of The Nature Conservancy s efforts and will delight anyone who calls Louisiana home *Louisiana Coastal Area Ecosystem Restoration Study* ,2004 **Annual Report of Lands Under Control of the U.S. Fish and Wildlife Service as of ...** U.S. Fish and Wildlife Service,2008 **Preserving and Protecting Our Natural Resources** United States. Congress. Senate. Committee on Finance,2001 **107-1 Hearing: Preserving And Protection Our Natural Resources, S. Hrg. 107-108, June 12, 2001** ,2001 The Nature Conservancy Magazine ,2008 **Nature Conservancy** ,1999 **People, Land & Water** ,2004 *Fish & Wildlife '91* U.S. Fish and Wildlife Service,1991 The Codex of the Endangered Species Act Lowell E. Baier,2023-07-25 The Endangered Species Act of 1973 ESA is one of the most cherished and reviled laws ever passed It mandates protection and preservation of all the nation s species and biodiversity whatever the cost It has been a lightning rod for controversy and conflicts between industry business and environmentalists The year 2023 marks the 50th anniversary of this law and provides an opportunity for a measured and thorough evaluation thereof We cannot know today s challenges and opportunities without understanding their histories This book is the most comprehensive history of the ESA ever published and the first to consider the entire history of the law from all angles in a single volume The history of the ESA has been one of increasing impact complexity and controversy In 1978 the Supreme Court declared that Congress intended for the U S government to save all species at any cost and thereafter application of the ESA became steadily more controversial as seen in the example of the northern spotted owl and the timber wars in the Pacific Northwest in the late 1980s and early 90s and then everywhere as the ESA became a political football in the highly partisan environment of the late 1990s and

amendments to the law ceased This book is not only a history but a call to action It will take more conservation more funding and more innovative solutions if we are to save our wildlife and biodiversity It will take the engagement to every American to muster the collective will to meet this challenge The hope of this book is that we will be able to look back and say that we accomplished more in the second 50 years of the ESA than we did in the first **Louisiana Conservationist** ,2001
