Mesmerizing even Brokenhearted I moved from New York to Florida That s where the first book ends The second book you missed I m not mad at you I m just disappointed is called The Heroin Scene in Fort Myers which is a very fitting title believe me Sometimes I m a slow learner so I dated my way through the heroin scene in Florida and I couldn t figure out for years why I wasn t finding any wife material But oh how I tried And tried In all the wrong places Pretty sad I m not proud of it After years of sad pathetic sex with heroin addicts I was a wreck My younger self wouldn t have even recognized me Lucy and Veronica had turned me into a broken humiliated shell of a man My heart had been ripped out of my chest so many times it was a miracle I hadn t killed myself yet Seriously it s a fun read I promise At the end of the book I had it up to here with heroin addicts I told myself never again would I let myself be sucked in by the sweet lies of manipulative fake love The name of the final chapter was NO MO HO No more whores I needed to change my life before my life was going to kill me I hopped on a plane back to my native Germany to lick my wounds and heal before returning to America That s where the second book ended And now for our third and final act *Finding Happiness in Los Angeles* Oliver Markus Malloy, If you re a fan of Dave Chappelle or John Oliver you ll love this book After writing a book about his bizarre adventures in America s underbelly Oliver finally finds love among his readers on Goodreads I think it will become a standard for people who are dealing with loved ones struggling with addictions B Bridges Amazon Review Dear Reader You re a little late to the party Where the hell have you been This is already the third and final part of the trilogy and you re only joining us now Tsk tsk tsk Let me get you up to speed on what you ve missed so far In book one Going to New York you missed the utterly fascinating nay spellbinding saga of me growing up in Germany and later emigrating to New York I was a brooding troubled teenage hacker Wow Good stuff It s almost like my life was the perfect kind of crazy to make a really awesome book Anyway being a teenage hacker came in handy later in life I went from rags to riches thanks to my keen understanding of technology and how to use the web to my advantage In New York I was married to Donna a girl I had met online She was an agoraphobic prone to temper tantrums And fun was had by all which led to a divorce 16 years later That s where the story gets really interesting I began dating It didn t go well I was no good at it OK truth be told I was really bad at it Apparently I had terrible taste in women A heroin addicted hooker named Alice broke my heart and robbed me of my will to live Doesn t sound very fun does it But it s a fun read I promise Dark but fun Mesmerizing even Brokenhearted I moved from New York to Florida That s where the first book ends The second book you missed I m not mad at you I m just disappointed is called The Heroin Scene in Fort Myers which is a very fitting title believe me Sometimes I m a slow learner so I dated my way through the heroin scene in Florida and I couldn t figure out for years why I wasn t finding any wife material But oh how I tried And tried In all the wrong places Pretty sad I m not proud of it After years of sad pathetic sex with heroin addicts I was a wreck My younger self wouldn t have even recognized me Lucy and Veronica had turned me into a broken humiliated shell of a man My heart had been ripped out of my chest so many times it was a miracle I hadn t killed myself yet Seriously it s a fun read I promise At the end of the book

I had it up to here with heroin addicts I told myself never again would I let myself be sucked in by the sweet lies of manipulative fake love The name of the final chapter was NO MO HO No more whores I needed to change my life before my life was going to kill me I hopped on a plane back to my native Germany to lick my wounds and heal before returning to America That s where the second book ended And now for our third and final act **Love Is an Addiction** Oliver Markus,2015-06-09 Along his strange journey into the seedy underworld of Fort Myers Florida Oliver encounters a number of female drug addicts and he empathizes with them because of his own traumatic past He feels compelled to try to help them escape the addict lifestyle but the end result is always the same They break his heart Love is an Addiction explores the world of online prostitution the underlying causes and consequences of drug addiction as well as the shortcomings of the AA 12 step program and the failure of traditional rehab programs that are utterly divorced from modern medical science There have been a number of books about drug addiction in recent years but Love is an Addiction offers a fresh unique perspective
