The Complete Concordance to Shakespeare Mary Cowden Clarke, 1924 Love-letters between a nobleman and his sister; with the history of their adventures Aphra Behn, 1729 *Love Letters of Eminent Persons. Edited by C. Martel. Second Edition* Charles MARTEL (pseud. [i.e. Thomas Delf.]), 1859 The Love Letters of William and Mary Wordsworth William Wordsworth, Mary Wordsworth, 2009 The Love

Letters of William and Mary Wordsworth collects 31 letters that William Wordsworth exchanged with his wife Mary during the early years of their marriage. These letters, fifteen from William to Mary and sixteen from her to him, were written during William's absences from home in 1810 and 1812 and offer an entirely new way of looking at the poet and his married life. Reproduced here with an informative introduction and headnotes by Beth Darlington that set each missive in biographical context, the letters cover a wide range of topics: village life, Regency politics, poetry, and painting; London gossip, rural manners, their five children, domestic activities, and family anecdotes. Yet along with these everyday incidents and practical concerns, there are tender passages in which the Wordsworths ardently declare their love for each other and reveal a profound happiness in their marriage. The William Wordsworth who emerges from this correspondence is a figure more relaxed, more accessible, and indeed more human than he has been pictured. Mary emerges as a woman of keen intelligence, energy, and imagination. Revealing how thoroughly Wordsworth shared his inner and passionate life with Mary, this volume puts to rest the notion that theirs was a marriage of convenience. Love-letters Between a Nobleman and His Sister Aphra Behn, 1712

Signed, Sealed, Delivered Nina Sankovitch, 2015-04-21 A history of letters draws on the author's personal correspondence experiences while celebrating what is special about handwritten letters, exploring the traditions of ancient and historical cultures, the practices of famous notables, and her thoughts about modern world communication habits.

Love Letters to a Sacred Prostitute Gary, 2012-11-08 A spiritual and knowledgeable woman once told me that I was a Sacred Prostitute. She explained that a Sacred Prostitute is someone who soothes, nurtures, and heals another and then sends them on their way to find their true destiny, a better, more emotionally complete person for the experience. I was initially confused but eventually relieved and elated by this possibility. I sometimes felt guilty because it wasn't possible for me to ignore a woman who was strong or beautiful or talented or sweet. I had many deep but relatively short-lived relationships. I was in love with many of these women. I respected and admired every single one of them. I found them simply amazing. I was never looking for notches on a bedpost, only searching for my one true Love. Many left me and moved on, found another. I was left alone again and again, wondering. But maybe there was a reason for such an active love life. Maybe I really am a Sacred Prostitute. After all, very few of the women seemed to hate me when we parted. And most were married shortly after their time spent with me. I can't tell you why I was chosen as a Sacred Prostitute. I can't tell you how to become one yourself. But in this book, I share the journeys, the thoughts, and the passions of 89 women that loved one in their own words. *Love-Letters between a Nobleman and his Sister: with the history of their adventures ... An Autoethnography of Letter Writing and Relationships Through Time Jennifer L. Adams, 2023-06-27 An Autoethnography of Letter Writing and Relationships Through Time. physical space Weaving together edited and annotated letters between a young couple in the 1930s with interludes of autoethnographic reflection the book relates the author's experiences as she has negotiated this project over 20 years Reading the letters is a sepia-toned window into the very private world of two young well-educated Jewish American people who lived their lives against the backdrop of the Jazz Age the Great Depression and Prohibition The author uses reflective autoethnographic interludes to tell the story of finding the letters and to explore the significance of letters as a communicative genre Adams considers the ethical implications of being a researcher eavesdropping on private moments in others' lives and she explores the function of dialogue in the development of the romantic relationship that unfolds in the letters and between the letters and her The author also advocates for the everyday relational communication practices that collectively comprise life's most important experiences Students and researchers interested in letter writing autoethnography and relationship development will find relevance in this book It will also be of value to those interested in letter collections the ethical implications of intimate research on people from the past who cannot offer consent the role of nostalgia in interpersonal communication and anyone who thrills at a love story told from primary documents from the past
