

# LOVE SPELL

*to bring back lover*

1

Write your own name and the name of your ex on a pink paper.

2

Cut a lemon in half.

3

Fold the paper and make sure that the names are touching.

4

Put the paper between the two lemon pieces - like a sandwich.

5

Wrap the red ribbon around the lemon to keep "the sandwich" together.

6

While doing all of the above, think about you and your ex back being reunited and how happy you'll feel.

7

Lastly, put the little "sandwich" in the back of the freezer and wait for a month.

*Love Spells that Work!* Dayanara Blue Star, 2015-03-29 There are as many love spells as there are people who wish to cast them The most powerful spells are those that influence the chakras spiritual pathways of another or create love bonds between two souls These spells can be challenging and even dangerous however so it is often better to rely on magic that embraces the natural world and only subtly creates the opportunity for others to recognize one's inner beauty There are also spells that rely on a magical focus like stones candles or mirrors in order to draw the inherent magical forces into a shape moldable by the spell caster This manner of spell has been in use for ages and even in an increasingly cynical society which has largely turned its back on the spirit world persist today because of their proven effectiveness There are spells crafted to find the love of others and to open our souls to the love of self without the confidence in oneself and the love of oneself how can one hope to harness the

energies needed to gain the love of another There are also spells designed to request the help of the goddess in her many forms should one be able to supplicate to her and prove their cause worthy Included here are a range of love spells of various type and description These have been drawn from ancient traditions the world over and some will appeal to certain kinds of casters while others may seem at odds with their nature You must always remember that casting is done with the heart and soul and that magic exists in the world of spirit so you should only try the magic that speaks to you on a mystical level If you cannot believe a spell will work it most certainly will not Please read the spells in this book and experiment with them responsibly Love is the most powerful force in the universe and it is unwise to use magic to toy with it unjustly Keep your heart pure in your pursuits and let your spirit guide you on a righteous path Blessed Be Dayanara Blue Star **Love Magic** Sheryn George, 2004 From making it through the first date to getting him to propose Love magic is filled with the kind of witchy can do advice every modern girl needs to transform her love life into something completely magical Vodou Love Magic Kenaz Filan, 2009-01-26 A working guide on how to find love and sexual fulfillment by working with the lwa the spirits of Haitian Vodou The first book on wanga love magic by an actual Vodou initiate Provides spells and spirit work for many different problems associated with affairs of the heart Spells included are detailed and easy to follow Haitian Vodou like other folk traditions is an eminently practical craft Vodou practitioners see their relationship with the lwa the spirits honored in Haitian Vodou as mutually beneficial rather than one sided In return for sincere offerings the lwa are happy to provide protection and support in dealing with life's problems which more often than not concern love In Vodou Love Magic Kenaz Filan details the myriad aspects of love and sex governed by the different lwa and explains what services each can provide in attaining fulfilling relationships and who will likely offer the best wisdom for your needs If you are having trouble meeting people Legba's Opening the Door spell can resolve this difficulty If you wish more fire in a relationship then you should work with the warrior spirit Papa Ogou Filan presents easy to follow instructions for numerous love spells and also reveals how the lwa offer counsel for dealing with ending relationships toxic behavior patterns like codependency or romantic triangles Vodou Love Magic does not provide a magic genie who will fulfill every wish but it does offer access to a team of spirits who can help transform dreams into realities **White Magic & Rituals** Amelia Teije, YES YOU ARE HERE because a CONNECTION has happened and even if you don't feel READY yet you are about to meet MAGIC If you want to know the secrets and its power KEEP READY Do you want to start practicing magic but don't know where to begin Do you want a collection of rituals that can transform and improve your life Do you want to discover how to attract LOVE HEALTH MONEY and PROSPERITY Start discovering the MAGIC in you discover your essence and connect with your vibrations to elevate your mind Discover how WHITE MAGIC is a powerful tool for attracting all the positivity in the world around us and will allow you to succeed in all areas of life you desire In this book you will find All the secrets to making a ritual really work You will discover how to channel your inner power to live a full and abundant life You will learn how to find within yourself the
