Crying Angels Sarah V. Tinsley,2018-10 Most of us can probably think of a spiritual

experience in our life that made a permanent profound impression God reveals His infinite love through our personal experiences Too often these stories of spiritual reality are never shared with others When I began praying for spiritual experiences when my parents were very ill I was blessed with a visit from crying angels The first story in my book *Crying Angels* inspired the title of my book I felt I should record and share my spiritual stories and the stories I had heard from others I realized that both the teller and the listener's faith in God increases when stories are shared Our sharing creates a ripple effect of numerous blessings My hope is that the stories in this book will bless your soul and will help you not miss any of the miracles God places before you Sarah V Tinsley **The Way We Fell** MJ Fields, 2019-10-06 One brilliant smile and my heart beat for what felt like the very first time One night as he held my sister and sang to her it broke Years later his smile is different and I curse my heart when it beats in an all too familiar way a way it's only ever beat for him again He was once hers could he ever truly be mine "Why God?" Darren Frame, 2022-09-30 Many difficult Why God questions accompany the loss of a child or loved one Frame writes from the rational spiritual perspective of a Christian father who unexpectedly lost a 20 year old son His goal is to help readers reset perceptions and expectations about who God is what happens in death and what God's promises actually are related to suffering and grief Where existing books and resources fall short and may fail to speak effectively to the heartbroken Frame's bold questioning approach and conversational voice target and reach grieving readers where they are in the unpredictable journey of loss *Poems & Songs* Richard Middleton, 1912
