Focused Therapy Commitment and Healing Richard A. Isay, M.D., 2010-12-03 What's love got to do with it? Everything, according to Richard Isay's informed and illuminating look at the role of romance in modern gay life. I highly recommend this book for people of any generation and partnership status. Dean H. Hamer, Ph.D., author of *The Science of Desire* and *The God Gene*. Richard Isay offers something far better than simple bromides and false hope. In this book, he challenges us with a provocative, illuminating, and ultimately hopeful look at ourselves and explains how those of us who yearn to love and be loved and who don't can best find happiness and healing in a committed relationship. Eric Marcus, author of *The Male Couple's Guide* and *Together Forever*. Many gay men and others too are likely to find this book exceptionally interesting and helpful. In a series of vividly illuminating case histories and with a psychoanalyst's depth and clarity of insight, Richard Isay lucidly explains why gay men have particular difficulty in establishing and sustaining loving relationships and how they might sensibly improve their chances of doing so. Harry G. Frankfurt, Ph.D., author of *On Bullshit* and *The Reasons of Love*. Richard Isay's portrayals of gay men's lives are likely to be controversial. Isay is not the stereotypical psychoanalyst who sits quietly while his patients ramble, and we're all the better for that. He has something to say, and what he says is worth hearing. This provocative book should be read by anyone who yearns for but hasn't yet found real love. William Rubenstein, Founding Director of the Williams Institute on Sexual Orientation Law and former Director of the ACLU Lesbian Gay Rights Project. Based on Dr. Isay's three decades of experience working with gay men in therapy, this is a deeply thoughtful study of the difficulties gay men may experience with falling and staying in love. Simon LeVay, Ph.D., author of *Human Sexuality and Queer Science*. Keeping Mr. Right Dr. Kenneth D. George, 2004 In this comprehensive follow-up to his bestselling *Mr. Right is Out There*, Kenneth George offers in the same warm and wise manner guidelines for gay men on forming successful male couples. Known for his commonsense and honest approach to relationships, Dr. George explores the issues facing gay couples and offers advice on working through them rather than letting them become insurmountable. Included in the book are tips on negotiating changes rather than living with annoying differences, defining your relationship with a job description, and having great sex. **Love & Sex** Eli West, 2025-08-06 Are you craving deeper connection, mind-blowing intimacy, and the confidence to love and lust without shame? It's time to break the silence and rewrite the rules of modern gay relationships. **LOVE SEX** is a powerful, no-fluff guide designed exclusively for gay men who want more than surface-level connection. Whether you're single, dating, in a long-term relationship, or navigating something in between, this book dives deep into the emotional, sensual, and erotic layers of intimacy between men. Discover why male-male desire is unique and how understanding it can unlock more pleasure, vulnerability, and freedom than you thought possible. From building emotional safety to exploring kink, managing conflict, and keeping the spark alive, this book tackles it all without judgment or taboo. Inside, you'll explore: How to communicate your needs and desires without fear. The truth about emotional intimacy between men and how to strengthen it. How to define your relationship: monogamy, open love, and everything in between. Erotic

intelligence understanding your sexual blueprint and learning each other's bodies How to navigate jealousy triggers and sexual insecurities Ways to spice things up with fantasy role play and sensual play Tools to repair emotional distance and reconnect after conflict or dry spells How to thrive in a world that still misunderstands gay love Backed by lived experience honest insight and a sex positive heart centered approach LOVE SEX offers both practical tools and soul deep encouragement If you're ready to build a love life that's emotionally rich sexually free and deeply fulfilling this book is your invitation Start your journey toward deeper intimacy erotic confidence and authentic connection one page at a time **Gay Relationships for Men and Women** Tina B. Tessina,1989 Here is a step by step guide to making relationships work for America's more than twenty million gay men and women Written in a warm direct style this book is leavened with humor and filled with anecdotes and examples drawn from the lives of the author's clients and friends **Gay Men's Guide to Love and Relationships** Richard L. Travis,2012 A dating and relationship guide for gay men
