Thomas Griffin,2024-08-16 It s no secret we live in a time of confusion scandal and chaos Our response is often despair hopelessness or uncertainty of what to do next The world however needs to be repaired what is broken needs to be rebuilt Jesus famously asked Saint Francis of Assisi to rebuild his Church Today so many Catholics want their lives families nation and Church repaired as well Let Us Begin highlights the unmatched witness of Francis on how to repair the brokenness of the human heart as well as to restore a world in need of renewal As Francis realized more than 800 years ago personal conversion is the key to renewing our Church and our culture Francis accepted God s invitation to let Christ change his life and thus he began to live as Christ He labored to repair what was broken but he accomplished this tremendous rebuild by being enamored with Christ Renewal in our age will follow the same path When we are made into Christ we change the world

Friends' Weekly Intelligencer, 1901 *Friends' Intelligencer and Journal*, 1901 *Word, Sacrament, Charism* Marc Ouellet, 2025-06-02 Cardinal Ouellet offers an ecclesiological key for a better understanding and practice of a Synodal Church He asks what does the future hold for a synodal Church Missionary conversion or confusion Spirits are stirred by the many questions raised by the vast consultation of the people of God gathered under the uncomfortable tent of synodality In our desire for reforms the Cardinal says that we are losing sight of the one perfect model the archetype Mary and that we should keep our gaze constantly fixed on Our Lady in order to know ourselves what the Church the ecclesial spirit ecclesial behaviour really are He states that the main weakness in the synodal process has been the lack of theological reflection which risks leaving the Church at the level of charitable NGOs This book proposes to fill this gap in the hope that the synodal operation will go further than the sociology of changing structures and the distribution of power Hence the elements proposed by Ouellet for a more Trinitarian pneumatological Marian and nuptial ecclesiology to prevent the Church from being divided into ideological struggles that extinguish the flame of mission The boldness of this book is to highlight the charismatic dimension of the Church too long neglected for lack of pneumatology Its revolutionary originality lies in placing the charism on the same footing as the Word and the Sacrament
