Oh, 2012 The purpose of my autobiography is to give my heart felt thanks to the Lord for what He has done for me for the past 60 years beginning from 1950 when I became a Christian during the war of Pohang in the boundary of life and death to 2010 when I officially closed the Lord's ministry as pastor of International Bible Church in Los Angeles The desire of writing this book is totally on my own for neither did the Lord ever ask me to write this book nor did He ever need this book to be written When a person receives God's amazing grace loving mercy and abiding peace in him is welling up a spring of water of thanksgiving from his inner heart without ceasing until he shares its amazing grace and loving mercy and abiding peace with others This is just what I have done in this book I am giving the Lord my heart felt thanksgiving for the 20 miracles that have happened to me for the past 60 years without which I wouldn't be here today To God be the glory and honor forever Amen

Maloney Ph.D., 2021-07-29 This brief sharing of my experiences as an active duty and reserve Army chaplain has been years in the making While there are far more joyful memories than sorrow filled memories the latter are painful and some of them were not comfortable to revisit especially the memories involving families who lost their soldier The time frame for this story is my service as an Army Reserve chaplain from 1991-2013 including over seven years on active duty It has been my observation that a majority of the general public and in fact a lot of military service members do not understand what a military chaplain does other than the insights provided by the TV series M A S H and the character of Father chaplain Mulcahy My hope in publishing this book is that people will gain a deeper insight into and appreciation for the work of military chaplains my brothers and sisters in ministry

Stroke of Love reminds you of how deeply loved you are by God and helps you witness our Savior's love and God's relentless pursuit of the lost. You will be inspired to entrust all your cares to God and to live a life completely surrendered to Him. My hope is that God will use my story to encourage you to trust Him with all of your heart. Sometimes life can be so full and get so busy that we may forget that we have a heavenly Father who knows what we need even before we ask Him. I believe this is what happened to me but because of God's great mercy and love He allowed me to experience a stroke that He used in a powerful way to bring me back to my First Love Jesus Christ. No matter what we may experience in this life we have a heavenly Father who loves us unconditionally and who always wants the best for us. May the Lord open your heart to understand that you are His treasured and beloved creation. May you find your peace and rest in the sovereign care and warm embrace of the Almighty.

Christensen, 2014 I Initially wrote this book to retrieve my voice and it took on a life of its own There are so many people that are struggling with their emotions and finding their voice They have no understanding why their life is crumbling all around them By sharing my story it is my hope that you will find the courage to go within and throw off the shackles of pain and suffering to stand tall in the full Glory of your Essence the love that you are and to retrieve your voice To live in and from the Peace Joy Grace and Power that is your Essence is what we are here to be and do We are The One that we have been waiting for If my story opens the door for just one person to find the Peace and Love they have been yearning for it would have been worth everything Life s journeys are great adventures for all of us But if we re really lucky some of them take us beyond anything we might have imagined Mette Christensen s journey is surely one of those We re fortunate indeed to have her share it George Greene PhD I believe fervently in being the change that I want to see It all starts with us as individuals This book is about one amazing woman s journey through a lifetime and how it can transcend for all of us it just starts from within you It is filled with key reminders of universal tools that we oft en forget when we feel our lives are shaken to the core I find it essential to keep around and reference back to as I walk through my own journey J Darland Business Consultant

Amazing Grace Bruce Hindmarsh, Craig Borlase, 2023-03-07 Amazing Grace is the surprising true story of John Newton author of the song that has touched millions A biography that reads like a novel it reveals Newton s dramatic story of sin and salvation as a slave trader before his ultimate transformation to speaking out against the horror of slavery His story speaks to the brokenness within us all and our need for God s amazing grace and reveals the truth behind his song Amazing Grace is based on years of research on the life and writings of John Newton It tells of a prodigal who returns home and a young love that defies the odds of a young man whose life is torn by grief and wounded by the cruelty of others following his descent into deeper suffering and finally into the brutal world of the slave trade Newton rejects God repeatedly but is rescued by a divine mercy that reaches deeper than he could ever have imagined as he ultimately faces his past and repents Newton s story is shocking and Amazing Grace does not try to airbrush or excuse his faults There are glaring contradictions in the life of a ship s Captain who retreats to his cabin to study his Bible and write tender love letters to his wife while hundreds of slaves lie in chains in the hold below The profound lessons from his life are applicable to us today helping us to Discover that the need for grace is universal and offers the deepest hope for overcoming hatred Be honest about our lives even when we are ashamed and face seemingly unresolvable problems Look for grace when life is far from perfect and doesn t match up to our expectations Trust that our mistakes and regrets no matter how deep can be redeemed in the end Since the first public singing of Amazing Grace almost 250 years ago every generation has been profoundly moved by the song and now readers

can connect with John Newton's story like never before. In these days of extreme polarization when beliefs about race, church, and politics have all become deeply divisive in society, we need grace more than ever. We need stories like this one that talk honestly about the human condition but even more about the relentless love of God and his forgiveness of sins. **The Portrait** Danielle Steel, 2025-09-30. A gifted portrait artist and a high-powered subject confront past wounds to embrace new love in this poignant novel by #1 New York Times bestselling author Danielle Steel. Devon Darcy's reputation precedes her. As a highly sought-after portrait artist, she seems to have the ability to peer into the souls of her subjects and then capture them on canvas. But the world doesn't know about the devastating losses she has endured: first as an orphan, then as a far too young widow. When entrepreneur Charles Mackenzie Taylor sees her at a New York gallery event, he is instantly haunted by her beauty and her talent. Having lost his mother when he was thirteen and still living in the cold shadow of his late banker father's disapproval, Charlie has given up on love. He's resigned himself to a loveless marriage to avoid the inconvenience of divorce. But Devon awakens something in him across that crowded gallery, and she is in turn intrigued by Charlie. He approaches her to paint his portrait, and while her schedule is booked for many months, before she can accommodate him, the electricity between them is palpable. When they encounter each other over the summer in the Hamptons, their connection deepens as they each release years of pent-up emotions and unfulfilled longing. But the ghosts of their pasts are not easily put to rest. Charlie wrestles with his fear of real intimacy for the first time in his life, while Devon struggles with her fear of abandonment. And after an accident endangers Devon's career, they must decide together what their future holds. Danielle Steel's sensitive portrait of two successful people who have built walls around themselves is a wise chronicle of the rocky path to true courage and connection.
