Loving Amy A Mothers Story:

Loving Amy Janis Winehouse,2024-08-06 Amy was one of those rare people who made an impact She was a bundle of emotions at times adorable and at times unbearable Amy s passing did not follow a clear line It was jumbled and her life was unfinished not life s natural order at all She left no answers only questions and in the years since her death I ve found myself trying to make sense of the frayed ends of her extraordinary existence Arguably the most gifted artist of her generation Amy Winehouse died tragically young aged just twenty seven With a worldwide fan base and millions of record sales to her name she should have had the world at her feet Yet in the years prior to her death she battled with addiction and was frequently the subject of lurid tabloid headlines Amy s mother Janis knew her in a way that no one else did In this warm poignant and at times heartbreaking memoir she tells the full story of the daughter she loved so much As the world watched the rise of a superstar then the free fall of an addict to her tragic death Janis simply saw her Amy the daughter she d given birth to the girl she d raised and stood by despite her unruly behavior the girl whose body she was forced to identify two days after her death and the girl she s grieved for every day since Including rare photographs and extracts from Amy s childhood journals **Loving Amy** offers a new and intimate perspective on the life and untimely death of a musical icon

worry about their children's livelihood and wellbeing in an industry fraught with drugs and other dangers Did they encourage their children's passions despite the odds against success or attempt to dissuade them from their grandiose dreams Do they remind their kids to pack a warm coat when they go on tour Virginia decided to seek out other rock star mothers to ask these questions and so began a two year odyssey in which she interviewed such women as Verna Griffin Dr Dre's mother Marianne Stipe Michael Stipe of REM's mother Janis Winehouse Amy Winehouse's mother Patsy Noah Adam Levine's mother Donna Haim mother of the Haim sisters Hester Diamond Mike D of The Beastie Boys mother With exclusive family photographs and a foreword by Dave Grohl From Cradle to Stage will appeal to mothers and rock fans everywhere [Eyeliner](#) Zahra Hankir,2023-11-14 A New York Times Book Review Editors Choice Pick Cosmetic tool of rebellion status signifier Eyeliner has been all these and more Moving through millenniums and across civilizations Hankir gives the makeup its eye opening due The New York Times Book Review An impressive rigorously researched winding path through centuries and over continents NPR.org I loved Eyeliner Hankir approaches her subject with dedicated curiosity humility and humor blending anthropology travel writing memoir and history A treat Kassia St Clair author of The Secret Lives of Color From the acclaimed editor of Our Women on the Ground comes a dazzling exploration of the intersections of beauty and power around the globe told through the lens of an iconic cosmetic From the distant past to the present with fingers and felt tipped pens metallic powders and gel pots humans have been drawn to lining their eyes The aesthetic trademark of figures ranging from Nefertiti to Amy Winehouse eyeliner is one of our most enduring cosmetic tools ancient royals and Gen Z beauty influencers alike would attest to its uniquely transformative power It is undeniably fun yet it is also far from frivolous Seen through Zahra Hankir's kohl lined eyes this ubiquitous but seldom examined product becomes a portal to history proof both of the stunning variety among cultures across time and space and of our shared humanity Through intimate reporting and conversations with nomads in Chad geishas in Japan dancers in India drag queens in New York and more Eyeliner embraces the rich history and significance of its namesake especially among communities of color What emerges is an unexpectedly moving portrait of a tool that in various corners of the globe can signal religious devotion attract potential partners ward off evil forces shield eyes from the sun transform faces into fantasies and communicate volumes without saying a word Delightful surprising and utterly absorbing Eyeliner is a fascinating tour through streets stages and bedrooms around the world and a thought provoking reclamation of a key piece of our collective history [Music and Heritage](#) Liam Maloney,John Schofield,2021-04-13 Music and Heritage provides new thinking about the diverse ways people engage with heritage By exploring the relationships that exist between music place and identity the book illustrates how people form attachments to place and how such attachments are represented by sound and music making Presenting case studies and perspectives from across a range of genres the volume argues that combining music with heritage provides an alternative and productive opportunity to think about heritage values and place attachment Contributions to this edited collection use a
