Loving A Liar Antisocial Personality And Its Troubling Aspects:

Duped Jeffrey Kottler, Jon Carlson, 2011-01-19 In this book Jeffrey Kottler and Jon Carlson turn their well polished therapy microscopes onto the subjects of lying falsehood deceit and the loss of trust in the counseling room What do clients lie about and why When do therapists mislead or withhold information from their clients What does it all mean In their exploration of this taboo material the authors interview and share stories from dozens of their peers from all practice areas and modalities and ranging from neophytes to established master practitioners Their stories and reflections cast some light on this fascinating topic and will help to start a more honest dialogue about difficult subject matter **Canadian Journal of Psychiatry**, 1986 Comprehensive Handbook of Psychotherapy, Integrative / Eclectic Florence W. Kaslow, Jeffrey J. Magnavita, Terence Patterson, Robert F. Massey, Sharon Davis Massey, Jay Lebow, 2002-04-24 This is the first comprehensive reference to integrate and cover the most widely used psychotherapy approaches Each of the four volumes covers theoretical underpinnings of the therapeutic modality for the major populations children adults couples and families Each volume addresses the major psychological and emotional disturbances that the psychotherapy model is most effective in treating Midwest The Pathological Liar Debbie Welsch, 2015-10-14 We've all lied one point or another in our life Perhaps it was to avoid embarrassment to avoid hurting a person's feelings out of sheer convenience or for another reason with generally innocent intent However there are people out there who lie habitually intentionally deceiving others without remorse These people are known as Pathological Liars Oftentimes the tendency to lie is so deeply entrenched in a pathological liar's personality that the lies become interwoven with reality such that even he himself believes them If you know a person like this or worse if you're stuck in a familial or romantic relationship with one it's only normal for your frustration level to skyrocket on a regular basis when you feel like you're constantly being lied to In fact living with a pathological liar can be emotionally dangerous You can't trust or rely on them and with such a lack of trust it's impossible to forge a meaningful honest and fruitful relationship I'm sure you're wondering by now So can anything be done about this Fortunately the answer is Yes Although it can seem like a gargantuan task with a little bit of understanding and a lot of effort it is possible to turn the habitual liar in your life into an honest individual that you can finally trust This book is designed to help you understand exactly what compulsive lying disorder is all about including how pathological liars think in their own minds And most importantly it will also provide you with a framework within which you can learn to cope and help force them to stop lying to you altogether So if this sounds appealing then grab this book now and let's get started **The Liar's Redemption** Karl Walsh, 2003-10 This book is a developmental guide created to help those who have trouble lying overcome their mental illnesses Why they lie why they can't stop lying and why they wish they could If you are a liar or if you have a friend or a family member who is one there is hope Now find out how to help Offer what most of these people are looking for a chance for redemption **How To Stop Being a Compulsive Liar** Jamie Williams, The only book you'll ever need to completely
